To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹ This Program Completion Plan includes 15 credit hours in a minor field of study to be determined by the student. Depending on the minor, some minor requirements may be specifically included in this PCP. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.

² Chemistry research is not required for this degree, but is strongly recommended.
