2. E. Hostetter, on behalf of subcommittee two, made a motion to recommend approval of thirteen proposals from the Department of Health Science / Radiography. A. Clark seconded the motion. Discussion followed. Motion passed, all in favor, for the following:
 - a. new course RADB 3102 Spiritual Perspectives.
 - b. new course RADB 3310 Image Production.
 - c. new course RADB 4650 Clinical Education V.
 - d. remove the following required courses from the program: CSCI 1300; CISA 1300; PHYS 1405 or 141; Stats (MATH 2311, PSYC 2330, SOC 2321); and to add SOC 1300 as an option to PSYC 1300.
 - e. change RADB 3110 course number / credit value to RADB 3410.
 - f. change RADB 3144 course number / credit value to RADB 4244.
 - g. change RADB 3213 course number / credit value to RADB 3313.
 - h. change RADB 3332 course number / credit value to RADB 4132.
 - i. change RADB 3420 course number / credit value to RADB 3520.
 - j. change RADB 3530 course number / credit value to RADB 4630.
 - k. change RADB 4140 course number / credit value to RADB 4340.
 - l. change RADB 4361 course number / credit value to RADB 4461.
 - m. decrease the total credit hours from 60 to 59; add required courses RADB 3102, 3310 and 4650; remove required courses RADB 3101, 3114, 3121, 3130, 3142, 3152, 3201, 3223, 4150, 4164, 4241, 4351, 3243; remove courses from the UBulletin RADB 3101, 3114, 3121, 3130, 3142, 3152, 3201, 3223, 4150, 4164, 4241, 4351, 3243

3. E. Hostetter, on behalf of subcommittee two, made a motion to recommend approval of two proposals from the Department of Physics, Astronomy, and Engineering. B. Rowley seconded the motion. Discussion followed. Motion passed, all in favor, for the following:
 - a. BS in Physics / change the course credit value for Topics in Theoretical Physics from PHYS 4350 to PHYS 4V02 (variable credit).
 - b. BS in Engineering / change the course credit value for Topics in Theoretical Engineering from ENGR 4350 to ENGR 4V02 (variable credit).

4. B. Rowley, on behalf of subcommittee three, made a motion to recommend approval of seven proposals from the Department of Health Sciences / Medical Lab

Science. J. Herring-Watson seconded the motion. Motion passed, all in favor, for the following:

- a. increase the total required credit hours from 38 to 40; add required course BIOL 2490; add elective BIOL courses BIOL 3420, 3402, 3410, 4401, 4405 or higher-level biological science including a lab; remove required courses MDT 4121, 4122, 4614, CSCI 1300 or CISA 1300; remove courses from the UBulletin: MDT 4121, 4122 and 4614
 - b. change MDT 4211 course number / credit value to MDT 4302
 - c. change MDT 4223 course number / credit value to MDT 4523
 - d. change MDT 4410 course number / credit value to MDT 4710
 - e. change MDT 4411 course number / credit value to MDT 4200
 - f. change MDT 4412 course number / credit value to MDT 4201.
 - g. change MDT 4413 course number / credit value to MDT 4514.
5. B. Rowley, on behalf of subcommittee three, made a motion to recommend approval of two proposals from the Department of Elementary, Literacy, & Special Education. A. Clark seconded the motion. Motion passed, all in favor, for the following new courses:
- a. ELSE 3302 Orientation to Residency.
 - b. ELSE 4312 Literacy Intervention Practicum.

- a. For Elem Ed K-6 / decrease the total credit hours from 123 to 122; add required courses ELSE 3302 and ELSE 4312; remove required course SCI 3410; change course MATH 3352 and MATH 3351; and revise when certain courses are delivered.
 - b. For Special Education / add required courses EDUC 2330, ELSE 3302, 3305, 4312, 4316, 4618, and MATH 4310; remove required courses ELSE 4324, 4325, 4322, 4331, and MATH 3364; change MATH 3351 and MATH 3352; change when certain courses are delivered.
 - c. For Special Ed K-12 / add required course EDUC 2330 or SOC 2325.
 - d. change the course number / credit value for ELSE 3308 to ELSE 2308.

Information Items:

1. From the Department of Art and Design: add ART 3880 Slip Casting and Glaze Formulation as a substitute for ART 3390 Ceramics in the Sculpture Emphasis requirement.
2. From the Department of Art and Design: change the course title for ART 3390 from Ceramics II to Wheel and Firing and update the bulletin description.
3. From the Department of History: change the course title for HIST 1375 from FYS Diversity in History to First Year Seminar in History and update the bulletin description.
4. From the Department of Mathematics/BS: add course prerequisite MATH 2330 to MATH 3320.
5. From the School of Communication: change the course title for WRID 1374 from FYS Diversity Creative Works to First Year Seminar in Writing, Rhetoric, and Information Design and update the bulletin description.
6. From ELSE: change the course title for ELSE 3308 to Foundations of Universal Supports for Twenty-First Century Learners and update the bulletin description.
7. From ELSE: change the course title for ELSE 4331 to Trends and Issues in Elementary Education and update the bulletin description.
8. From Health Sciences / Medical Lab Science: change course description for MDT 4108.
9. From Health Sciences / Medical Lab Science: change course title for MDT 4202 to Urinalysis & Body Fluids.
10. From Health Sciences / Medical Lab Science: change course title for MDT 4302 to Immunology/Serology.
11. From Health Sciences / Medical Lab Science: change course title for MDT 4311 to Internship IV.
12. From Health Sciences / Medical Lab Science: change course title for MDT 4411 to Internship III
13. From Health Sciences / Nuclear Medicine Technology: change course description for NMT 4101.
14. From Health Sciences / Nuclear Medicine Technology: change course description for NMT 4315.
15. From Health Sciences / Nuclear Medicine Technology: change course description for NMT 4335.
16. From Health Sciences / Nuclear Medicine Technology: change course description for NMT 4430.
17. From Health Sciences / Nuclear Medicine Technology: change course title for NMT 4440 to Tomography/Computer Applications.
18. From Health Sciences / Radiography: change course description for RADB 3324.
19. From Health Sciences / Radiography: change course title for RADB 3133 to Radiation Physics.
20. From Health Sciences / Radiography: change course description for RADB 4262

21. From Health Sciences / Radiography: change course title for RADB 4140 to Radiation Biology & Protection.
22. From Health Sciences / Radiography: change course title for RADB 4331 to Digital Image Acquisition & Display.
23. From Health Sciences / Radiography: change course title for RADB 4361 to Senior Seminars & Review.
24. From Health Sciences / Radiography: change course description for RADB 3111.
25. From Health Sciences / Radiography: change course description for RADB 3515.
26. From Health Sciences / Radiography: change course description for RADB 4640.
27. From Health Sciences / Addiction Studies: remove course prerequisite HSC 3315 from HSC 4301 Behavioral Addictions.
