Notes

¹ PSCI 1330 is a prerequisite for all upper-division Political Science courses and it satisfies the American History & Government requirement in the UCA Core.

² See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

³ Depending on a student's choice of special degree requirement classes to satisfy the B.S., the student will need to adjust the number of general elective hours in this Program Completion Plan. See the *Undergraduate Bulletin* (Degree Requirements, 2.2.5, Bachelor of Science) for further details.

⁴ Political Science majors must complete one three credit-hour course from a minimum of four of the six Political Science subfields for a total of twelve credits; and an additional nine credits from any of the six Political Science subfields.

⁵ This Program Completion Plan includes 24 hours in a minor field of study. Minor requirements range from 15-31 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the field chosen. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the program.
