Please note: The BS in Nutrition is being phased out at UCA. Students following this 2+2 agreement must enroll at UCA no later than Fall 2021, be 2+2 verified, and complete the entire BS degree program no later than December 2023. If you have any questions, please contact Brian Corbin, UCA Director of Transfer Services, at (501) 852-0806 or bcorbin@uca.edu

¹ See your BRTC advisor for degree and graduation information.

² Agreement requirements are guaranteed in accordance with the academic year of initial enrollment at BRTC, not to precede the academic year during which the agreement first took effect. A period of non-enrollment of 12 months or more requires that the student adhere to the agreement revision corresponding with the academic year of re-enrollment.

³ UCA course is either guaranteed by ACTS (acts.adhe.edu) or by UCA Department Chair approval (if blank, elective credit will be awarded).

⁴ Students completing the AS in Liberal Arts and Sciences degree requirements, as shown above, with a minimum 2.0 cumulative GPA, will have satisfied the UCA Lower-Division Core and will be admitted to the BS in Nutrition degree program as a junior.

⁵ In order to receive important communications about transferring to UCA, students are encouraged to create a UCA student account at gopurple.uca.edu. For more information about the 2+2 program, students may also send email inquiries to ucatransfer@uca.edu.

⁶ This agreement requires 120 credit hours as follows: maximum 60 at BRTC and remaining 60 at UCA (40 of which must be upper-division).
