Please note: The BS in Nutrition is being phased out at UCA. Students following this 2+2 agreement must enroll at UCA no later than Fall 2021, be 2+2 verified, and complete the entire BS degree program no later than December 2023. If you have any questions, please contact Brian Corbin, UCA Director of Transfer Services, at (501) 852-0806 or bcorbin@uca.edu

¹ See your ASUB advisor for degree and graduation information.

² Agreement requirements are guaranteed in accordance with the academic year of initial enrollment at ASUB, not to precede the academic year during which the agreement first took effect. A period of non-enrollment of 12 months or more requires that the student adhere to the agreement revision corresponding with the academic year of re-enrollment.

³ UCA course is either guaranteed by ACTS (acts.adhe.edu) or by UCA Department Chair approval (if blank, elective credit will be awarded).

⁴ As per the Arkansas Course Transfer System (ACTS), PSY 2533 will officially transfer to UCA as PSYC 2370. However, the UCA Family and Consumer Sciences Education department will allow PSY 2533 to serve as a substitute for the FACS 2341 course requirement.

⁵ Students completing the AS in Liberal Arts and Sciences degree requirements, as shown above, with a minimum 2.0 cumulative GPA, will have satisfied the UCA Lower-Division Core and will be admitted to the BS in Nutrition degree program as a junior.

⁶ In order to receive important communications about transferring to UCA, students are encouraged to create a UCA student account at gopurple.uca.edu. For more information about the 2+2 program, students may also send email inquiries to ucatransfer@uca.edu.

⁷ This agreement requires 120 credit hours as follows: maximum 60 at ASUB and remaining 60 at UCA (40 of which must be upper-division).
