Notes

¹ PSCI 1330 is a prerequisite for all upper-division Political Science courses and it satisfies the American History & Government requirement in the UCA Core.

² Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan. The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

³ See appropriate choices, alternative, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course in Critical Inquiry, Diversity, or Responsible Living, designated as a First-Year Seminar (FYS). Students will also have to complete 6-12 credit-hours of upper-division Core courses designated as Critical Inquiry, Diversity, Communication, and Responsible Living.

⁴ The program in International Studies requires 3 credit hours of a foreign language beyond that required for the BA.

⁵ This Program Completion Plan includes 24 hours in a minor field of study. Minor requirements range from 15-31 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student’s choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number required to complete the program.

⁶ International Studies has been divided into three concentrations: (1) International Politics & Diplomacy, (2) International Political Economy, and (3) Regional Studies. Students must complete a minimum of eighteen hours of upper-division elective courses within their selected concentration: six courses at the 3000-level or above from one of the three International Studies concentrations, including at least two courses at the 3000-level or above from the political science offerings.
