Notes

¹ For appropriate alternatives or substitutions, see “General Education Program” in the Undergraduate Bulletin.

² Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

³ This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study. Depending on a student’s choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the program.
