To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.

²If a student opts to take six (6) hours of additional math classes to fulfill the Bachelor of Science requirement, then one additional elective will need to be taken to satisfy the 124 total hours required to graduate.
