Does this program require a minor? (Yes/No) _____ No _____

Important program information in the online *Undergraduate Bulletin*:

Degree Requirements: <https://uca.edu/ubulletin/general-policies-information/degree-requirements/>
Program Description: <https://uca.edu/ubulletin/colleges-departments-programs/college-of-health-and-behavioral-sciences/department-of-health-sciences/#sec0204>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This is a degree-completion program requiring a total of 60 semester credit hours beyond the AA or AS degree, including at least 40 upper-division credit hours.

Students will have completed an AA or AS degree (60 undergraduate hours) to be eligible to enter this completion degree. The degree offers special emphasis in administration and health related courses such as epidemiology, disease management, environmental health, community health drug education, and health concerns for both women and men. Fifteen (15) credit hours may be transferred into UCA. The student must maintain a 2.0 grade point average to graduate.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ¹.

Junior Year

Fall (Credit hours: 15)

SUBJ	NUM	TITLE	SCH	ACTS
H ED	3310	Fundamentals of Occupational Health	3
