To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. No Yes

If “yes,” specify: _____

Notes

¹ This Academic Map includes 24 hours in a minor field of study. Minor requirements range from 15 to 27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student’s choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number required to complete the program.

² PSCI 1330 is a prerequisite for all upper-division Political Science courses and satisfies the American History & Government requirement in the LD UCA Core.

³ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan. The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of Political Science](#) page in the *Undergraduate Bulletin* and your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

⁵ The program in International Studies requires 3 credit hours of a foreign language beyond that required for the BA.

⁶ International Studies has been divided into three concentrations: (1) International Politics & Diplomacy, (2) International Political Economy, and (3) Regional Studies. Students must complete a minimum of eighteen hours of upper-division elective

courses within their selected concentration: six courses at the 3000-level or above from one of the three International Studies concentrations, including at least two courses at the 3000-level or above from the political science offerings.
