Notes

¹ For appropriate alternatives or substitutions, see “General Education Program” in the *Undergraduate Bulletin*.

² Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

³ The First-Year Experience course (FYFS 1320) may be taken as a General Education Elective during the first semester.

⁴ This Program Completion Plan includes 27 credit hours in the minor field of study. Minor requirements range from 18 to 27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.
