To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

²This Program Completion Plan includes 21 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours, so students will need to adapt the number of general electives and minor elective hours in this PCP as needed depending upon the chosen minor field of study.
