**To be completed by the advisor when an Eight-Semester plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

**General Note**

A master's degree is required for licensure in speech-language pathology. To practice as a speech-language pathologist in Arkansas and other states, individuals must have a master's degree and be licensed. To be licensed, individuals must have the Certificate of Clinical Competence from the American Speech-Language-Hearing Association. To obtain this certificate, individuals must successfully complete a master's degree, pass a national examination, and complete a clinical fellowship year. The clinical fellowship year is typically completed during the first year the graduate is working as a speech-language pathologist. The master's program takes two full years to complete. Applications for the UCA master's program are submitted in January of the student's senior year. The program starts in the Fall.

**Notes**

<sup>1</sup> A minor is not required. In lieu of a minor, students must complete approximately 22 hours of electives across related disciplines approved by the major academic advisor.

<sup>2</sup> The program requires a 2.75 minimum cumulative GPA and a 3.0 minimum major GPA. If a student receives a D or F in any CSD course, the course must be repeated.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first

**Notes – *continued***

two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

<sup>4</sup> COMM 1300 and SPCH 1300 are the same course. Take only one of them.

<sup>5</sup> Students must complete at least one Humanities (HUM) and one Fine Arts (FA) course as part of the LD UCA Core requirements.

<sup>6</sup> Suggested electives: Psychology: PSYC 2350, 2370, 3310, 3325, 3351, 4320, 4325, 4351, and 4352; Physics: PHYS 1400 and 1405; Linguistics: LING 2320, 3115, and 3325; Biology: BIOL 2490 and 3370.

<sup>7</sup> This degree plan assumes eight (8) hours of lab science coursework beyond the general education requirements to satisfy the BS special degree requirements.

<sup>8</sup> CSD 3311 is also offered in Spring for those students who do not take it in the Fall.
