## Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under “General Education Program” in the Undergraduate Bulletin.

<sup>2</sup> Students are required a minimum of 4 hours (one at each level), but they are strongly advised and encouraged to take this course each semester up to 8 hours. (The extra four are included in the model plan, thus the 124 minimum hours required for the degree.)

<sup>3</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

<sup>4</sup> A total of 9 hours are required for electives: MCOM 3302, 3307, 3322, 3334, 3391/4391, 4313, 4323, 4331, 4332, SPCH 3310, WRTG 3310.

<sup>5</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.
