Notes

-
- ¹. This program assumes six hours of math to satisfy the BS special degree requirements. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the program.
 - ². HIST 2301 or HIST 2302 counts as the American History and Government requirement in General Education.
 - ³. This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and Course in Minor credit hours in this PCP as needed depending upon the chosen minor field of study.
