Notes

¹ The BA degree requires three hours of foreign language at the 2000-level or above. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need may void the guaranteed three-year plan.

Additionally, the Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete this requirement as early as possible in their program in order not to lose fluency gained in high school.

² SOC 1300 fulfills three hours of Behavioral and Social Sciences General Education requirement.

³ This Program Completion Plan includes 24 credit hours in the Minor fields of study. Minor requirements range from 18 to 27 credit hours, so students will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.

⁴ General elective hours must bring total to a minimum of 120 hours.
