To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. It is strongly recommended that English majors take core courses with ENGL prefixes where possible. If that is not possible, courses with the following prefixes are recommended: ANTH, AFAM, HIST, LING, PHIL, PSCI, RELG, SOC, WLAN.

² COMM 1300 and SPCH 1300 are the same course. Take only one of them.

³ This requirement may be fulfilled with courses from SPAN, FREN, GERM, CHIN, or JAPN. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of the general elective hours in this AMAP and may void the guaranteed Eight-Semester plan.

Notes – continued

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁴ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

⁵ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of English](#) page in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

⁶ This course serves as a capstone for the English major and also for the Core capstone requirement. Depending on the content, it may also count toward a period/genre requirement.
