Notes

¹ PSCI 1330 is a prerequisite for all upper-division Political Science courses and it satisfies the American History & Government requirement in the UCA Core.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course in Critical Inquiry, Diversity, or Responsible Living, designated as a First-Year Seminar (FYS). A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. Students will also have to complete 6–12 credit-hours of upper-division Core courses designated as Critical Inquiry, Diversity, Communication, and Responsible Living.

³ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁴ Students must complete a total of fifteen credit hours (five courses) from the Public Administration and Public Policy issue areas. Students must complete nine credit hours (three courses) in the Public Administration issue area and six credit hours (two courses) in the Public Policy issue area. At least two of the three courses taken in the Public Administration issue area must be PSCI courses; at least one course taken in the Public Policy issue area must be a PSCI course.

⁵ This Program Completion Plan includes 21 hours in a minor field of study. Minor requirements range from 15-31 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student’s choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number required to complete the plan.
