To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

² MATH 1390 College Algebra is a prerequisite for ECON 2320 and ECON 2321

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

⁴ The student will also need to complete major or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. The student must complete upper-division UCA Core courses that address each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may address up to two areas. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

⁵ The Bachelor of Arts degree requires completion of three hours in a foreign language on the 2000-level or above. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement **OR** satisfactorily complete the competency exam for the prerequisites. These prerequisite courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester plan.
