[^0]:    ${ }^{1}$ Please see your EACC advisor for degree and graduation information.
    ${ }^{2}$ Agreement requirements are guaranteed in accordance with the academic year of initial enrollment at EACC, not to precede the academic year during which the agreement first took effect. A period of non-enrollment of 12 months or more requires that the student adhere to the agreement revision corresponding with the academic year of re-enrollment.
    ${ }^{3}$ UCA course is either guaranteed by ACTS (acts.adhe.edu) or by UCA Department Chair approval (if blank, elective credit will be awarded).
    ${ }^{4}$ Students completing the AS in Liberal Arts and Sciences degree requirements, as shown above, with a minimum 2.0 cumulative GPA, will have satisfied the UCA Lower-Division Core and will be admitted to the BS in Mathematics (Applied Mathematics) degree program as a junior.
    ${ }^{5}$ In order to receive important communications about transferring to UCA, students are encouraged to create a UCA student account at gopurple.uca.edu. For more information about the $2+2$ program, students may also send email inquiries to ucatransfer@uca.edu.
    ${ }^{6}$ This agreement requires 120 credit hours as follows: maximum 60 at EACC and remaining 60 at UCA ( 40 of which must be upper-division).
