

MINUTES  
Undergraduate Council  
February 2015

The Undergraduate Council was unable to meet for two consecutive weeks because of winter weather storms. Kurt Boniecki, Chair, decided to hold the February UGC meeting electronically due to the approaching deadline for the 2015-16 Undergraduate Bulletin. During the week of March 2-9, 2015, the following members reviewed, discussed and voted electronically on action and information items: Kari Naylor, Carl Frederickson, Jennifer Brinegar, John Gale, Travis Sorenson, Clay Arnold, Taylor Garrett, Tammy Benson, Sierra Moon, Bernard Chen, Kaye McKinzie, Paige Reynolds, Brent Shires, Mike Gunter, Jeff Whittingham, Alex Fayman, and Mary Harlan.

Action Items:

1. Tammy Benson, on behalf of subcommittee I, moved to recommend changing the course level from ECSE 3300 to ECSE 2300 in the department of Elementary, Literacy and Special Education. Alex Fayman seconded the motion. Motion passed, all in favor.
2. Tammy Benson, on behalf of subcommittee I, moved to recommend (1) new course proposal **ATTR 1235** Principles of Strength Training and Conditioning in Athletic Training in the department of Kinesiology & Physical Education / Athletic Training Program and (2) changes to the *UBulletin* and Program Completion Plan for the BS in Athletic Training. Alex Fayman seconded the motion. Motion passed, all in favor.
3. Bernard Chen, on behalf of subcommittee II, moved to recommend items a-k (listed below) in the Kinesiology and Physical Education – BS in Exercise Science program. Brent Shires seconded the motion. Motion passed, all in favor.
  - a. Change in Degree Name from BS in Kinesiology to BS in Exercise Science
  - b. New course proposal – **KPED 1175** Sports Medicine Professions
  - c. New course proposal – **KPED 2320** Fitness Assessments in Exercise Science
  - d. New course proposal – **KPED 3348** Exercise Prescription for General Populations
  - e. New course proposal – **KPED 3350** Obesity Prevention and Management
  - f. New course proposal – **KPED 3352** Exercise Prescription for Special Populations
  - g. New course proposal – **KPED 3353** Exercise Prescription for Senior Populations
  - h. New course proposal – **KPED 4323** Group Exercise Leadership
  - i. New course proposal – **KPED 4376** Advanced Strength and Conditioning
  - j. New course proposal – **KPED 4V99** Internship in Exercise Science
  - k. Change in semester credit hour requirements from 57 to 56 for the BS in Exercise Science

Information Items:

1. Kinesiology and Physical Education – BS Exercise Science
  - a. **KPED 3382** - Change in course title from Mechanical Kinesiology to Biomechanics

- b. **KPED 4351** – Change in course title from Physical Education Administration to Sport and Fitness Administration AND change course description for the *UBulletin*.
- 2. Kinesiology and Physical Education – BS in Athletic Training
  - a. **KPED 1125** – change course from a requirement to an elective AND change course description for the *UBulletin*.
- 3. Kinesiology and Physical Education – Athletic Training Program
  - a. **KPED 1135** – change course from a requirement to an elective AND change course description for the *UBulletin*.
- 4. Elementary, Literacy, and Special Education
  - a. Change of undergraduate course prefix from ECSE to ELSE due to department name change.
  - b. Change ECSE 3320 to **ELSE 3308** to better reflect course sequencing since this course has become a prerequisite of ECSE/ELSE 3309.

Submitted on behalf of the Undergraduate Council,

Mary Harlan
