### Notes

<sup>1</sup> No Minor Required.

<sup>2</sup> A minimum of 120 credit hours is required and must include 40 credit hours of upper division (3000 & 4000 level) courses.

<sup>3</sup> For appropriate alternatives or substitutions, see “General Education Program” in the *Undergraduate Bulletin*.

<sup>4</sup> Depending upon a student’s choice of special degree requirement courses, the total number of credit hours taken may exceed the total number of credit hours required to complete this plan. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.
