NUTR	4374	Medical Nutrition Therapy II		3	
NUTR	4395	Nutrition: Contemporary Issues (UD UCA Core: D)		3	

Total Hours: 120⁷

¹ See your ASUB advisor for degree and graduation information.

² Agreement requirements are guaranteed in accordance with the academic year of initial enrollment at ASUB, not to precede the academic year during which the agreement first took effect. A period of non-enrollment of 12 months or more requires that the student adhere to the agreement revision corresponding with the academic year of re-enrollment.

³ UCA course is either guaranteed by ACTS (acts.adhe.edu) or by UCA Department Chair approval (if blank, elective credit will be awarded).

⁴ Applicants to the BS in Dietetics program must earn a "B" or higher in the following UCA courses: CHEM 1402 (CHEM 1450 also accepted), BIOL 1402 (BIOL 1440 also accepted), BIOL 3406 (BIOL 1410 also accepted), NUTR 1300, NUTR 2311 and NUTR 3310. Students must also have a 3.0 cumulative GPA.

⁵ Students completing the AS in Liberal Arts and Sciences degree, as shown above, will have satisfied the UCA Lower-Division Core. Upon successful completion of the application process (uca.edu/facs/programs/nutrition), students will be eligible for admission to the BS in Dietetics program.

⁶ In order to receive important communications about transferring to UCA, students are encouraged to create a UCA student account at gopurple.uca.edu. For more information about the 2+2 program, students may also send email inquiries to ucatransfer@uca.edu.

⁷ This agreement requires 120 credit hours as follows: maximum 60 at ASUB and remaining 60 at UCA (40 of which must be upper-division).
