

---

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor?    No     Yes  (Specify) \_\_\_\_\_

### Notes

**\*This Program Completion Plan includes 24 credit hours in the minor field of study. Minor requirements vary; thus, the student will need to adjust the number of minor credit hours in the PCP as needed depending upon the chosen minor field of study.**

**\*\*Students who opt to take six hours of additional math courses to fulfill the Bachelor of Science requirement will need two additional hours of general electives to satisfy the 120 hours required to graduate.**
