Notes

¹ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

Also, students not already admitted to the Performance track should apply during this semester. Students must pass a performance track barrier jury before being admitted into the performance track. A "Performance Track Application" form must be completed and approved by all area faculty members at the time the student applies for admission to the performance track.

² Students may substitute up to six semesters of accompanying for this requirement and/or choose any ensemble to fulfill this requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to large ensembles, as assigned by the major professor and the advisor. Students on accompanying scholarships should register for the accompanying class for at least 4 semesters. The requirement may be waived under special circumstances for advanced students.

³ A substitution has been approved allowing MUS 1340 for the Fine Arts elective. MUS 1340 is a prerequisite for MUS 3302 or 3303, and should be taken the sophomore year.

⁴ This is a second ensemble, additional to the large ensemble.

⁵ Students may take MUS 4215 instead (offered in spring semesters) and substitute 2 hours of electives in place of MUS 4210 in this semester.
