Notes

¹ HED 1320 should be taken as a First-Year Seminar (FYS).

² See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*.

³ The student will need to complete courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Upper Division UCA Core courses must address outcomes in each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may satisfy up to two areas.

⁴ The remaining hours (60) will be completed over the following 24 months at the clinical site: either Baptist Health Schools, Little Rock or St Vincent Health System, Little Rock. These hours will be recorded at UCA and the Bachelor of Sciences in Radiography degree will be awarded by UCA.
