### Notes

<sup>1</sup> This course is one of five required major courses that students should take in sequence. These five courses (SOC 1300, SOC 2321, SOC 3320, SOC 4330, and SOC 4360) are offered each fall and spring term (and in many cases during a summer term). In consultation with a departmental advisor, a student may elect to take these courses during either term.

<sup>2</sup> For sociology majors, SOC 1300 meets both a major requirement and the LD UCA Core requirement for the Social Science category in Critical Inquiry. Consult with your major advisor or the chair of the Department of Sociology for additional information on courses that may double count in this way.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 5.)

<sup>4</sup> This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

<sup>5</sup> The student should be aware that some major electives will also fulfill UD UCA Core requirement. For example, Sociology majors may take either SOC 3310 Racial and Ethnic Relations or SOC 3361 Gender and Society, offered each fall and spring term, and count it toward elective credits in the major and toward upper-division UCA Core requirements in both the Diversity and Responsible Living categories [UD UCA Core: D, R]. Furthermore, SOC 3320 [UD UCA Core: C, I] and SOC 4360 [UD UCA Core: Z], required major courses, double count in this way (see notations in this AMAP). Students should review the [Sociology, Anthropology, and Criminology](#) page in the *Undergraduate Bulletin* and the sociology major checklist or consult with their major advisor for additional information on these requirements.

<sup>6</sup> Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this plan of study. For further details about the BS Science/Math requirement, see the Undergraduate Bulletin, “Degree Requirements,” § 2.2.5, Bachelor of Science.
