**Total Hours: 120<sup>7</sup>**

<sup>1</sup> See your UACCM advisor for degree and graduation information.

<sup>2</sup> Agreement requirements are guaranteed in accordance with the academic year of initial enrollment at UACCM, not to precede the academic year during which the agreement first took effect. A period of non-enrollment of 12 months or more requires that the student adhere to the agreement revision corresponding with the academic year of re-enrollment.

<sup>3</sup> UCA course is either guaranteed by ACTS (acts.adhe.edu) or by UCA Department Chair approval (if blank, elective credit will be awarded).

<sup>4</sup> Applicants to the BS in Dietetics program must earn a "B" or higher in the following UCA courses: CHEM 1402, BIOL 1402 (BIOL 1440 also accepted), BIOL 3406 (BIOL 1410 also accepted), NUTR 1300, NUTR 2311 and NUTR 3310. Students must also have a 3.0 cumulative GPA.

<sup>5</sup> Students completing the AS in Liberal Arts degree, as shown above, will have satisfied the UCA Lower-Division Core. Upon successful completion of the application process (uca.edu/facs/programs/nutrition), students will be eligible for admission to the BS in Dietetics program.

<sup>6</sup> In order to receive important communications about transferring to UCA, students are encouraged to create a UCA student account at gopurple.uca.edu. For more information about the 2+2 program, students may also send email inquiries to ucatransfer@uca.edu.

<sup>7</sup> This agreement requires 120 credit hours as follows: maximum 60 at UACCM and remaining 60 at UCA (40 of which must be upper-division).
