If "yes," specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. Students should take either a UCA Core math or science course during the first semester with the other left for the second semester. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

² Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

³ For sociology majors, SOC 1300 meets both a major requirement and the UCA Core requirement for the Social Science category in Critical Inquiry. Consult with your major advisor or the chair of the Department of Sociology for additional information on courses that may double count in this way.

⁴ This course is one of five required major courses that students should take in sequence. These five courses (SOC 1300, SOC 2321, SOC 3320, SOC 4330, and SOC 4360) are offered each fall and spring term (and in many cases during a summer term). In consultation with a departmental advisor, a student may elect to take these courses during either term.

⁵ This Program Completion Plan (PCP) includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.
