### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See the *Undergraduate Bulletin* and consult your academic advisor for appropriate courses with which to fulfill these upper-division requirements.

<sup>2</sup> This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan. Due to an overlap of programs, the minor cannot be in Biology, Chemistry, Physics, or Physical Science.

<sup>3</sup> Major Elective, Minor Elective, and General Elective courses must be completed so that a minimum of 40 hours of credit are earned at the 3000 level or above.
