To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

² This Program Completion Plan includes 27 credit hours in the minor field of study. Minor requirements range from 18 to 27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the program.

Notes

¹ For appropriate alternatives or substitutions, see “General Education Program” in the *Undergraduate Bulletin*.

² The BA degree requires three hours of foreign language at the 2000-level or above. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need may void the guaranteed three-year plan.

Additionally, the Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete this requirement as early as possible in their program in order not to lose fluency gained in high school.

³ This Program Completion Plan includes 27 credit hours in the minor field of study. Minor requirements range from 18 to 27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.

Notes

Criteria for Admission to Level 1 of the Teacher Education Program

Students are responsible for initiating the admission process and ensuring all information is available for the admissions folder. Students should pay close attention to application deadlines as published by the Office of Professional Field Services. After midterm grading and prior to established interview dates, students may initiate the process of admission upon completion of the minimum requirements listed below.

2.5 GPA (including UCA, transfer, and cumulative).

Grade of "C" or better in WRTG 1310 and 1320, SPCH 1300, MATH 1360 or 1390, EDUC 1300 and 1240 (unless satisfied by competency test).

Grade of "C" or better in all major requirements (art, art education, and education courses).

Successful completion of Praxis I exam.

Completion of 45 semester hours (or current enrollment in sufficient hours to complete 45 semester hours).

Two completed Admission Evaluations from faculty (one being from student's EDUC 1300 instructor).

Successful completion of student interview by art faculty with recommendation for admission. Sign up in the Office of Professional Field Services.

Successful completion of the Department of Art Sophomore Major Advancement Interview (SMAI).

Criteria for Admission to Level II of the Teacher Education Program (Directed Teaching)

Students must take the Praxis II content area exam (Art: Content and Analysis) prior to the Internship II semester (Directed Teaching).

The Praxis II content area exam must be successfully completed before credit will be awarded for Internship II. During the Internship II semester, teacher candidates take Praxis II: Principles of Learning and Teaching.

¹ The program is 127 semester credit hours. The degree includes 44 hours of general education credit (fine arts requirement not required for art majors), 3 hours of foreign language at the 2000 level, 14 hours of professional education (if student passes competency test for EDUC 1240), 21 hours of art education (including directed teaching) and 45 hours of art (including 12 hours of art history). Art courses must follow a prerequisite structure.

² Due to student teaching internship and field experiences for education courses, it is recommended students complete 6 – 10 hours of required General Education courses in the summer of their sophomore or junior year.

³ Prerequisites for ART 2140, Portfolio I, are ART 1310, 1321, 2312, 2322, and 3 hours from 2325, 2335, or 2336. Students may enroll in ART 2140 if they have completed four of the five prerequisites and are enrolled in the fifth.

⁴ Art Ed Emphasis students must have at least one 2-D and one 3-D Studio I level course.

⁵ Only the 2000 level Foreign Language is required; however, students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction in order to complete the 2000 level course.

⁶ Admittance into Level I of Teacher Education Program required to enroll in these courses.

SIGNED – COLLEGE DEAN

SIGNED – DEGREE DEAN

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹ The program requires 45 hours of art (39 credit hours in art history and 6 credit hours in studio), 44 hours of general education credit (the fine arts requirement is not required for art majors - completion of the major fulfills the requirement), 3 hours of foreign language at the 2000 level, and a minor. Art courses must follow a prerequisite structure. To fulfill the minimum required 120 hours needed for the degree, students may use 6 hours of foreign language prerequisites, if needed, and minor or elective courses, or a combination of these. See additional information about minors and foreign language prerequisites below.

² ART 4302 requires a written proposal submitted for departmental approval the semester prior to enrollment.

³ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. Students with prior experience in a foreign language should contact the Department of World Languages, Literatures, and Cultures to take the departmental placement test before enrolling in their first course. If a student has not completed the six hours of lower-level instruction by this time, please note that the Eight-Semester Plan will be voided.

⁴ This Program Completion Plan requires a minor field of study. Please note – studio art may not serve as a minor for this degree. Depending on the program, minor requirements range from 18 to 27 credit hours. The student will need to adjust the number of general elective or minor elective credit hours in this PCP as needed. Example #1: If a student needs to take both foreign language prerequisites, and selects a minor requiring 18 hours, then the student will need to take an additional 4 hours of elective credit to complete the required minimum 120 hours. Example #2: If a student does not need to take both foreign language prerequisites and selects a minor requiring 27 hours, then the student will need to take an additional 1 hour of elective credit to complete 120 hours. Depending on a student's choice of courses to satisfy special degree and minor requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the degree plan.

DATE

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹ The program includes 48 hours of art (39 credit hours in studio and 9 hours in art history), 44 hours of general education credit (the fine arts requirement is not required for art majors - completion of the major fulfills the requirement), 3 hours of foreign language at the 2000 level, and a minor. Art courses must follow a prerequisite structure. To fulfill the minimum required 120 hours needed for the degree, students may use 6 hours of foreign language prerequisites, if needed, and minor or elective courses to equal 120 hours. See additional information about minors and foreign language prerequisites below.

² Category A – Ceramics I, Contemporary Media in 3D, Fibers, Sculpture I.

³ Category B – Graphic Design I, Illustration I, Painting I, Photo I, Printmaking I, Watercolor I.

⁴ Prerequisites for Portfolio I are ART 1310, 1321, 2312, 2322, and 3 hours from 2325, 2335, or 2336.

⁵ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. Students with prior experience in a foreign language should contact the Department of World Languages, Literatures, and Cultures to take the departmental placement test before enrolling in their first course. If a student has not completed the six hours of lower-level instruction by this time, please note that the Eight-Semester Plan will be voided.

⁶ This Program Completion Plan requires a minor field of study. Please note - art history may not serve as a minor for this degree. Depending on the program, minor requirements range from 18 to 27 credit hours. Students will need to adjust the number of minor credit hours in this PCP as needed depending upon the chosen minor field of study and whether they need to take the foreign language prerequisites. Example #1: If a student needs to take both foreign language prerequisites, and selects a minor requiring 18 hours, then the student will need to take an additional 1 hour of elective credit to complete the required minimum 120 hours. Example #2: If a student does not need to take both foreign language prerequisites and selects a minor requiring 21 hours, then the student will need to take an additional 4 hours of elective credit to complete 120 hours. Depending on a student's choice of courses to satisfy special degree and minor requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the degree plan.

B.F.A. in Studio Art

Program Completion Plan (Four-Year Plan with Summers)

Department: Art Degree: B.F.A.
 Program/Major: Art
 Track/Emphasis: Studio Art
 Does this program require a minor? (Yes/No) No

Notes

¹ The program includes 44 hours of general education credit (fine arts requirement not required for art majors), 3 hours of foreign language at the 2000 level, and 80 hours of art and art history. Art courses must follow a prerequisite structure. Students with a 2.5 cumulative GPA and 3.25 major GPA on a minimum of 24 hours of art may apply for entrance into the B.F.A. program after successfully completing SMAI (sophomore major advancement interview).

² Category A – Ceramics I, Contemporary Media in 3D, Fibers, Sculpture I.

³ Category B – Graphic Design I, Illustration I, Painting I, Photo I, Printmaking I, Watercolor I.

⁴ Prerequisites for Art 2140 Portfolio I are ART 1310, 1321, 2312, 2322, and 3 hours from 2335 or 2336.

⁵ Students with scholarships need to be aware of the required number of credits to maintain their scholarship eligibility.

⁶ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement (see Summer Year 2 and Fall Year 3).

⁷ Art 4300 and 4301 BFA Studio Practicum can be taken in any order during student's last two semesters of the B.F.A. program.

Notes

¹ A cumulative grade point average of 2.5 or better on a 4.0 scale is required for admission, retention and completion of the Athletic Training Education Program.

² Required Courses for Admission (27 hours). Students seeking admission to the Athletic Training Education Program must complete a minimum of thirty (30) credit hours with a cumulative grade point average of 2.5 or better on a 4.0 scale. The following professional courses (14 hours) are required for admission to the Athletic Training Education Program. A grade of C or better is required in H ED 2201, KPED or H ED 1320, KPED 2381 and PSYC 1300. A grade of B or better is required in KPED 1350 as well as the following KPED 1350 requirements: (a) successful completion of two basic injury evaluations, (b) completion of 50 hours of clinical observation, and (c) completion of the Technical Standards Form. A professional grade point average of 3.0 or better on a 4.0 scale is required in professional courses for admission to the program. Students must also complete the following courses with a grade of C or better (13 hours) for admission: BIOL 1400 or 1440, MATH 1390 or 1392 or 1395 or 1491 or 1580 or 1591, WRTG 1310 or HONC 1310 and WRTG 1320 or HONC 1320. Beginning fall 2010, students seeking admission to the Athletic Training Education Program will be required to submit to the Program Director a criminal background check from an approved agency by the application for admission deadline. Students should refer to the current *UCA Undergraduate Bulletin* for a detailed list of admission requirements.

³ Professional Grade Point. A professional grade point average of 3.0 or better on a 4.0 scale is required for admission, retention and completion of the Athletic Training Education Program. The professional grade point average is calculated at the completion of each semester and is based on all professional courses completed. A grade of C or better is required in the following professional courses: KPED 1125 and 1135, KPED or H ED 1320, H ED 2201, KPED 2255, 2353, 2381, 3335, 3345, 3351, 3354, 3382, 4230, 4300, 4315, 4320, 4325, 4330, 4395 and PSYC 1300. A grade of B or better is required in the following professional clinical courses KPED 1350, 2356, 3301, 3327, 4301 and 4327. Professional clinical courses require clinical study outside of the regularly scheduled class meeting time. Students are responsible for their own transportation to and from clinical courses.

⁴ Related Requirements (27 hours). A grade of C or better is required in all related courses (BIOL 2406, 2407 and 4351; CHEM 1402 or 1450; H ED 2201, HSC 3123, NUTR 1300 and 4315; and PSYC 1300). Students should refer to the current *UCA Undergraduate Bulletin* regarding course pre-requisite requirements. For students who receive transfer credit for BIOL 2406 with a grade of C or better, the following related courses are required with a grade of C or better: BIOL 2407 and 4351 and PHYS 1400 or 1405 or 1410 or 1441 or CHEM 1402 or 1450; H ED 2201, HSC 3123, NUTR 1300 and 4315 and PSYC 1300.

⁵ Athletic Training Core (41 hours). Athletic training core courses are taught by licensed, certified athletic trainers. The following 26 hours of athletic training core courses must be completed with a grade of C or better: KPED 2255, 2353, 3335, 3345, 3351, 3354, 4315, 4325 and 4330. The remaining 15 hours of athletic training core courses are clinical courses (KPED 2356, 3301, 3327, 4301, and 4327) and must be completed with a grade of B or better. A student failing to meet the minimum grade requirements in these courses will not be allowed to enroll in athletic training core courses until the minimum grade requirement(s) is/are met.

⁶ The Athletic Training Education Program requires students to earn a passing score on the showcase portfolio during the final semester of enrollment.

⁷ Students should be familiar with all requirements related to the Bachelor of Science in Athletic Training degree. Students should know and follow the current policies, procedures, and guidelines as outlined in the current *UCA Undergraduate Bulletin*, the *UCA Student Handbook*, the *Athletic Training Education Program Student Handbook*, and the *Intercollegiate Athletics – Athletic Training Policies and Procedures Manual*. Students should observe the fundamental rules of ethical conduct as described in the *NATA Code of Ethics* and the *Standards of Practice* by the Board of Certification.

⁸ Expenses. Pre-athletic training students are required to purchase their own personal athletic training t-shirt as well as taping and bandaging materials to be used for personal practice while enrolled in KPED 1350. In addition to general registration fees, a health sciences fee of \$14.00 per credit hour is assessed for registration in the following courses: KPED 2356, 3301 3327, 3335, 3345, 4301 and 4327. A \$5.00 per credit hour fee is assessed for registration in all KPED courses. Students are responsible for their own transportation to and from their clinical experiences. Beginning fall 2010 students seeking admission to the Athletic Training Education Program will be required to submit a criminal background check to the Program Director by the application for admission deadline. The cost of the criminal background check is set by an approved external agency.

⁹ Retention Requirements. Students should be knowledgeable regarding the retention requirements as outlined in the current *UCA Undergraduate Bulletin*. Failure to meet the retention requirements will place the student on probationary status for a maximum of 2 semesters. If the requirements are not met at the conclusion of the probationary period, the student will be withdrawn from the program and will need to reapply for admission into the Athletic Training Education Program. A detailed list of retention requirements and explanation of the probationary period is available in the current edition of the *Athletic Training Education Program Student Handbook*. Students obtain a copy of the current handbook from the Program Director.

¹⁰ August preseason orientation and clinical participation are required of students enrolled in KPED 3301 and KPED 4301. Note August preseason orientation and clinical participation occur prior to the start of the fall semester.

¹¹ The Athletic Training Education Program requires a grade of C or better in WRTG 1310 OR HONC 1310 and WRTG 1320 or HONC 1320. Students must enroll in WRTG courses during the first two semesters of enrollment at UCA unless requirements are already met.

¹² The Athletic Training Education Program requires a grade of C or better in MATH 1390 or 1392 or 1395 or 1491 or 1580 or 1591. Students should note while MATH 1360 satisfies the current general education MATH requirement, it does not meet the Athletic Training Education Program's admission requirement.

¹³ The Athletic Training Education Program requires a grade of C or better in CHEM 1402 or 1450. Prerequisite for CHEM 1402 requires a grade of C or better in high school chemistry or CHEM 1301. Prerequisites for CHEM 1450 require a grade of C or better in high school chemistry (full-year course or equivalent) and 2 units of high school algebra, or a grade of C or better in CHEM 1301). Students who receive transfer credit for BIOL 2406 with a grade of C or better may select to complete one of the following courses (PHYS 1400 or 1405 or 1410 or 1441 or CHEM 1402 or 1450) to satisfy the general education natural sciences requirement. Students should note the Athletic Training Education Program requires a grade of C or better in the specified Physics or Chemistry courses.

¹⁴ The Athletic Training Education program requires a grade of C or better in BIOL 1400 or 1440.

¹⁵ The Athletic Training Education program requires a grade of C or better in BIOL 2407. The prerequisite for BIOL 2407 is a grade of C or better in BIOL 2406.

¹⁶ The Athletic Training Education program requires a grade of C or better in NUTR 1300. NUTR 1300 is a prerequisite for KPED 2353 and must be completed prior to admission to the Athletic Training Education Program.

¹⁷ The Athletic Training Education Program requires a grade of C or better in KPED 2353. NUTR 1300 with a grade of C or better is a prerequisite for KPED 2353.

¹⁸ The Athletic Training Education Program requires a grade of C or better in BIOL 2406. Prerequisites for BIOL 2406 require a grade of C or better in BIOL 1400 or 1440 and a grade of C or better in CHEM 1402 or 1450 to meet Athletic Training Education Program requirements.

¹⁹ The Athletic Training Education Program requires a grade of C or better in BIOL 4351. The prerequisite for BIOL 4351 is BIOL 2405 or 2407 or 4460.

²⁰ The Athletic Training Education Program requires a grade of C or better in NUTR 4315. The prerequisite for NUTR 4315 is a grade of C or better in NUTR 1300.

Program Completion Plan (Eight-Semester Plan)

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

1. Select approved courses from the following categories of the University's General Education Program: Health Studies (1 course), Oral Communication (1 course), American History and Government (1 course), Behavioral and Social Sciences (2 courses), Fine Arts (1 course), Humanities (1 course), and World Cultural Traditions (3 courses). See Undergraduate Bulletin for lists of approved courses.
2. One of the following: CHEM 3360, CHEM 4335, CHEM 4351, CHEM 4385. Can be fulfilled fall or spring.
3. Research is required (minimum 2 credit hours) and may be begun as early as the sophomore year.
4. CHEM 4451 is offered fall semester of each even year and is on this model plan of study for fall semester of year. Therefore, if a student starts year one in an even year, then the student will need to take CHEM 3520 in the fall semester of year 2 and take the two general education courses scheduled for fall of year 2 in the fall of year 4 instead. Then, CHEM 4451 can be taken in the fall semester of year 3. This is important since CHEM 3520 is a prerequisite for CHEM 4451.
5. Given a student's choice of minor and special degree requirements, the total number of credit-hours taken may exceed the total number of credit hours required to complete the program.

Notes

1. Select approved courses from the following categories of the University's General Education Program: Health Studies (1 course), Oral Communication (1 course), American History and Government (1 course), Behavioral and Social Sciences (2 courses), Fine Arts (1 course), Humanities (1 course), and World Cultural Traditions (3 courses). See Undergraduate Bulletin for lists of approved courses.
2. Research is required (minimum of 2 credit hours) and may be begun as early as the first year.
3. Given a student's choice of minor and special degree requirements, the total number of credit-hours taken may exceed the total number of credit hours required to complete the program.

This three-year plan is a rigorous course of study. We recommend that a student only be advised to follow this course if the student is ready for Calculus I upon admission to the university. Obviously important as well is the need for a strong high school chemistry experience. This schedule may also be used by the highly-qualified student who changes majors to a chemistry major and would like to complete the chemistry degree as quickly as possible. The more high school AP credit the student has upon entering this program, the more flexibility there will be in scheduling courses.

Program Completion Plan (Eight-Semester Plan)

Department: Chemistry Degree: BS
 Program/Major: Chemistry
 Track/Emphasis: ACS Certified: Biochemistry
 Does this program require a minor? (Yes/No) No

Notes

1. Select approved courses from the following categories of the University's General Education Program: Health Studies (1 course), Oral Communication (1 course), American History and Government (1 course), Behavioral and Social Sciences (2 courses), Fine Arts (1 course), Humanities (1 course), and World Cultural Traditions (3 courses). See Undergraduate Bulletin for lists of approved courses.
2. Or PHYS 1410 and 1420, College Physics I and II, with advance approval of chair of chemistry department.
3. Courses for free electives and the required minor may be taken during other semesters to accommodate scheduling and availability of courses. Since the total number of required hours for a minor varies from one minor to another, you might need more or less free electives than shown here, however, you still need to meet UCA's requirement of 120 total hours for a baccalaureate degree. Given a student's choice of minor and special degree requirements, the total number of credit-hours taken may exceed the total number of credit hours required to complete the program. You must complete 40 hours of upper-level coursework for a baccalaureate degree.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

Prerequisites: Introduction to Creative Writing (WRTG 2310) is a prerequisite for all other Creative Writing courses. The ‘forms’ class is a prerequisite for the corresponding ‘workshop’ class.

This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor credit hours in this PCP as needed depending upon the chosen minor field of study.

¹ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement.

Notes on Completion Plans of B. S. Degree in Computer Science

1. There are two plan options to complete the B. S. degree in Computer Science:
 - a. Eight-semester plan, and
 - b. Three-year plan (including summers)
2. CSCI 1470, 1480, 2320 form a required sequence. These courses are offered every semester. The completion of the sequence provides sufficient prerequisites for students to take any junior level CSCI courses (CSCI 33xx).
3. Required upper level computer science courses (CSCI 3190, 3330, 3360, 3370, 3380, 3381, 4191, 4300 and 4490) are offered at least once every year. They may not be in the exact order as listed in the plan, however, at least two or three such required courses will be offered every semester for students to complete the degree in the above plans.
4. In selecting general education courses, one must meet the university general education requirements.

Program Completion Plan (Eight-Semester Plan)

¹ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan.

² BA Economics majors may not minor in the College of Business. This program presumes a minor of 18 credit hours. Minor requirements range from 18-27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the program.

³ No more than 30 hours may be in FINA, INSU, MGMT, MIS, and MKTG.

⁴ **Economics Global Electives (15 hours):**

Choose five classes that are upper division economics classes or upper division level global courses in geography, history, political science or sociology. Global classes must have an international component and be current. A student may take other classes approved by his/her advisor to meet this requirement.

Economics: Any 3000 or 4000 level economics course not used to fulfill other degree requirements

Geography courses: 3300, 3305, 3315, 3320, 3335, 3345, 3346, 3381, 3385

History courses: 3304, 3312, 3321, 4305, 4309, 4328, 4347, 4353, 4377, 4379, 4381, 4382, 4383, 4387, 4388, 4394, 4397

Political Science courses: 3305, 3315, 3340, 3382, 4305, 4310, 4320, 4325, 4328, 4345, 4348, 4388, 4395

Sociology courses: 3398, 4341

Program Completion Plan | Three-Year Plan with Summers – Guaranteed

Department: EFIRM Degree: BA

Notes

¹ The BA degree requires three hours of foreign language at the 2000-level or above. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need may void the guaranteed Three-Semester Plan.

² This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study. BA Economics majors may not minor in the College of Business.

³ **Economics Global Electives (15 hours)**

Choose five classes that are upper division economics classes or upper division level global courses in geography, history, political science or sociology. Global classes must have an international component and be current. A student may take other classes approved by his/her advisor to meet this requirement.

Geography courses: 3300, 3305, 3315, 3320, 3335, 3345, 3346, 3381, 3385

History courses: 3304, 3312, 3321, 4305, 4309, 4328, 4347, 4353, 4377, 4379, 4381, 4382, 4383, 4387, 4388, 4394, 4397

Political Science courses: 3305, 3315, 3340, 3382, 4305, 4310, 4320, 4325, 4328, 4345, 4348, 4388, 4395

Sociology courses: 3398, 4341

⁴ No more than 30 hours may be in FINA, INSU, MGMT, MIS, and MKTG.

Program Completion Plan (Three-Year Plan with Summers)

Department: EFIRM **Degree:** BBA
Program/Major: Economics
Track/Emphasis: International Trade
Does this program require a minor? (Yes/No) No

The College of Business offers all BBA degrees as three year degrees. Each of the BBA degrees is interdisciplinary, in that all students take courses in accounting, economics and statistics (the foundation), courses in finance, marketing, and management (the core) and the major courses. In recognition of the fact that good business majors may not be equally gifted in each of these disciplines, the college does NOT require a C in each course for progression through the curriculum, but requires a 2.0 GPA in the major. This means a 2.0 GPA in each part of the major. Students who do not have a GPA of 2.0 in the foundation after taking Principles of Accounting I, Principles of Accounting II, Principles of Economics I, Principles of Economics II, and Statistics must repeat courses until the average of a 2.0 is reached.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

1. CHEM 4351 and CHEM 4152 offered Spring every other year. Must be taken in semester offered.
2. Upper level elective (at least 10 hours): Choose from either CHEM 4450, CHEM 3360, CHEM 4335, CHEM 3211, CHEM 4320, CHEM 4335, CHEM 4121, CHEM 4380, CHEM 3150, BIOL 3403, ENVR 4465, GEOG 2345, GEOG 4304, GEOG 4305, ECON 3330, and a maximum of 2 credits of research in the College of Natural Science and Mathematics, or 8 hours of courses that count toward a minor in mathematics, biology, physics, or geography.
3. All Gen. Ed. requirements may be taken as necessary. Given a student's choice of minor and special degree requirements, the total number of credit-hours taken may exceed the total number of credit hours required to complete the program.
4. PSCI 3320 is offered in the spring of every other year. PSCI 1330 is a pre-requisite for PSCI 3320, but it counts toward the general education core.

Program Completion Plan (Eight-Semester Plan)

Department: Interdisciplinary Degree: B.S.
 Program/Major: Environmental Science
 Track/Emphasis: Planning & Administration
 Does this program require a minor? (Yes/No) No

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

1. There are two other options for the Gen Ed/ American History and Government that can be taken, but PSCI 1330 is recommended as it is a prerequisite for several PSCI courses (both required and electives).
2. See appropriate choices, alternatives, or substitutions under "General Education Program" in the Undergraduate Bulletin.
3. Or PSCI: 4351, Community and Regional Planning, can be taken to fulfill the planning requirement.
4. GEOG 2330 is a statistics course. Other options for an acceptable statistics course include MATH 2311, PSCI 2312, PSYC 2330, or SOC 2321.
5. GEOG 3301 – Conservation of Natural resources was formerly known as GEOG 2302.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹ No Minor Required.

² A minimum of 120 credit hours is required and must include 40 credit hours of upper division (3000 & 4000 level) courses.

³ This degree plan assumes 6 hours of math to satisfy the degree requirements for the BS degree. Depending upon a student's choice of special degree requirement courses, the total number credit hours taken may exceed the total number credit hours required to complete the degree plan.

A 6 hour sequence of two courses in Math **OR** an 8 hour sequence in Chemistry, Biology or Physics, in addition to general education, is required for the Bachelor of Science degree. (Both courses **must** have the same department prefix.)

⁴ For appropriate alternatives or substitutions, see "General Education Program" in the *Undergraduate Bulletin*.

Program Completion Plan (Three-Year Plan with Summers)

Department: EFIRM **Degree:** BBA
Program/Major: Finance
Track/Emphasis: _____
Does this program require a minor? (Yes/No) No

The College of Business offers all BBA degrees as three year degrees. Each of the BBA degrees is interdisciplinary, in that all students take courses in accounting, economics and statistics (the foundation), courses in finance, marketing, and management (the core) and the major courses. In recognition of the fact that good business majors may not be equally gifted in each of these disciplines, the college does NOT require a C in each course for progression through the curriculum, but requires a 2.0 GPA in the major. This means a 2.0 GPA in each part of the major. Students who do not have a GPA of 2.0 in the foundation after taking Principles of Accounting I, Principles of Accounting II, Principles of Economics I, Principles of Economics II, and Statistics must repeat courses until the average of a 2.0 is reached.

Important program information in the online *Undergraduate Bulletin*:

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a
minor?

No

Yes
(Specify) _____

Notes

¹ This Program Completion Plan includes 24 credit hours in the minor field of study. Minor requirements range from 18 to 27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.

² Due to the overlap of programs the minor cannot be in Biology, Chemistry, Physics, or Physical Science.

³ See appropriate choices, alternatives, or substitutions under "General Education Program" in the Undergraduate Bulletin. General Education requirements in Writing, Mathematics, and Natural Sciences are explicitly satisfied by the requirements detailed in the program of study; courses should be chosen to satisfy the remaining requirements.

⁴ Courses at the 3000 level or higher, excluding BIOL 4340, CHEM 4112, 4290, and 4301.

⁵ Elective Minor and General Elective courses must be selected so that a minimum of 40 hours of credit is earned at the 3000 level or above.

Notes

¹This Program Completion Plan assumes 6 to 10 credit hours of science to complete the BS Degree requirement. If the student elects to take 6 credit hours of math, an additional 2 credit hours will have to be taken to complete the 124 hour credit graduation requirement.

²This Program Completion Plan includes 21 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.

Program Completion Plan (Eight-Semester Plan)

Department: Health Sciences

Degree: Bachelor of Science in Health Education

Program/Major: Health Education

Track/Emphasis: _____

Does this program require a minor? (Yes/No) NO

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

- ¹ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan. Additionally, the Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete this requirement as early as possible in their program in order not to lose fluency gained in high school.
- ² HIST 2301 or HIST 2302 counts as the American History and Government requirement in General Education.
- ³ This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the program.

Notes

ⁱ Students with no previous experience in a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for the BA requirement.

ⁱⁱ Students seeking to be admitted to the degree program must have completed 30 hours with a 3.0 or higher cumulative grade point average, meet with the Interdisciplinary Liberal Studies degree advisor, the associate dean of the College of Liberal Arts, and prepare an official application for admission to the program. The Interdisciplinary Liberal Studies degree requires 21 hours of foundation courses; see degree check sheet.

ⁱⁱⁱ The program requires a minor. Minor requirements range from 18-27 hours, so students will need to adapt their minor hours in this plan as needed.

^{iv} The Interdisciplinary Liberal Studies degree requires a concentration. The concentration must include a minimum of 27 hours of course work. See degree check sheet.

Program Completion Plan (Four-Year Plan with Summers)

Department: MARKETING & MANAGEMENT
 Program/Major: INNOVATION & ENTREPRENEURSHIP
 Track/Emphasis: _____
 Does this program require a minor? (Yes/No) No

Degree: BBA

Important program information in the online *Undergraduate Bulletin*:

This degree program requires a total of 124 semester credit hours, including at least 40 upper-division credit hours.

Notes

¹ This Gen Ed (Soc Sci) may not be an Economics class.

² ECON 2310 counts as Gen Ed (Soc Sci).

³ MGMT 3340, 3344, MKTG 3350 and FINA 3330 require completion of ACCT 2310, 2311, ECON 2320, 2321 and QMTH 2330.

Program Completion Plan (Three-Year Plan with Summers)

Department: EFIRM **Degree:** BBA
Program/Major: Insurance & Risk Management
Track/Emphasis: _____
Does this program require a minor? (Yes/No) No

The College of Business offers all BBA degrees as three year degrees. Each of the BBA degrees is interdisciplinary, in that all students take courses in accounting, economics and statistics (the foundation), courses in finance, marketing, and management (the core) and the major courses. In recognition of the fact that good business majors may not be equally gifted in each of these disciplines, the college does NOT require a C in each course for progression through the curriculum, but requires a 2.0 GPA in the major. This means a 2.0 GPA in each part of the major. Students who do not have a GPA of 2.0 in the foundation after taking Principles of Accounting I, Principles of Accounting II, Principles of Economics I, Principles of Economics II, and Statistics must repeat courses until the average of a 2.0 is reached.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹ Students with no previous experience with a world language may need to enroll in up to six hours of lower-level instruction to prepare for this B.A. requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

² PSCI 1330 satisfies either the American History & Government or the Behavioral & Social Sciences General Education requirement and it is strongly encouraged.

³ The program in International Studies requires 3 hours of World Language beyond that required for the B.A.

⁴ This Program Completion Plan includes 24 hours in a minor field of study. Minor requirements range from 18-27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the program.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

² A total of 9 elective hours are required for the major. Elective courses are listed on the Journalism checklist.

³ This Program Completion Plan includes 24 credit hours in the minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.

Department: Mass Communication and Theatre **Degree:** BA
Program/Major: Journalism
Track/Emphasis: Print Journalism

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor credit hours in this PCP as needed depending upon the chosen minor field of study.

- ¹ **Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement.**

Program Completion Plan (Eight-Semester Plan)

Department: Writing Degree: BA
 Program/Major: Linguistics
 Track/Emphasis: Track Four General Linguistics
 Does this program require a minor? (Yes/No) Yes

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹ MATH 1591 is a major requirement and also fulfills the three-hour General Education requirement in Mathematics

² See appropriate choices, alternatives, or substitutions under "General Education Program" in the *Undergraduate Bulletin*.

³ This Program Completion Plan includes 21 credit hours in the Minor field of study. Minor requirements range from 18-27 credit hours, so the student will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen minor field. **Given a student's choice of minor and special degree requirements, the total number of credit-hours taken may exceed the total number of credit hours required to complete the program.**

⁴ The BA degree requires three hours of foreign language at the 2000-level or above. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need may void the guaranteed three-year plan. Additionally, the Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete this requirement as early as possible in their program in order not to lose fluency gained in high school.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

NOTES

¹ This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours, so students will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study. . **Given a student's choice of minor and special degree requirements, the total number of credit-hours taken may exceed the total number of credit hours required to complete the program.**

² For all General Education courses, see appropriate choices, alternatives, or substitutions under "General Education Program" in the Undergraduate Bulletin.

Notes

ⁱ This Program Completion Plan includes 18 hours in a minor field of study. Minor requirements range from 18-27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the degree.

ⁱⁱ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

ⁱⁱⁱ Piano III and IV are degree requirements but many students need to take Piano I and/or II prior to II and IV. Testing for piano placement is done on the first day of class in Harmony I or Ear Training I. Students who have had little of no piano training should start with Piano I, MUS 1131 in the first semester. Piano majors should take 2 hours of applied minor instruction in another area to substitute for class piano.

^{iv} During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major professor and the advisor.

^v Required before taking the PRAXIS I exam. This exam is recommended if the student anticipates teaching in public schools in the future.

^{vi} Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

^{vii} A substitution has been approved allowing MUS 1340 for the Fine Arts elective. MUS 1340 is a prerequisite for MUS 3302 or 3303, and should be taken the sophomore year.

Notes

ⁱ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

ⁱⁱ Students should apply for admission to the Composition track during the freshman spring semester. Students must pass composition admission requirements before admission into the composition track. A “Composition Track Application” form must be completed and approved by all area faculty members at the time of the jury in which the student is applying for admission to the composition track.

ⁱⁱⁱ Piano III and IV are degree requirements but many students need to take Piano I and/or II prior to II and IV. Testing for piano placement takes place on the first day of class in Harmony I or Ear Training I. Students who have had little of no piano training should start with Piano I, MUS 1131 in the first semester. Piano majors should take 2 hours of applied minor instruction in another area to substitute for class piano.

^{iv} Woodwind, brass and percussion majors may participate in a university band or orchestra to fulfill the large ensemble requirement. String majors must participate in the orchestra to fulfill the requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the large ensembles, as assigned by the major professor and the advisor.

^v A substitution has been approved allowing MUS 1340 for the Fine Arts elective. MUS 1340 is a prerequisite for MUS 3302 or 3303, and must be taken the sophomore year due to scheduling conflicts with MUS 1230.

Notes

ⁱ See admission to teacher education requirements during this semester.

ⁱⁱ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

ⁱⁱⁱ Piano III and IV are degree requirements but many students need to take Piano I and/or II prior to III and IV. Testing for piano placement is done on the first day of class in Harmony I or Ear Training I. Students who have had little or no piano training should start with Piano I, MUS 1131 in the first semester.

^{iv} Woodwind, brass and percussion majors must participate in a university band each semester, including 3 or more semesters of marching band. String majors must participate in the university orchestra a minimum of six semesters.

^v Required before taking the PRAXIS I (during Fall of the Sophomore year).

^{vi} Students are encouraged to take the PRAXIS I by end of freshman year, but must take it by end of sophomore year to stay on track for admission to teacher ed. program by end of sophomore year. See admission to teacher education requirements.

^{vii} Student must be admitted to teacher education program by the end of this semester to enroll in MUS 3305 for the following semester.

^{viii} 6 hours of Instrumental Methods courses are offered; 5 hours out of the 6 are required for woodwind, brass and percussion majors. 4 hours are required for string majors and piano majors/instrumental track. See Undergraduate Bulletin for details.

^{ix} Substitutions have been approved allowing MUS 1340 for the Fine Arts elective and MSIT 3310 (Development and Learning) for one Social Science elective (PSYC 1300). MUS 1340 is a prerequisite for MUS 3302 or 3303, and must be taken the sophomore year due to scheduling conflicts with MUS 1230.

^x If student prefers to take PSYC 1300 at this time, an additional social science gen. ed. must be taken. It is suggested that students NOT take PSYC 1300 unless they have an interest in psychology or are minoring in psychology.

^{xi} Must be taken after completion of MUS 1230 and 1231. Must have passed EDUC 1240 or the Ed. Tech proficiency exam prior to this semester or took MUS 2210 with Dr. Rose by Spring 2010.

^{xii} Students must take the PRAXIS II (Music: Analysis, Concepts & Processes, and Cont. Knowledge) by Spring or September of this calendar year. PRAXIS II grades must be sent to student by the conclusion of the Fall semester of this calendar year.

^{xiii} Student must be admitted to the teacher education program to enroll in this course.

^{xiv} Student must take the remaining portion of the PRAXIS II (Principles of Learning and Teaching, 5-9 or 7-12) by this semester.

Program Completion Plan (Four-Year Plan with Summers)

Department: Music **Degree:** Bachelor of Music
Program/Major: Education Emphasis: P-8 & 7-12
Track/Emphasis: Piano Track: Instrumental or Vocal
Does this program require a minor? (Yes/No) No

Notes

ⁱ See admission to teacher education requirements during this semester.

ⁱⁱ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

ⁱⁱⁱ BM in Education pianists on the vocal track will substitute 2 semesters of voice, MUSA 21xx; pianist on the instrumental track will substitute 2 hours of another instrument.

^{iv} Chorus or other large ensemble, six semesters required. Piano majors may substitute up to three semesters of accompanying (MUS 4140) for the large ensemble requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the large ensembles, as assigned by the major professor and the advisor.

^v Required before taking the PRAXIS I (during Fall of the Sophomore year).

^{vi} Students must take the PRAXIS I by the end of this semester. See admission to teacher education requirements. Students must also take the Ed Tech Competency Exam before the fall sophomore semester begins. Students who don't pass the exam must take EDUC 1240 prior to taking MUS 2211. MUS 2211 is only taught in the spring and freshman theory is a prerequisite.

^{vii} Student must be admitted to teacher education program by the end of this semester to enroll in MUS 3305 for the following semester.

^{viii} Substitutions have been approved allowing MUS 1340 for the Fine Arts elective and MSIT 3310 (Development and Learning) for one Social Science elective (PSYC 1300). MUS 1340 is a prerequisite for MUS 3302 or 3303, and must be taken the sophomore year due to scheduling conflicts with MUS 1230.

^{ix} Students should not take PSYC 1300 at this time.

^x Must be taken after completion of MUS 1230 and 1231. Students must take the Ed Tech Competency Exam before the fall sophomore semester begins. Students who don't pass the exam must take EDUC 1240 prior to taking MUS 2211. MUS 2211 is only taught in the spring and freshman theory is a prerequisite.

^{xi} Students must take the PRAXIS II (Music: Analysis, Concepts & Processes, and Cont. Knowledge) by Spring or September of this calendar year. PRAXIS II grades must be sent to student by the conclusion of the Fall semester of this calendar year.

^{xii} Student must be admitted to the teacher education program to enroll in this course.

^{xiii} Student must take the remaining portion of the PRAXIS II (Principles of Learning and Teaching, 5-9 or 7-12) by this semester.

Notes

ⁱ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

ⁱⁱ Students should apply for admission to the Performance track during this semester. Students must pass a performance track barrier jury before being admitted into the performance track. A "Performance Track Application" form must be completed and approved by all area faculty members at the time of the jury in which the student is applying for admission to the performance track.

ⁱⁱⁱ Piano III and IV are degree requirements but many students need to take Piano I and/or II prior to II and IV. Testing for piano placement is done on the first day of class in Harmony I or Ear Training I. Students who have had little of no piano training should start with Piano I, MUS 1131 in the first semester. Piano majors should take 2 hours of applied minor instruction in another area to substitute for class piano.

^{iv} Woodwind, brass and percussion majors may participate in a university band or orchestra to fulfill the large ensemble requirement. String majors must participate in the orchestra to fulfill the requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the large ensembles, as assigned by the major professor and the advisor.

^v A substitution has been approved allowing MUS 1340 for the Fine Arts elective. MUS 1340 is a prerequisite for MUS 3302 or 3303, and must be taken the sophomore year due to scheduling conflicts with MUS 1230.

^{vi} This is a second ensemble, additional to the large ensemble.

Program Completion Plan (Four-Year Plan with Summers)

Department: _____ Music
Program/Major: _____ Performance
Track/Emphasis: _____ Piano
Does this program require a minor? (Yes/No) _____ No

Degree: _____ Bachelor of Music

Notes

¹ A cumulative grade point average of 2.5 or higher on a 4.0 scale is required for admission, retention and completion of the degree.

² A major in P-8 and 7-12 Kinesiology and Physical Education is required. A major grade point average of 2.5 or higher on a 4.0 scale is required for admission, retention and completion of the degree. The major consists of 58 credit hours. A grade of C or better is required in all major courses.

³ A minor in Health Education is required. A minor grade point average of 2.5 or higher is required for admission, retention and completion of the degree. The minor consists of 23 credit hours. A grade of C or better is required in all minor courses. While H ED 2201 is the only required pre-admission course, a student's minor grade point average for admission will be calculated on all required minor courses completed.

⁴ Candidates must meet admission, retention, and exit requirements of the College of Education and the Physical Education - Teacher Education programs. Candidates should be familiar with the specific degree requirements listed in the *UCA Undergraduate Bulletin* as well as the College of Education and Physical Education - Teacher Education (PETE) websites.

⁵ Upon acceptance into teacher education, candidates must purchase a subscription to Chalk and Wire, an electronic portfolio program required by the College of Education. Candidates may purchase a one-year subscription and then renew for a second year or purchase a two-year subscription. Candidates should refer to the College of Education's webpage for specifics related to these fees.

⁶ Students must submit written copies of the PRAXIS I score reports verifying passage of Reading (i.e. score of 172 or higher), Math (i.e. score of 171 or higher) and Writing (i.e. score of 174 or higher) for admission to the College of Education - Teacher Education and PETE program. PRAXIS I exams are offered through paper/pencil or computerized format. The PRAXIS I exams should be completed prior to the completion of the 2nd semester of enrollment but no later than the first PRAXIS I test administration (September or January) of the semester in which the student is enrolled in KPED 2300. Failure to pass the PRAXIS I exams will delay admission to the PETE program and completion of the degree.

⁷ The PETE program requires candidates to pass the PRAXIS II Subject Assessment exams #0856 – Health and Physical Education: Content Knowledge (paper-pencil format) or #5086 (computer format available beginning May 2012) and #0095 – Physical Education Content and Design exam # 0095 (paper pencil) or #5095 (computer format available beginning June 2012) prior to enrollment in KPED 4690 and KPED 4691 – Internship II. The minimum passing score is 144 for the #0856 and #5856 exam; and 169 for the #0095 and #5095 exam. PETE candidates must submit written copies of the two designated PRAXIS II subject assessment exam score reports to the instructor before the conclusion of the semester in which candidates are enrolled in KPED 4380.

⁸ The PETE program requires candidates to pass the Principles of Learning and Teaching (PLT) to successfully complete KPED 4690 and KPED 4691 – Internship II. Candidates may select one of the following three PLT exams (a) PLT-Early Childhood exam # 0621 (paper pencil format) or exam #5621 (computer format available beginning July 2012). The minimum passing score is 157 for both formats or (b) PLT Grades 5-9 exam # 0623 (paper pencil format) or #5623 (computer format available beginning July 2012). The minimum passing score is 160 for both formats or (c) PLT Grades 7-12 exam # 0624 (paper pencil format) or exam #5624 computer format available beginning July 2012. The minimum passing score is 157 for both formats. Failure to pass the PLT exam or successfully meet all degree requirements will result in a student earning an X grade (incomplete grade) in KPED 4690 and KPED 4691 and delay awarding of the degree.

⁹ A grade of C or better is required in all KPED courses in the PETE program.

¹⁰ Students seeking admission to teacher education programs must complete EDUC1240 – Basic Education Technology Skills with a grade of C or better or pass an educational technology competency exam given by the College of Education as a prerequisite for admission to teacher education programs.

¹¹ WRTG 1310 or HONC 1310 and WRTG 1320 or HONC 1320 must be taken during the first two semesters of enrollment at UCA. A grade of C or better is required for admission to all teacher education programs.

¹² A grade of C or better is required in PSYC 1300 to meet PETE program requirements.

¹³ A grade of C or better is required in SPCH 1300 for admission to all teacher education programs.

¹⁴ While MATH 1360 will satisfy general education requirements; it does not meet admission requirements for the PETE program. A grade of C or better is required in Math 1390 or 1392 or 1395 or 1491 or 1580 or 1591 to meet PETE program admission requirements.

¹⁵ A grade of C or better is required in EDUC 1300 for admission to all teacher education programs.

¹⁶ A grade of C or better is required in BIOL 1400 or 1440 for admission to the PETE program.

¹⁷ A grade of C or better is required for admission to the PETE program in the following courses: KPED 1320 or H ED 1320 and KPED 2224 or KPED 2225 or KPED 2226 or KPED 3200; KPED 2223; KPED 2250, KPED 2300, KPED 2381; KPED 1125 and KPED 1135 or KPED 2212 or KPED 2213 or KPED 2214. Students must meet proficiency standards as outlined on each course syllabus. Additionally, students must meet the following requirements for admission to the PETE program: (a) complete a minimum of 45 credit hours with a cumulative, major and minor grade point average of 2.5 or higher on a 4.0 scale; (b) complete H ED 2201 with a grade of C or better; (c) completed the following courses with a grade of C or better (BIOL 1400 or BIOL 1440; EDUC 1240 or technology competency test and EDUC 1300, WRTG 1310 and WRTG 1320; MATH 1390 or MATH 1392 or MATH 1395 or MATH 1491 or MATH 1580 or MATH 1591; and SPCH 1300 (d) a passing score on the KPED fitness tests given initially in KPED 1125 and 1135 as well as twice during the fall, spring and summer terms; pass the PRAXIS I pre-Professional Skills test; (e) a passing score on the developmental portfolio presented to the PETE faculty by the stipulated deadline (f) maintain professional dispositions/behaviors in interactions and communications with faculty, peers, and other professionals. Professional dispositions and behaviors are evaluated in each required designated pre-PETE and - major courses. (g) submit two recommendations supporting admission's applications to the College of Education. Recommendations must be summated by students' KPED 2300 and EDUC 1300 instructors. The program is designed for candidates to complete the admission application process available at http://www.uca.edu/education/teacher_education/ while enrolled in KPED 2300 – Principles of Kinesiology and Physical Education. This course must be completed at UCA.

¹⁸ KPED 2224 or KPED 2225 or KPED 2226 or KPED 3200 or KPED 2223 or KPED 2250 or KPED 1125 and KPED 1135 or KPED 2212 or KPED 2213 or KPED 2214 require a prerequisite of pre-PETE status or consent of the instructor.

¹⁹ A grade of C or better is required in PHYS 1400 or PHYS 1405 or PHYS 1410 or PHYS 1441 or CHEM 1400 or CHEM 1402 or CHEM 1450 to meet PETE program requirements. **Note:** PHYS 1401 does not meet PETE admission requirement.

²⁰ Current CPR certification is required for admission, retention and completion of the PETE program.

²¹ If a student has not successfully passed the PRAXIS I exams (reading, math and writing) prior to enrolment in KPED 2300, the student must complete and submit copies of the PRAXIS I score reports (i.e., Reading, Math and Writing) to the instructor prior to the end of the semester of enrollment in KPED 2300 or an X grade will be recorded. Students are strongly encouraged to complete the PRAXIS I exams prior to completion of the 2nd semester of enrollment but no later than the first PRAXIS I exam administration date of each semester (September or January) to ensure score reports are received before the end of the semester in which the student is enrolled in KPED 2300. Students should note failure to pass the PRAXIS I exams will delay admission to teacher education programs and completion of the degree. This course is required of all students considering a P-8 & 7-12 PETE major and must be completed at UCA. Prerequisite: pre-PETE status or consent of instructor.

²² Prerequisite: a grade of C or better in BIOL 1400 or BIOL 1440.

²³ A grade of C or better is required in EDUC 3309.

²⁴ Prerequisites: junior or senior classification; and major status or consent of instructor.

²⁵ A minimum of 10 hours of early field experiences are required. Field experiences are conducted in the public schools and in commercial child care facilities outside of regularly scheduled class meeting sessions from Monday through Friday between 8:00AM and 5:00 PM. It is recommended that candidates complete KPED 2340 and KPED 3330 concurrently due to requirement of field experience in each of these courses. Prerequisite: admission to PETE program and consent of instructor.

²⁶ Prerequisite: A grade of C or better in KPED 2381.

²⁷ KPED 3330 is a professional education course. A minimum of 15 hours of early field experiences are required. Field experiences are conducted in commercial child care facilities and in public schools from Monday through Friday between the hours of 8:00AM and 5:00PM. It is recommended that candidates complete KPED 2340 and KPED 3330 concurrently due to requirement of field experience in each of these courses Prerequisites: admission to PETE program; junior or senior classification; and major or status or consent of instructor.

²⁸ KPED 4310 is a professional education course. A minimum of 20 hours of early field experiences outside of regularly scheduled class meetings are required. Field experiences are conducted in public schools from Monday through Friday between the hours of 8:00AM and 3:00PM. Prerequisites: admission to PETE program and a grade of C or better in KPED 2340 and KPED 3330.

²⁹ Prerequisite: A grade of C or better in PHYS 1400 or PHYS 1405 or PHYS 1410 or CHEM 1400 or CHEM 1402 or CHEM 1450.

³⁰ Students must complete an assessment project that requires collaboration with public school physical education teachers outside of the regularly scheduled class meeting sessions. Prerequisites: Junior or senior classification; and major status or consent of instructor.

³¹ KPED 4690 and KPED 4691 – Internship II are professional education courses scheduled during candidates' last semester of enrollment. All program and degree requirements to this point must be met prior to enrollment in KPED 4690 and KPED 4691. Enrollment in these courses requires a minimum commitment from 8:00AM to 4:00PM Monday through Friday. Candidates mirror the schedule of the mentor teacher. Candidates must pass the PRAXIS Principles of Learning and Teaching (PLT) exam to successfully complete KPED 4690 and KPED 4691. Candidates must also receive a passing score on the professional portfolio presented to the PETE faculty and complete a PETE exit survey and interview with the chair of the department during the semester in which the candidate applies for graduation. Failure to successfully meet all program requirements will result in a student earning an X grade (incomplete grade) in KPED 4690 and KPED 4691. Prerequisites: Admission to the PETE program, completion of KPED 4380-Internship I with a grade of C or better, and successful completion of PRAXIS II (0856 and 0092) exam. **Note:** effective January 1, 2011, teacher candidates who register for KPED 4690 and KPED 4691 will be assessed a \$250 course fee by the College of Education. This fee will be assessed in addition to the tuition and registration fees assessed by the university.

³² A minimum of 10 hours of field experience are required in KPED 3363. Field experiences are scheduled outside of regular class meetings and are conducted in a variety of settings. Prerequisite: consent of instructor.

³³ Prerequisites: a grade of C or better in KPED 4300; and pre-PETE or major status or consent of instructor required.

³⁴ KPED 4380 is a professional education course. A minimum of 30 hours of field experiences are conducted in the public schools outside of regular class meetings. Candidates enrolled in KPED 4380 are required a minimum commitment from 12:00 noon to 5:15 PM Monday, Wednesday and Friday. Prerequisites: admission to PETE program and a grade of C or better in KPED 2340, KPED 3316, KPED 3330, and KPED 4310.

Program Completion Plan (Eight-Semester Plan)

Department: Philosophy and Religion Degree: BA
 Program/Major: Philosophy
 Track/Emphasis: N/A
 Does this program require a minor? (Yes/No) yes

Important information in the *Undergraduate Bulletin*:

General Education Requirements: <http://www.uca.edu/ubulletin/02/207.html>
Degree Requirements: <http://www.uca.edu/ubulletin/02/208.html>
Program Requirements: <http://www.uca.edu/ubulletin/03/30506.html>
Course Description: <http://www.uca.edu/ubulletin/04/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

Year 1				Year 2			
Fall (Semester 1)		Spring (Semester 2)		Fall (Semester 3)		Spring (Semester 4)	
Course	SCH	Course	SCH	Course	SCH	Course	SCH

Minor elective	3	Minor electives	6	Minor elective	3	Minor elective	3
Gen Ed or General Elective	3						
Total credits	12	Total credits	15	Total credits	18	Total credits	13

¹ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

² This Program Completion Plan includes 24 hours in a minor field of study. Minor requirements range from 18-27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the degree.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹ This Program Completion Plan includes 21 credit hours in the minor field of study. Minor requirements range from 18 to 27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in the PCP, as needed depending upon the chosen minor field of study. Most students in this track will elect to complete mathematics minor. Mathematics minor will take 2 additional mathematics courses. Students selecting this option should replace the remaining 15 hours with general electives. These general electives should be selected so that a minimum of 40 hours of credit is earned at the 3000 level or above.

² See appropriate choices, alternatives, or substitutions under "General Education Program" in the Undergraduate Bulletin. General Education requirements in Writing, Mathematics, and Natural Sciences are explicitly satisfied by the requirements detailed in the program of study; courses should be chosen to satisfy the remaining requirements.

³ Elective Major, Elective Minor and General Elective courses must be selected so that a minimum of 40 hours of credit is earned at the 3000 level or above.

⁴ PHYS and CHEM elective courses must be approved by the Chair of the Department of Physics and Astronomy.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

***This Program Completion Plan includes 24 credit hours in the minor field of study. Minor requirements vary; thus, the student will need to adjust the number of minor credit hours in the PCP as needed depending upon the chosen minor field of study.**

****Students with no previous foreign language experience may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study.**

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

***This Program Completion Plan includes 24 credit hours in the minor field of study. Minor requirements vary; thus, the student will need to adjust the number of minor credit hours in the PCP as needed depending upon the chosen minor field of study.**

****Students who opt to take six hours of additional math courses to fulfill the Bachelor of Science requirement will need two additional hours of general electives to satisfy the 120 hours required to graduate.**

Program Completion Plan (Four-Year Plan with Summers)

Department: Health Sciences
Program/Major: Concentration in Health & Safety

Notes

All electives must have approval of degree advisor.

The Bachelor of Professional Studies (BPS) degree program offers associate's degree holders in the areas of health and technology the opportunity to increase knowledge and leadership skills and to enhance career opportunities. A total of 124 credits must be completed, including the transfer of a maximum of 60 credits from associate degree programs. The curriculum is designed to facilitate completion of remaining general education requirements, a set of core courses and one of two areas of concentration: (1) Health and Safety or Leadership and Technology. Following is a list of some of the associate degree programs that would prepare students for transfer to the BPS degree program: A.A.S. degrees in cardiopulmonary technology; computer information systems; computer information science; computer information systems technology; computer electronics technology; dental hygiene; emergency medical services; environmental/safety technology; medical laboratory

technology, health information management; paramedics; respiratory therapy and respiratory care. This list of degree programs is not all-inclusive. Other health and technology degree programs can be considered.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

² PSCI 1330 satisfies either the American History & Government or the Behavioral & Social Sciences General Education requirement and it is strongly recommended.

³ Political Science majors must complete one course from a minimum of four of the six subfields of Political Science: American Politics; Comparative Politics; International Relations; Political Theory; Public Administration; and Public Policy for a total of 12 credit hours. Students must take an additional nine hours of electives (3 courses) from any of the six Political Science subfields.

⁴ This Program Completion Plan includes 24 hours in a minor field of study. Minor requirements range from 18-27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the program.

ⁱ PSYC 1300 General Psychology must be taken prior to other PSYC courses. We recommend that PSYC 2330 (Statistics) be taken during the 2nd or 3rd semester. PSYC 2330 must be taken prior to PSYC 3332. PSYC 3332 must be taken prior to PSYC 3340.

ⁱⁱ See appropriate choices, alternative, or substitutions under “General Education Program” in the Undergraduate Bulletin.

ⁱⁱⁱ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

^{iv} This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.

Program Completion Plan (Four-Year Plan with Summers)

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹ PSCI 1330 satisfies either the American History & Government or the Behavioral & Social Sciences General Education requirement and it is strongly recommended.

² This degree plan assumes six hours of math to satisfy BS special degree requirements. Depending on a student's choice of special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the program.

³ This six-hour PA core course is the required internship course for all public administration majors.

⁴ Public Administration majors must complete fifteen hours of electives across two issue areas: Public Administration and Public Policy. Students must complete nine hours (3 courses) in the Public Administration area and six hours (2 courses) in the Public Policy area.

⁵ This Program Completion Plan includes 24 hours in a minor field of study. Minor requirements range from 18-27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the program.

Notes

ⁱ Spring Semester 1: See admission to teacher education requirements – Take Praxis 1 (PPST or CBT) Exam

ⁱⁱ See appropriate choices, alternatives, or substitutions under “General Education Program” in the Undergraduate Bulletin. General Education requirements in Writing, Mathematics, Natural Sciences, and Behavioral/Social Sciences are explicitly satisfied by the requirements detailed in the program of study; courses should be chosen to satisfy the remaining requirements.

ⁱⁱⁱ CHEM 3520 may be substituted for CHEM 3411.

^{iv} EDUC 1240 is only required if the competency test is not passed.

^v Spring Semester 3: Must be admitted to teacher education to enroll in EDUC 3321 and MSIT 4305. Field experience hours required.

^{vi} MSIT 3310 is approved for 3 hrs Behavioral/Social Sciences credit in General Education.

^{vii} Fall Semester 4: Must be admitted to teacher education to enroll in SCI 4190, MSIT 4320, SCI 4400, MSIT 4325 and EDUC 4210. Field experience hours required. Take Praxis 2 Content Exam(s).

^{viii} Spring Semester 4: Must be admitted to teacher education to enroll in SCI 4680 and SCI 4681. Field experience hours required. Take remaining Praxis 2 Exam(s).

^{ix} PHYS 3343 may be substituted for PHYS 3342.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes begin on page 2.

Notes

¹The First-Year Experience course (FYFS 1320) or another appropriate course may be taken as a General Elective during the first semester.

²Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

³SOC 1300 counts as a Behavioral and Social Sciences General Education requirement.

⁴General elective hours must bring total to a minimum of 120 hours.

⁵This degree plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours, so students will need to adjust the number of general elective and minor elective credit hours in this PCP as needed, depending upon the chosen field of study. Depending on a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the degree plan.

Notes

¹ The BA degree requires three hours of foreign language at the 2000-level or above. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need may void the guaranteed three-year plan.

Additionally, the Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete this requirement as early as possible in their program in order not to lose fluency gained in high school.

² SOC 1300 fulfills three hours of Behavioral and Social Sciences General Education requirement.

³ This Program Completion Plan includes 24 credit hours in the Minor fields of study. Minor requirements range from 18 to 27 credit hours, so students will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.

⁴ General elective hours must bring total to a minimum of 120 hours.

Total credits	15	Total credits	14	Total credits	

Notes

¹ Phys 1405 is recommended to complete Gen Ed (Nat Sci) for Physical Science.

² A minor is not required. In lieu of a minor, students should complete approximately **20** hours of electives across related disciplines approved by the major academic advisor. See departmental check sheet for a list of suggested electives.

³ Program admission is required before a student can take SPTH courses at the 3000 and 4000 levels. Applications to the program are accepted after 60 credit hours are completed. Admission is competitive and selective. Admission into the program requires a 2.70 minimum cumulative GPA and a 3.0 (at least B in all SLP classes) minimum major GPA.

⁴ This degree plan assumes six (6) hours of math to satisfy the B.S. special degree requirements. Depending on a student's choice of special degree requirement classes, the total number of credit hours taken may exceed the total number of credit hours required to complete the degree program.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

¹ Choose from Stage Lighting, Costume Design, or Scene Design.

² Students are required to complete a minimum of 4 hours (one at each level) but can repeat each level twice.

³ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

⁴ This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.

⁵ A total of 9 hours of major electives required: THEA 1360, 2310, 2320, 3310, 3320, 3324, 3325, 3332, 3391, 4315, 4320, 4321, 4322, 4340.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? No Yes (Specify) _____

Notes

Prerequisites: Introduction to Creative Writing (WRTG 2310) is a prerequisite for all other Creative Writing courses. The ‘forms’ class is a prerequisite for the corresponding ‘workshop’ class.

This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor credit hours in this PCP as needed depending upon the chosen minor field of study.

¹ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement.
