To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹ The B.S. in Public Administration fulfills the University's B.S. Science/Math requirement by requiring majors to complete six credit hours of mathematics beyond that used to meet the General Education program.

² A total of twenty-one credit hours must be completed in addition to the core requirements. Each student must complete a minimum of six credit hours in two of the following areas of special emphasis: (1) Public Management; (2) Public Policy; and (3) Planning. Students must also complete nine credit hours of electives from any one of these three areas.
