Notes

¹SOC 1300 counts as a Behavioral and Social Sciences General Education requirement.

²This degree plan assumes six hours of math to satisfy the special degree requirements for the BS. Depending on a student's choice of special degree requirement courses, the total number of credit hours taken may exceed the total number of credit hours required to complete the degree plan.

³This degree plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours, so students will need to adjust the number of general elective and minor elective credit hours in this PCP as needed, depending upon the chosen field of study. Depending on a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the degree plan.
