To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. No Yes

If “yes,” specify: _____

Notes

¹ The BS degree is currently under revision to meet ACT 747 requirements and the UCA Core requirements. Further changes in the program will be made during the 2013-2014 academic year. For additional information, students should consult their academic advisor. A cumulative grade point average of 2.0 or higher on a 4.0 scale is required.

² A major in Kinesiology is required. A major grade point average of 2.0 or higher on a 4.0 scale is required to complete the degree. The major consists of 52 credit hours. A grade of C or better is required in all major courses.

³ This Program Completion Plan includes 18 credit hours in the Family and Consumer Science minor. A minor grade point average of 2.0 on a 4.0 scale is required for completion of the degree. A Grade of C or better is required in all minor courses. An 18-hour minor in Family Consumer Science is required. A grade point average of 2.0 or higher is required for completion of the degree.

Notes – *continued*

⁴ See appropriate choices, alternatives, or substitutions, under “UCA Core” in the *Undergraduate Bulletin*. During the first year a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity or Responsible Living. The student will also need to complete major, minor or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Courses may be used only once to satisfy the UCA Core. If the ACT sub-score in Reading, English, or Mathematics is below 19, remediation is required before enrolling in certain UCA Core courses. Students needing remediation in reading or writing may not enroll in a FYS until they have completed their remediation. Students must take at least one course in the Fine Arts (designated FA) and one course in Humanities (designated HUM) as part of their lower division core requirements.

⁵ WRTG 1310 must be taken on initial enrollment unless the requirement was already met or remediation is required.

⁶ It is recommended that students complete an FYS section of KPED 1320. If an FYS section of the course is not available, students may complete a traditional section of KPED 1320. Students should consult their advisor to ensure they complete an FYS section of a course from either Critical Inquiry or a Social Science course (designated SS) within Diversity – World Cultures. An FYS course in Critical Inquiry, Diversity or Responsible Living must be completed during the first year to meet UCA Core Requirements.

⁷ BIOL 1440 requires the following prerequisites: High school chemistry or CHEM 1301 (or above) and a composite ACT score of 21 or higher or BIOL 1400 and CHEM 1301 (or above) both with a grade of C or higher. Students not meeting the prerequisite requirements must have permission of the Biology Department Chair prior to enrollment.

⁸ In addition to PSYC 1300 – General Psychology, students must complete an additional Social Science course (designated SS) in Diversity - Diversity in World Cultures. Students in consultation with their advisor should refer to the current *Undergraduate Bulletin* and the UCA Lower Division General Education Check Sheet in selecting an appropriate SS course.

⁹ Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this PCP. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, “Degree Requirements” 2.25, Bachelor of Science. The program recommends students complete two 4-hour science courses (Biology, Chemistry or Physics) beyond the lower division core requirements to fulfill the special degree requirements.

¹⁰ MUS 2300 – Music Appreciation within Diversity – Diversity in Creative Works fulfills the Fine Arts requirement. Students will want to consult with their advisor regarding this course selection in reference to their course selection in Critical Inquiry – Inquiry and Analysis – Fine Arts/Humanities. A Humanities course designated (HUM) will need to be completed.

¹¹ Students must enroll in a section designated for Kinesiology students. It is recommended that students enroll in KPED 1125 and KPED 1135 during the same semester.

¹² Students must take at least one course in the Humanities (designated HUM) as part of the lower division core requirements. It is recommended that students select a HUM course from Critical Inquiry – Inquiry and Analysis. Whenever possible, it is further recommended students enroll in an FYS section of one of the HUM course. Students should note the following HUM courses have prerequisites: CHIN 2320 – Intermediate Chinese II or FREN 2320 - Intermediate French II or GERM 2320 – Intermediate German II or SPAN 2320 – Intermediate Spanish III.

¹³ It is recommended that students complete a three-hour upper division course from a cognate area that supports students’ career interests.

¹⁴ It is recommended for students to enroll in an upper-division one-hour KPED workshop course.
