To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹ No Minor Required.

² A minimum of 120 credit hours is required and must include 40 credit hours of upper division (3000 & 4000 level) courses.

³ This degree plan assumes 6 hours of math to satisfy the degree requirements for the BS degree. Depending upon a student's choice of special degree requirement courses, the total number credit hours taken may exceed the total number credit hours required to complete the degree plan.

A 6 hour sequence of two courses in Math **OR** an 8 hour sequence in Chemistry, Biology or Physics, in addition to general education, is required for the Bachelor of Science degree. (Both courses **must** have the same department prefix.)

⁴ For appropriate alternatives or substitutions, see "General Education Program" in the *Undergraduate Bulletin*.
