Notes

ⁱ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

ⁱⁱ Students should apply for admission to the Composition track during the freshman spring semester. Students must pass composition admission requirements before admission into the composition track. A “Composition Track Application” form must be completed and approved by all area faculty members at the time of the jury in which the student is applying for admission to the composition track.

ⁱⁱⁱ Piano III and IV are degree requirements but many students need to take Piano I and/or II prior to II and IV. Testing for piano placement takes place on the first day of class in Harmony I or Ear Training I. Students who have had little or no piano training should start with Piano I, MUS 1131 in the first semester. Piano majors should take 2 hours of applied minor instruction in another area to substitute for class piano.

^{iv} Woodwind, brass and percussion majors may participate in a university band or orchestra to fulfill the large ensemble requirement. String majors must participate in the orchestra to fulfill the requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the large ensembles, as assigned by the major professor and the advisor.

^v A substitution has been approved allowing MUS 1340 for the Fine Arts elective. MUS 1340 is a prerequisite for MUS 3302 or 3303, and must be taken the sophomore year due to scheduling conflicts with MUS 1230.
