Notes

¹ The program is 120 semester credit hours if student tests out of the Foreign Language pre-requisites. The degree requires 45 hours of art (including 12 hours of art history), 21 hours of art education, 14-16 hours of professional education, 35 hours of UCA Core courses (fine arts requirement is not required for art majors – completion of the major fulfills the requirement), and 3 hours of foreign language at the 2000 level. Art courses must follow a prerequisite structure.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in the Diversity in Creative Works category and a Humanities course in either the Responsible Living category or the Diversity in World Cultures category.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

³ Category A – Ceramics I, Contemporary Media in 3D, Fibers, Sculpture I.

⁴ Category B – Graphic Design I, Illustration I, Painting I, Photo I, Printmaking I, Watercolor I.

⁵ Prerequisites for Portfolio I are ART 1310, 1321, 2312, 2322, and 3 hours from 2335 or 2336.

⁶ Only the 2000 level Foreign Language is required (fall, Year 3); however, students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction in order to complete the 2000 level course. The hours for these lower-level courses are not included as part of the 120 hours required for the degree. Students with prior experience in a foreign language should contact the Department of World Languages, Literatures, and Culture to take the departmental placement test before enrolling in their first course.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order to not lose fluency gained in high school.

⁷ Admittance into Level I of Teacher Education Program required to enroll in these courses.

⁸ Directed Teaching (Student Teaching) semester should be completed in the Spring semester when possible.
