**Notes**

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>3</sup> Students seeking to be admitted to the Interdisciplinary Liberal Studies (ILS) degree program must have completed 30 hours with a 3.0 or higher cumulative grade point average, meet with the Associate Dean of the College of Liberal Arts (ILS director), and prepare an official application for admission to the program. The ILS degree requires 21 hours of Foundation courses; see degree check sheet.

<sup>4</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

<sup>5</sup> The Interdisciplinary Liberal Studies degree requires a concentration. The concentration must include a minimum of 27 hours of course work. See degree check sheet.
