F. Progress made in meeting institutional goals and objectives related to the recruitment and retention of minority students, faculty, and staff

The following goals were established by the university in its Minority Retention and Recruitment Plan. The goals are grouped by categories – students, faculty and staff. *Note that this will be the final report based on the 2012–2017 plan, which is being replaced this year by the 2022–2026 plan.*

1. Students

GOAL 1: Continue to recruit and retain the number (and corresponding percentage) of minority entering freshmen UCA students each year so that the proportion of UCA's minority-to-white entering freshmen will be consistent with the minority-to-white proportion of high school graduates entering [Arkansas] four-year public institutions, with the exception of UAPB.

GOAL 2: Increase the number (and corresponding percentage) of minority undergraduate UCA students each year, so that the proportion of minority-to-white UCA undergraduate students will be consistent with the minority-to-white proportion of students in [Arkansas] four year public institutions, with the exception of UAPB.

GOAL 3: To increase the retention and graduation rates for minority undergraduate UCA students each year so that the minority retention and graduation rates for minority undergraduate students will be approximately equal to the retention and graduation rates for white undergraduate UCA students.

GOAL 4: To maintain the number (and corresponding percentage) of minority UCA graduate students each year so that the proportion of UCA's minority-to-white graduate students will be approximately equal to the minority-to-white proportion of graduate students attending [Arkansas] four-year public institutions.

> Note: The comparative information required to report fully on these goals is not available from published ADHE reports. The university will revisit these goals and the information required to show progress on them as it reviews its diversity objectives and support structures in the immediate future (see item 7 below).

Minority Enrollment (Goals 1, 2, and 4)

Numbers in the following tables exclude non-resident aliens and students whose race/ethnicity is unknown.

Reporting terms: Fall 2015, Fall 2020

UCA Entering Freshmen (FT+PT)				
	2015		2020	
	Number	**Percent**	**Number**	**Percent**
Grand total	1,987		1,682	
Black	354	17.82%	284	16.88%
Other minority	276	13.89%	234	13.91%
White	1,357	68.29%	1,164	69.20%

UCA Undergraduate (FT+PT)				
	2015		2020	
	Number	**Percent**	**Number**	**Percent**
Grand total	9,249		8,241	
Black	1,739	18.80%	1,368	16.60%
Other minority	1,026	11.09%	1,101	13.36%
White	6,484	70.10%	5,772	70.04%

UCA Graduate (FT+PT)				
	2015		2020	
	Number	**Percent**	**Number**	**Percent**
Grand total	1,782		1,637	
Black	174	9.76%	154	9.41%
Other minority	95	5.33%	137	8.37%
White	1,513	84.90%	1,346	82.22%

UCA Total Enrollment				
	2015		2020	
	Number	**Percent**	**Number**	**Percent**
Grand total	11,031		9,878	
Black	1,913	17.34%	1,522	15.41%
Other minority	1,121	10.16%	1,238	12.53%
White	7,997	72.50%	7,118	72.06%

Arkansas Public 4-Year Universities (excluding UCA and UAPB) Total Enrollment				
	2015		2020	
	Number	**Percent**	**Number**	**Percent**
Grand total	80,261		76,093	
Black	10,042	12.51%	8,636	11.35%
Other minority	10,145	12.64%	12,551	16.49%
White	60,074	74.85%	54,906	72.16%

As indicated by changes in the proportion of minority to white enrollees from 2015 to 2020, have fluctuated somewhat, but not remarkably. UCA's overall minority enrollments have become more similar to minority enrollment at other public four-year universities (excluding UAPB) in the state during this period. Without comparative information readily available, it is difficult to make statements about UCA's graduate minority enrollment, except to note that diversity in UCA's graduate student enrollments has increased overall in the five years reported here.

Graduation and Retention Rates (Goal 3)

One-Year Retention Rate

	2010 **Cohort**			2014 **Cohort**		
	Cohort	**Number**	**Percent**	**Cohort**	**Number**	**Percent**
Total Cohort	1,828	1,261	69.0%	2,154	1,560	72.4%
White	1,194	838	70.2%	1,328	1,002	75.5%
Black	373	232	62.2%	488	311	63.7%
Other minorities	133	115	86.5%	258	180	69.8%
All minorities	506	347	68.6%	746	491	65.8%

Graduation Rate – 150% Time

	2010 **Cohort**			2014 **Cohort**		
	Cohort	**Number**	**Percent**	**Cohort**	**Number**	**Percent**
Total Cohort	1,828	762	41.7%	2,154	985	45.7%
White	1,194	560	46.9%	1,328	681	51.3%
Black	373	93	24.9%	488	127	26.0%
Other minorities	133	50	37.6%	258	121	46.9%
All minorities	506	143	28.3%	746	248	33.2%

One-year retention rates for these cohorts show some gains overall and in the tracked categories except for "Other minorities." Graduation rates show gains overall and in all categories. Achievement gaps remain, and the university continues to address these gaps.

2. Faculty

GOAL 5: To maintain the number (and corresponding percentage) of minority full-time faculty members of all ranks at UCA and to increase the numbers to the percentage of each race to approximately the percentage of degrees conferred by race nationally and master's degrees statewide.

Reporting terms: As indicated

As the following table shows, UCA percentages of minority full-time faculty show no significant change in black faculty representation and a slightly larger (but still very small) decrease in other minority faculty representation. The percentage of white full-time faculty also decreased. (Note: Because of difficulty accessing recent national completer data, this year's report like last year's does not include that data or comparative comments based on such data.)

| | UCA Full-Time Faculty | | | |
| | Fall 2015 | | Fall 2020 | |
	Number	Percent	Number	Percent
Total	547		525	
White	464	84.83%	434	82.67%

Other minorities	50	9.14%	46	8.76%
All minorities	73	13.35%	68	12.95%

3. Staff

GOAL 6 [Executive Administrative and Professional Non-Faculty]: To maintain the number (and corresponding percentage) of minority executive administration and professional non-faculty at UCA so that the proportion of minority professionals will equal the proportion of minority individuals with the credentials required for such positions in the relevant labor market.

Reporting terms: As indicated

II. DIVERSITY REPORT: ACADEMIC YEAR 2019–2020

The University of Central Arkansas (UCA) holds diversity and community as core values. UCA's commitment extends to all levels of our campus to foster a climate of ethical conduct, respect, responsibility, and trust. These tenets include the recruitment and retention of individuals from historically underrepresented groups in higher education as students, staff, and faculty.

UCA seeks to foster an environment where everyone feels *visible, valued, and validated* in an inclusive academic, professional, and social setting that affords goal attainment and University affinity. To fulfill these aspirations, UCA has adopted an expanded outlook for embracing difference that includes the tenets of diversity, belonging, inclusion, and equity (DBIE). A description of these principles follows:

> **DIVERSITY**: UCA gives attention to representation as measured quantitatively.

> **BELONGING**: It is the aim of UCA for all individuals to feel welcome across differences.

> **INCLUSION**: UCA aspires toward inclusive excellence by involving diverse communities in decision-making that have an impact on policies, procedures, and practices of the campus.

> **EQUITY**: The UCA community collaborates to alleviate gaps, disparities, and disproportionalities, and to remove the predictability of outcomes for historically underrepresented groups.

This report provides a portrait of the 2020/2021 programs of the Office of Institutional Diversity and Inclusion (IDI), the Office of Diversity and Community (ODC), and the Office of University Training (UT) in addition to cross-campus initiatives and collaborations that make a collective, positive impact on diversity, belonging, inclusion, and equity. Some initiatives may be cross listed due to partnerships.

A. General Campus Initiatives

Affirmative Action Statement and Process: The University of Central Arkansas is an affirmative action/equal opportunity institution dedicated to attracting and supporting a diverse student, faculty and staff population through enhanced multicultural learning environments and opportunities. In keeping with its nondiscrimination policy in employment, admissions and other functions and programs, the university considers employees and students on the basis of individual merit and will not discriminate against a person on the basis of gender, race or color, ethnicity, religion, spiritual beliefs, national origin, age, familial status, socioeconomic background, sexual orientation, disability, political beliefs, intellectual perspective, genetic information, military status, or other factors irrelevant to participation in its programs. The Office of the General Counsel monitors this commitment by reviewing applicant pools and approving candidates for interview.

Bear Essentials Food Pantry: Any current UCA employee or student may come to the Food Pantry for their household needs. The pantry seeks to alleviate food insecurity by providing complimentary staples such as peanut butter, jelly, pasta sauce, spaghetti, soup, fruit, macaroni and cheese, and ramen (style) noodles. Items such as canned vegetables, personal hygiene items, and other food items may also be available.

The Center for Excellence in Teaching and Academic Leadership (CETAL): This center has a strong relationship with IDI and offers professional development opportunities that engage faculty in the science of learning, inclusive pedagogies, and other facilitation practices to serve a diverse student body. The center provides a wide variety of training including Safe Zone, Sexual Assault Awareness, and Coping with Loss. Other services include the facilitation of identity-based focused groups.

Curriculum: UCA offers a variety of undergraduate and graduate level diversity courses and programs that help students understand and interact with a host of individuals that have different lived experiences. As an example, UCA offers a residential college—Muse@Short/Denney—that helps students use interdisciplinary curricula to become dynamic and passionate, global citizens.

Department of Student Transitions: This department delivers transition-to-college courses that intervene to reinforce academic and noncognitive skills.

Diversity Statement: We are dedicated to attracting and supporting a diverse student, faculty and staff population and enhanced multicultural learning opportunities. We value the opportunity to work, learn, and develop in a community that embraces the diversity of individuals and ideas, including race, ethnicity, religion, spiritual beliefs, national origin, age, gender, marital status, socioeconomic background, sexual orientation, physical ability, political affiliation, and intellectual perspective. The focus areas of diversity are recruitment and retention, knowledge, and support.

Gender Inclusive Restrooms: Situated throughout campus, these facilities serve individuals and families as they are not gender-based.

Human Resources: UCA places position announcements on the Human Resources website. To uphold its proud tradition of teaching excellence, contributions in research, scholarship, and creative activities, UCA seeks to attract students and employees that are dedicated to building a culture of diversity, belonging,

inclusion, and equity. The Office of Human Resources is also working to redesign its website to highlight UCA's commitment to inclusive hiring.

International Education and Engagement (IEE): This office coordinates the International Student and Scholars Program, the Intensive English Program, the Study Abroad Program, and the UCA Confucius Institute. IEE has also launched a Global Learning Institute to prepare faculty fellows to collaborate between nations through a Collaborative Online International Learning (COIL) consortium. Through this program, students and professors come together across cultures to learn, discuss, and collaborate as part of their classroom experience.

Lactation Suites: These spaces are convenient, private, sanitary, and comfortable for nursing mothers to express, collect, and/or store breast milk. There is no fee for the use of any UCA Lactation Suite.

Residential Colleges: The department offers a *unique living & learning community experience specially designed for making memories, making friends, and making the grades.* During this academic year, Residential Colleges facilitated a course to African American male students who participated in the Project X Early Arrival Program.

Special Focus: When certain topics rise to the level of requiring emphasis, the campus gathers to learn collectively. Due to the pandemic, all events convened on Zoom, incurring no costs. The campus engaged in the following events during this academic year:

Event	Sponsor	Budget
Exploring UCA's Demographic Data	IDI/DAC	$0
Purple Table Talk: A Year Like No Other	IDI	$0
The Journey to Racial Identity	IDI/DAC	$0
UCA African Faculty & Staff Check-In	IDI	$0

Student Services: This division coordinates approximately 200 Registered Student Organizations (RSOs) that range from academics/honors and religious to service and special interests. Quite a few are cultural and/or multicultural. Included in UCA's robust Greek community are seven traditional African American fraternities and a Latina sorority. The Student Government Association also provides social, cultural, and educational activities for students, advocates on behalf of all students, and allocates student activity funds to meet the diverse needs of the student organizations.

UCA Core: The UCA Core is a cohesive course of study carried throughout the student's entire undergraduate experience that builds core competencies around four knowledge and skill areas: (1) critical inquiry; (2) effective communication; (3) responsible living; and (4) diversity. In UCA courses, diversity is described as the ability to analyze familiar cultural assumptions in the context of the world's

diverse values, traditions, and belief systems as well as to analyze the major ideas, techniques, and processes that inform creative works within different cultural and historical contexts.

UCA Women's Leadership Network: This network is open to all. It primarily supports women who are seasoned or aspirant leaders in the home, at work, or in the community. The network provides personal and professional development opportunities and cultivates connections for women from various backgrounds, in Conway and in surrounding areas.

Women in Academic Leadership Learning Community: This is an open community that primarily serves as a forum for women, in Academic Affairs and beyond, to gather and develop as leaders.

B. Institutional Diversity and Inclusion

The Office of Institutional Diversity and Inclusion (IDI) serves to lead and coalesce campus efforts to enhance diversity, belonging, inclusion, and equity (DBIE). The office also develops and implements initiatives that foster a diverse and inclusive campus climate where all individuals feel visible, valued, and validated. Guests and audiences of IDI initiatives and events are encouraged to provide feedback to ensure that programs meet the stated objectives, help the office make necessary modifications, and offer ideas for the future. Overall, survey results offer positive feedback on IDI's initiatives and events. Most meetings and events convened via Zoom, absent any extra costs. This academic year, IDI engaged in the following wide range of activities.

IDI Initiatives

Affinity/Resource Groups: IDI coordinates opportunities to cultivate community, offer professional development, fellowship, and informal mentorship for historically underrepresented faculty and staff. Current groups include African, African American, Asian, Latina/Latino/Latinx, and LGBTQ+.

Campus Climate Survey: IDI administers a survey to gain information that helps UCA realize its aspiration of attracting and supporting a diverse student, faculty and staff community, participate in enhanced multicultural learning opportunities as well as provide support and knowledge for diversity, belonging, inclusion, and equity. The survey asks questions from several factors: perception of the institution; visibility; personal attitudes and behaviors; co-curricular environment; perceptions of peers, faculty, and administrations; policies; campus accessibility; campus safety; sexual assault and attending training; overall learning; and overall satisfaction.

Coaching Circle: Offers connective and collective learning opportunities for leadership development and practice.

Diversity Advisory Committee: Sanctioned by UCA's Board of Trustees, the Diversity Advisory Committee (DAC) is comprised of faculty from each academic college, staff from each Division, and representatives from the Student Government Association (SGA), the Faculty Senate, and the Staff Senate. DAC also has representation from the Board of Trustees, alumni, and the community. The charge of this committee is to make recommendations and to promote inclusive excellence that aligns with the University's core value of diversity. The DAC adds and deletes subcommittees based on campus needs. DAC committee members and other campus experts participated in the following subcommittees this academic year:

- Belonging Among Commuter, Nontraditional, and Online Students

- Black Men's Experience at UCA
- Campus Climate Survey
- Community Policing
- Diversity and Inclusive Excellence Award
- Diversity Key Performance Indicators
- Diversity Strategic Plan
- Immigrant Experience at UCA
- Institutional Diversity and Inclusion Grant Program
- Lactation Suites
- LGBTQ+ Advisory
- Political and Religious Acceptance at UCA
- Strategies for Targeting Academic Representation

Diversity After Hours: Events that help to alleviate isolation, promote fellowship, and cultivate community.

Diversity Awards: The Diversity and Inclusive Excellence Award recognizes individuals who demonstrate a commitment to diversity and inclusive excellence on and/or off campus. These individuals have made a significant impact related to the University's core values of diversity including (a) recruitment and retention of a diversified body of students, faculty, and staff; (b) support of the diverse needs of the students we serve; and/or (c) enhancement of interactions in a global community. The Outstanding Diversity Outreach by a Student Award recognizes a student whose commitment to diversity and inclusive excellence on campus and/or off campus has made a significant impact in a positive way. The Office of Student Life coordinates this award.

Faculty of Color Retreat: IDI hosts this event to enhance the retention and development of black, indigenous, and people of color (BIPOC) who are underrepresented members of the UCA faculty community.

Faculty Recruitment: IDI participates in activities to attract a more diverse body of faculty.

Institutional Diversity and Inclusion Grant Program: This initiative offers mini grants to faculty, staff, administrators, students, departments, colleges, divisions, and UCA Registered Student Organizations in support of initiatives that actualize diversity, belonging, inclusion, and equity. This academic year, IDI only funded nine grants due to pandemic-related, restricted travel.

Event	Sponsor	Budget
Departmental/College Grants	IDI	$0
Faculty/Staff Grants	IDI	$384.00
Total		$384.00

Minoritized Faculty Mentoring Initiative: IDI coordinates a program to match senior members of faculty with junior members of faculty for mentor/protégé activities that promote a sense of belonging and socialization in the academic community as well as provide guidance in the critical components of faculty success.

Navigating Diversity in Search Committees: An array of professional development designed to provide strategies to recruit a diverse body of faculty, staff, and student employees. Content includes information to consider before, during, and after the process such as demographic audits, committee charge, selection criteria, inclusive language, inclusive position descriptions, extending the net beyond traditional avenues, inclusive interviewing process and dialogue, and onboarding.

IDI Events

While IDI offers the campus community opportunities to learn more about diversity, belonging, inclusion, and equity, IDI continues to give specific attention to the recruitment, retention, and development of historically underrepresented faculty to alleviate race-based, student-to-faculty disproportionalities, to increase leadership participation among historically underrepresented individuals, and to address the

needs of LGBTQ+ faculty and staff. IDI also facilitates a variety of DBIE sessions by request. Activities for the academic year were as follows:

IDI Events/Initiatives for Undergraduate Students

The Academic Bridge Connection (ABC) Center and Program offers presentations and a quiet place to study and learn. The center offers computers, printing and copy services, mobile charging stations, and books. The Community and Race Oral History Project, an externally funded initiative, afforded four undergraduate students the rich opportunity to become project interns and interview an intergenerational,

cross-section of African American community leaders who shared their lived experiences of Conway, Arkansas. The interns collaborated with UCA faculty internship coordinators, community liaisons, field supervisors, and UCA staff. With a focus on academic success, IDI engaged undergraduate students, this academic year, through the following presentations and initiative:

Community Outreach

Amigo Fest: Roughly 150 individuals from Central Arkansas were on the UCA campus for the event.

Arkansas Black Hall of Fame: UCA supports the annual event that celebrates native African American Arkansans who have reached the pinnacle of their respective professions.

League of United Latin American Citizens (LULAC): UCA continued to support LULAC's annual gala. Several of UCA's Latinx students received scholarships at this event. Parents of the students and UCA staff were present to honor students at the gala.

Minority Vendor Partnership Initiative (MVPI): After conducting the Businesswomen of Color in Arkansas qualitative research study, the lead investigator, a member of the MVIP committee and the Women's Foundation of Arkansas hosted a session to unveil the results of the study. This investigation provided insight on how the State might support participants' efforts to start, fund, maintain, and grow successful businesses in Arkansas. The lead investigator continues to make presentations on the outcomes of the study. In collaboration with UCA's Division of Outreach and Community Engagement, the committee also hosted the Minority Business Workshop Series for minority business owners in Arkansas that include people of color, service-disabled veterans, and women.

C. Office of Diversity and Community

The mission of ODC is to provide multiple support services to enhance the academic success of students from historically underrepresented minority communities. Its mission is to create an inclusive community that promotes student success through retention-focused programs such as mentoring, leadership development, and life-skills enrichment. ODC serves to *educate, engage, and empower*. ODC invites student feedback for their Signature Programs to ensure that ODC is meeting the needs of the students.

Key initiatives include the Black Male Achievement Challenge (B-MAC), Latinx/Hispanic Outreach Initiative, Minority Mentorship Program (MMP), Project X: Early Arrival Program, and Women of Excellence (WOE).

For assessment purposes, the following information is important to note:

- UCA tracks retention rates by Full-Time, First-Time Degree-Seeking Undergraduates. Retention rates for fall 2020 to fall 2021 were not available at the time of this report. Fall 2020 to spring 2021 rates have been provided.

- UCA applies the Satisfactory Academic Performance (SAP) metric to determine student progress towards the degree. SAP is defined as earning 67% of hours attempted with a minimum undergraduate cumulative GPA of 2.0 or earning an undergraduate degree.

- The Family Educational Rights and Privacy Act (FERPA) is a federal law that affords parents the right to have access to their children's education records, the right to seek to have the records amended, and the right to have some control over the disclosure of personally identifiable information from the education records. When a student turns 18 years old, or enters a postsecondary institution at any age, the rights under FERPA transfer from the parents to the student. Some data cannot be published in this report due to this law's protection against identifying certain student outcomes for small groups of students.

- ODC identified select initiatives as Signature Programs based on their impact on sense of belonging and community, leadership development, career outcomes, and a focus on academic success. Programs and events identified as Signature Programs were assessed for behavioral outcomes at the end of the semester with follow-up data (obtained through student support offices or through follow-up surveys focused on behavioral objectives).

Black Male Achievement Challenge (B-MAC)

The Black Male Achievement Challenge is open to all and began during academic year 2013/2014. It provides targeted intervention, critical socialization, bridge services, and enriching educational experiences for historically marginalized men of color. At UCA, black men have, historically, graduated at a rate lower than any other student community, demographically. During the 2020/2021 academic year, students experienced programs that focused on student success, inside and outside the classroom and served as diversity ambassadors for the department. The variety of social, cultural, and educational events in which the young men actively participated are listed below:

Participants rated the Signature Program that focused on networking with career professionals as a positive experience with ratings of 5 out of 5 (1 = Poor to 5 = Excellent). Participants in the Signature Program also engaged in other networking behaviors and activities; for instance, 60% of participants sent emails to professionals in

their field, 100% of participants attended a social event hosted by a business or organization related to their career, and 90% attended a conference or a workshop relevant to their career.

Latinx/Hispanic Outreach Initiative

This initiative is open to all and started during academic year 2013/2014. It primarily focuses on assisting the Latino Student Association (LSA) and Hermandad de Sigma Iota Alpha, Inc. As part of ODC, the initiative includes service to the ENGAGED initiative for Latinx students, which is powered by UCA Career Services; direction for various departmental events; leadership for the Diversity Advisory Committee's Immigrant Experience Sub-Committee; collaborative programming efforts with the UCA Office of International Education and Engagement; and facilitation of a weekly Women of Color Process Group in partnership with the UCA Counseling Center. I gained more knowledge about who my possible candidates were and how to access that information online. Before being informed, I was unaware of such access.

LSA participants also enjoyed and appreciated the Spring 2021 Signature Program focused on graduate school as evidenced by ratings of 4.5 out of 5 (1 = Poor to 5 = Excellent). Participants also engaged in online research to search for graduate programs and sent emails to contacts at graduate programs. Additionally, three participants were planning visits to graduate programs in the near future while one participant had applied to a graduate program.

Minority Mentorship Program

The Minority Mentorship Program (MMP) was initiated in 1991 and is open to all students. MMP puts forth pointed efforts to increase the freshmen retention rates of historically underrepresented students by fostering a culture that supports the holistic development of both mentee (incoming) and mentor (upper classification) students. This program provides connections to academic resources as well as introductions to other students, faculty, and staff. The program also engages students in social and service learning/volunteer opportunities outside of the classroom. These offerings educate students on successful campus living and cultivate a sense of belonging, a necessary element of retention. Mentees and mentors actively participated in a variety of social, cultural, and educational events as listed below:

Amazing! Keep doing great work!

A very special program that has accepted me with open arms!

I think this is a great program for minority students to meet other people and not be afraid to be there for someone.

Additionally, at the end of the Fall 2020 semester, 45% of participants reported using instructor office hours often, emailing instructors often, and talking with their instructors before or after class occasionally.

Project X: Early Arrival Program

This program was launched in August 2016 and is open to all students. Project X is under the auspices of the Black Male Achievement Challenge (B-MAC) to give historically underrepresented male students of color a targeted introduction to their UCA academic journey. Project X aims to impact student success through building community and increasing sense of belonging. Project X makes students aware of campus resources in addition to optimal academic and social behavior to attain success in college. The program fosters unity among these new students and connects them to faculty, staff, and current students who can assist in their transition to UCA and their continued development. Project X includes academic success workshops, brotherhood/bonding, faculty and staff presentations, leadership development, peer mentoring, program materials, a student services luncheon, and team building.

In addition to the Project X: Early Arrival Program experiences, the young men participated in a variety of social, cultural, and educational events during the academic year. Please see the list of events below:

Women of Excellence

Women of Excellence (WOE) is open to all and commenced in August 2016 to offer enriching experiences such as conversations and activities that address self-esteem and academics as well as leadership, social, and personal development. In addition to these topics, the young women had opportunities to actively participate in a variety of social, cultural, and educational events as follows:
