**Scholarship recipients:** Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. ### Notes

<sup>1</sup> This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> First Year Seminar (FYS) preferred.

<sup>4</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 7.)

<sup>5</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester plan.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete this requirement as early as possible in their program in order not to lose fluency gained in high school.

Notes – *continued*

<sup>6</sup> In selection of general electives, a student should consider the need to achieve 40 hours of coursework at the upper-division level.

<sup>7</sup> Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. The capstone course is AFAM 4105 Senior Interdisciplinary Capstone. Consult the *Undergraduate Bulletin* and your academic advisor for other appropriate UD UCA Core courses.

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> For Anthropology majors, ANTH 1302 meets both a major requirement and the UCA Core requirement for the Diversity in World Cultures category. Consult with your major advisor or the chair of the department for additional information on courses that may double count in this way.

<sup>3</sup> This course is one of five required major courses that students should take in sequence. Three of these courses are semester-specific: Qualitative Methods and Anthropological Theory are generally available only in the fall and the capstone Seminar course is only offered in the spring. Social Statistics (SOC 2321) is recommended for this sequence but students may substitute other qualified introductory statistics courses including GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, and QMTH 2330. Consult with your major advisor or the chair of the department to make sure you coordinate your schedule with the proper sequence of the five required courses.

*Notes – continued*

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this AMAP for courses in the major that fulfill UD UCA Core requirements. The following optional elective courses may be used to fulfill the Diversity (D) and Responsible Living (R) requirements: SOC 3310 [UD UCA Core: D, R] or SOC 3361 [UD UCA Core: D, R] (see also Note 7). Consult your academic advisor and the *Undergraduate Bulletin* for other options.

<sup>5</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study, and students who need these courses will, therefore, need to adjust the number of general electives in this plan. The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>6</sup> This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

<sup>7</sup> Anthropology majors may take either SOC 3310 Racial and Ethnic Relations or SOC 3361 Gender and Society, offered each fall and spring term, and count it toward elective credits in the major and toward upper-division UCA Core (UD UCA Core) requirements in both the Diversity and Responsible Living categories. Furthermore, ANTH 3321 and ANTH 4360, required major courses, double count in this way—for the major and for UD UCA Core (see notations in this AMAP). Students should review the Department of [Sociology, Criminology, and Anthropology](#) page in the *Undergraduate Bulletin* and the sociology major checklist or consult with their major advisor for additional information on these requirements.

An additional and approved MATH course will be required to complete the requirement under this option. If other choices are made to complete the BS requirement, the total number of general electives will need to be adjusted. For a description of the options for fulfilling this requirement, see <https://uca.edu/ubulletin/general-policies-information/degree-requirements/#sec020206>.

<sup>7</sup> Anthropology majors may take either SOC 3310 Racial and Ethnic Relations or SOC 3361 Gender and Society, offered each fall and spring term, and count it toward elective credits in the major and toward upper-division UCA Core (UD UCA Core) requirements in both the Diversity and Responsible Living categories. Furthermore, ANTH 3321 and ANTH 4360, required major courses, double count in this way—for the major and for UC UCA Core (see notations in this AMAP). Students should review the Department of [Sociology, Criminology, and Anthropology](#) page in the *Undergraduate Bulletin* and the sociology major checklist or consult with their major advisor for additional information on these requirements.

**Notes**

<sup>1</sup> The program is 120 semester credit hours if the student tests out of the Foreign Language prerequisites. The degree requires 45 hours of art (including 12 hours of art history), 21 hours of art education, 14 hours of professional education, 35 hours of UCA Core courses (no additional course in the Fine Arts/Humanities section of the Core is required—ART 2335 or ART 2336 fulfills the LD UCA Core requirement in Critical Analysis, Fine Arts/Humanities), and 3 hours of foreign language at the 2000 level. Art courses must follow a prerequisite structure.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in either the Diversity or the Responsible Living section of the UCA Core.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map and consult your academic advisor for courses that will satisfy these upper-division requirements – Diversity (D), Responsible Living (R), Communication (C), Critical Inquiry (I), and the capstone experience (Z).

<sup>4</sup> Category A – Ceramics I, Contemporary Media in 3D, Fibers, Sculpture I.

<sup>5</sup> Category B – Graphic Design I, Illustration I, Painting I, Photo I, Printmaking I, Watercolor I.

<sup>6</sup> Prerequisites for Portfolio I are ART 1310, 1321, 2310, 2322, and 3 hours from 2335 or 2336.

<sup>7</sup> Only the 2000-level Foreign Language is required (fall, Year 3); however, students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction in order to complete the 2000-level course. The hours for these lower-level courses are not included as part of the 120 hours required for the degree. Students with prior experience in a foreign language should contact the Department of Languages, Linguistics, Literatures, and Cultures to take the departmental placement test before enrolling in their first course.

### Notes – *continued*

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order to not lose fluency gained in high school.

### Teacher Education Requirements

<sup>8</sup> Must be admitted to the Teacher Education Program (Gate 1) to enroll in this class.

Candidates seeking admission into the teacher education program will initiate the process for admission in the Office of Candidate Services upon completion of minimum requirements. Full admission will not be granted to candidates enrolled in prerequisite courses until those courses are successfully completed. Admission is required for enrollment in designated upper-division professional education courses.

The following minimum requirements must be met for admission to the teacher education program. Individual programs may have further requirements for admission.

- Submission of application for admission to teacher education, internship waiver, and admission affidavit. The admission affidavit states that the candidate has never been convicted of any crime that would prevent the issuance of a teaching license (Act 1313 of 1997 and Act 752 of 2001).
- Complete preliminary background check.
- A minimum cumulative 2.7 GPA on all coursework attempted or a minimum 2.5 cumulative GPA with a 3.0 or better GPA on the last 30 credit hours.
- Complete the following foundation coursework with grades of C or better:
  1. Written communication (WRTG 1310 and 1320)
  2. Oral communication (COMM 1300)
  3. Mathematics (MATH 1360 or above as required by the major)
  4. Introduction to Education
  5. EDUC 1300 for middle level and secondary major
- Demonstrate basic skills proficiency.
  1. For reading and mathematics, unconditional admission to UCA with a minimum 19 ACT (or SAT equivalent) reading and mathematics subtest scores.
  2. For writing, minimum score of 6 on ACT writing subtest or minimum score of 162 on Praxis Core Writing.
- Successful completion of forty-five semester credit hours.
- Successful completion of candidate interview with art education faculty to determine the candidate's dispositional and academic readiness for the teacher education program.

<sup>9</sup> Directed Teaching (Student Teaching) semester should be completed in the Spring semester when possible.

The final semester of the teacher education program consists of a one-semester full-time placement (Internship II) in an accredited and approved public school setting. During this time the candidate will be placed with a mentor teacher who is fully licensed in the candidate's major area of study. Candidates will be approved to enroll in Internship II upon successful completion of the following:

- Minimum cumulative and major GPA of 2.7.
- Acceptable scores on the summative performance evaluation from Internship I.
- Submission of scores on the Praxis subject-area assessment.
- Completion of all major and professional education requirements with a grade of C or better.
- Clear criminal history and child maltreatment background checks.
- Demonstrate appropriate dispositions as measured by College of Education rubric.

### Program Exit Requirements:

- Minimum cumulative and major GPA of 2.7.
- Satisfactory completion of program key assessments.
- Submission of scores on the Praxis Principles of Learning and Teaching or subject-specific pedagogy exam.
- Completion of Internship II with a grade of C or better.
- Earned baccalaureate degree.

Notes – *continued*

Note: Completion of the degree does not satisfy all requirements for licensure from the state. Successful completion of both the content area exam and the PLT are required for Art Education (K–12) licensure.

<sup>1</sup> The program requires 45 hours of art (39 credit hours in art history and 6 credit hours in studio), 38 hours of UCA Core courses (see note 3), 3 hours of foreign language at the 2000 level, and a minor. Art courses must follow a prerequisite structure. To fulfill the minimum required 120 hours needed for the degree, students may use 6 hours of foreign language prerequisites, if needed, and minor or elective courses, or a combination of these. See additional information about minors and foreign language prerequisites below.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in either the Diversity or the Responsible Living section of the UCA Core.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> Fulfills the LD UCA Core requirement in Critical Analysis, Fine Arts/Humanities (FA).

<sup>4</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the

upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

<sup>5</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for the 2000 level course that is required for the degree (Fall, Year 3). Students with prior experience in a foreign language should contact the Department of Languages, Linguistics, Literatures, and Cultures to take the departmental placement test before enrolling in their first course.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order to not lose fluency gained in high school.

<sup>6</sup> This Academic Map (AMAP) includes 24 hours in the minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected and courses needed to meet the foreign language requirement, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP. Please note: art studio may not serve as a minor for this degree.

<sup>7</sup> ART 4302 requires a written proposal submitted for departmental approval the semester prior to enrollment. Please check Art Department website for submission deadlines in fall and spring semester.

<sup>1</sup> The program requires 48 hours of art (39 credit hours in studio and 9 hours in art history), 38 hours of UCA Core courses (see note 6), 3 hours of foreign language at the 2000 level, and a minor. Art courses must follow a prerequisite structure. To fulfill the minimum required 120 hours needed for the degree, students may use 6 hours of foreign language prerequisites, if needed, and minor or elective courses to equal 120 hours. See additional information about minors and foreign language prerequisites below.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in either the Diversity or the Responsible Living section of the UCA Core.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> Category A – Ceramics I, Contemporary Media in 3D, Fibers, Sculpture I.

<sup>4</sup> Category B – Graphic Design I, Illustration I, Painting I, Photo I, Printmaking I, Watercolor I.

<sup>5</sup> Prerequisites for Portfolio I are ART 1310, 1321, 2312, 2322, and to be enrolled 3 hours from 2335 or 2336.

<sup>6</sup> Fulfills the LD UCA Core requirement in Critical Analysis, Fine Arts/Humanities (FA).

Notes – *continued*

<sup>7</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for the 2000 level course that is required for the degree (Fall, Year 3). Students with prior experience in a foreign language should contact the Department of Languages, Linguistics, Literatures, and Cultures to take the departmental placement test before enrolling in their first course.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order to not lose fluency gained in high school.

<sup>8</sup> This Academic Map (AMAP) includes 24 hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected and courses needed to meet the foreign language requirement, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP. Please note: art history may not serve as a minor for this degree.

Art courses must follow a prerequisite structure. Students with a 2.5 cumulative GPA and 3.25 major GPA on a minimum of 24 hours of art may apply for entrance into the BFA program after successfully completing SMAI (Sophomore Major Advancement Interview). Students should submit application for acceptance into the BFA program in the spring of the sophomore year to be on track for graduation.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in either the Diversity or the Responsible Living section of the UCA Core.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Upper-Division (UD) UCA Core includes Communication (C), Critical Inquiry (I), Diversity (D), Responsible Living (R), and a Capstone experience (Z). See the [Department of Art & Design](#) page in the *Undergraduate Bulletin* and annotations in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

<sup>4</sup> Students with scholarships need to be aware of the required number of credits to maintain their scholarship eligibility. There will be 30 hours completed in the Fall and Spring semesters of the sophomore year.

**Notes**

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for fulfilling requirements for UD UCA Core I, C, and Z. The following optional elective courses may be used to fulfill the Diversity (D) and Responsible Living (R) requirements: SOC 3310 [UD UCA Core: D, R] or SOC 3361 [UD UCA Core: D, R] (see also Note 7). Consult your academic advisor and the *Undergraduate Bulletin* for other options.

<sup>3</sup> This course is one of six required major courses that students should take in sequence. Social Statistics (SOC 2321) is recommended for this sequence but students may substitute other qualified introductory statistics courses including GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, and QMTH 2330. Consult with your major advisor or the chair of the department for additional information.

<sup>4</sup> SOC 1300 meets both a major requirement and the UCA Core requirement for the Social Science category in Critical Inquiry. Consult with your major advisor or the chair of the Department of Sociology for additional information on required courses or courses that may double count toward major and Core credit.

<sup>5</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will result in the consequent need to adjust the number of general electives in the plan. The Academic Advising Center and the Department

Notes – *continued*

of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>6</sup> This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

<sup>7</sup> Criminology majors may take either SOC 3310 Racial and Ethnic Relations or SOC 3361 Gender and Society, offered each fall and spring term, and count it toward elective credits in the major and toward upper-division UCA Core (UD UCA Core) requirements in both the Diversity and Responsible Living categories.

## Notes

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. It is strongly recommended that English majors take core courses with ENGL prefixes where possible. If that is not possible, courses with the following prefixes are recommended: ANTH, AFAM, HIST, LING, PHIL, PSCI, RELG, SOC, WLAN.

<sup>3</sup> This requirement may be fulfilled with courses from SPAN, FREN, GERM, CHIN, or JAPN. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of the general elective hours in this AMAP.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>4</sup> COMM 1300 and SPCH 1300 are the same course. Take only one of them.

<sup>5</sup> This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

<sup>6</sup> Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, In addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of English](#) page in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

<sup>7</sup> This course serves as a capstone for the English major and also for the Core capstone requirement.

**If “yes,” specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core (see note 7).

<sup>4</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of the General Elective hours in this AMAP. The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete this requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>5</sup> In selection of general electives, a student should consider the need to achieve 40 hours of coursework at the upper-division level.

Notes – *continued*

<sup>6</sup> HIST 2320 is a prerequisite for the Internship in Public History (HIST 4392).

<sup>7</sup> Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. Three (3) upper-division hours must be chosen from either: African, Asian, Latin American or Middle Eastern history. See the [Department of History](#) page in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

<sup>8</sup> HIST 3390 Introduction to Historical Writing must be taken prior to or concurrently with enrolling in other upper-division history courses.

<sup>4</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

<sup>5</sup> The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. The student must complete upper-division UCA Core courses that address each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may address up to two areas. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

<sup>6</sup> The Bachelor of Arts degree requires completion of three hours in a foreign language at the 2000-level or above. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement **OR** satisfactorily complete the competency exam for the prerequisites. These prerequisite courses are not included in this plan of study. Please note that such need will require adjustment of general elective credits required in this AMAP. Work with your academic advisor to make such adjustments as needed.

**General Notes: Admission to the Program, Required Concentration**

Students seeking to be admitted to the Interdisciplinary Studies (ILS) degree program must have completed 30 hours with a 3.0 or higher cumulative grade point average, meet with the Associate Dean of the College of Liberal Arts (ILS director), and prepare an official application for admission to the program. The ILS degree requires 21 hours of Foundation courses; see degree check sheet.

The Interdisciplinary Liberal Studies degree requires a concentration. The concentration must include a minimum of 27 hours of course work. See the [program page](#) in the *Undergraduate Bulletin* or the degree check sheet for more information.

**Notes**

<sup>1</sup> This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

Students are also required to complete upper-division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See entries in this Academic Map for courses fulfilling requirements for UD UCA Core I, R, and Z; consult the *Undergraduate Bulletin* and your academic advisor for courses fulfilling UD UCA Core C and D.

<sup>4</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

**Notes**

<sup>1</sup> This Academic Map includes 24 hours in a minor field of study. Minor requirements range from 15 to 27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student’s choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number required to complete the program.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> PSCI 1330 is a prerequisite for all upper-division Political Science courses and satisfies the American History & Government requirement in the LD UCA Core.

<sup>4</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of General Elective hours in the plan. The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>5</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. See the [Department of Political Science](#) page in the *Undergraduate Bulletin* and your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

<sup>6</sup> The program in International Studies requires 3 credit hours of a foreign language beyond that required for the BA.

<sup>7</sup> International Studies has been divided into three concentrations: (1) International Affairs & Security, (2) International Development and Globalization, and (3) Regional and Cultural Studies. Students must complete a minimum of eighteen hours of upper-division elective courses within their selected concentration: six courses at the 3000-level or above from one of the three International Studies concentrations, including at least two courses at the 3000-level or above from the political science offerings.

During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

<sup>3</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of the general elective hours in the AMAP and may void the guaranteed Eight-Semester plan.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>1</sup> This Academic Map (AMAP) includes 27 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document.

<sup>4</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

<sup>6</sup> 15 hours in one language (Spanish, French, German or Chinese) at the 2320 level or higher.

<sup>7</sup> Students are required to take upper-division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

<sup>8</sup> LING 4355 Special Topics is only offered in the Spring Semester, so a student may take a Foreign Language course, an upper-division Minor, or an Upper-division General Elective as listed in Semester 8 in Semester 7 rather than ENGL 4360 or LING 4370 in Semester 7 and take LING 4355 in Semester 8.

<sup>1</sup> This Academic Map (AMAP) includes 27 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document.

<sup>4</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of the number of general elective hours included in this plan.

<sup>5</sup> COMM 1300 and SPCH 1300 are the same course. Take only one of them.

Notes – *continued*

<sup>6</sup> Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_ No \_\_\_\_ Yes

If “yes,” specify: \_\_\_\_\_

**Notes**

<sup>1</sup> This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending upon the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in the plan.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document.

<sup>4</sup> Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See notations in this Academic Map for courses within the major that fulfill these requirements.

<sup>5</sup> See *Undergraduate Bulletin* for options.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 4.)

<sup>4</sup> Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See notations in this Academic Map for courses within the major that fulfill these requirements.

Students planning on completing an MBA degree may wish to select as General Business minor electives two courses that are also prerequisites for admission to UCA's MBA program: FINA 3330 Managerial Finance and QMTH 2330 Business Statistics. See the [Minor in Business Administration](#) in the Undergraduate Bulletin for detailed information about the minor.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> Prerequisite: Three or more years of high school Spanish, departmental placement, or consent of chair.

<sup>4</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 5.)

<sup>5</sup> Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are

<sup>1</sup> This Academic Map (AMAP) includes 18 credit hours in a minor field of study. Students will need to adapt the number of general elective and minor course credit hours in this plan as needed, depending on the chosen minor. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the degree.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

Notes – *continued*

<sup>3</sup> MUS 2133 Piano III and MUS 2134 Piano IV are degree requirements, but many students need MUS 1131 Piano I and/or MUS 1132 Piano II prior to MUS 2133 Piano III. Piano placement exams occur immediately before the beginning of classes in the fall semester of the first year of study.

<sup>4</sup> Large ensembles include MUSE 2101/4101 Marching Band, MUSE 2102/4102 Wind Ensemble, MUSE 2103/4103 Symphonic Band, MUSE 2110/4110 Concert Choir, MUSE 2111/4111 University Chorus, and MUSE 2120/4120 Symphony. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

<sup>5</sup> See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

<sup>6</sup> MUS 1340 Introduction to Music Literature is a degree-required course. MUS 1340 also fulfills the LD UCA Core Diversity in Creative Works requirement and is designated as a Fine Arts (FA) course.

<sup>7</sup> All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses. The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student's major instrument/voice. For more information visit [uca.edu/music/udqa/](http://uca.edu/music/udqa/).

<sup>8</sup> To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved UD UCA Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete an Upper-Division UCA Core Capstone course (Z). Bachelor of Arts in Music students should carefully choose major, minor, and general elective courses to ensure all UD UCA Core requirements (including a minimum of 40 upper-division credit hours) are fulfilled. For more information, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin*.

<sup>9</sup> General elective courses are included in this plan of study to ensure students complete a minimum of 120 credit hours. If a student's minor requires more than 18 credit hours, the number of general elective courses should be reduced accordingly. Any courses that do not fulfill other LD Core, major, or minor degree requirements are general electives.

<sup>10</sup> Students with no previous experience with a foreign language may need to complete up to two prerequisite courses before enrolling in a 2000-level foreign language course. These prerequisite courses are not included in this plan of study.

<sup>2</sup> A minimum grade of “B” is required in MUS 1230, 1231, 1232, 1233, and 2233 for admission to the Bachelor of Music in Composition degree program.

<sup>3</sup> MUS 2133 Piano III and MUS 2134 Piano IV are degree requirements but many students need MUS 1131 Piano I and/or MUS 1132 Piano II prior to MUS 2133 Piano III. Piano placement exams occur immediately before the beginning of classes in the fall semester of the first year of study.

<sup>4</sup> Large ensembles include MUSE 2101/4101 Marching Band, MUSE 2102/4102 Wind Ensemble, MUSE 2103/4103 Symphonic Band, MUSE 2110/4110 Concert Choir, MUSE 2111/4111 University Chorus, and MUSE 2120/4120 Symphony. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

<sup>5</sup> See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

<sup>6</sup> Bachelor of Music in Composition students should notify the composition faculty of their intent to apply for admission to the program during the freshman year. In addition to the minimum grade requirements in MUS 1232, 1233, and 2233 students must also submit an audition portfolio of two or three pieces for different media at the end of the freshman year. Students who have significant composition experience prior to entering UCA as freshmen may submit a portfolio of two or three compositions to the composition faculty when applying for admission to the music program or during the summer before the freshman year.

<sup>7</sup> MUS 1340 Introduction to Music Literature is a degree-required course. MUS 1340 also fulfills the LD UCA Core Diversity in Creative Works requirement and is designated as a Fine Arts (FA) course.

<sup>8</sup> All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses. The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student's major instrument/voice. For more information visit [uca.edu/music/udqa/](http://uca.edu/music/udqa/).

<sup>9</sup> To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved UD UCA Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete an Upper-Division UCA Core Capstone course (Z). Students should carefully choose general elective courses to ensure all UD UCA Core requirements (including a minimum of 40 upper-division credit hours) are fulfilled. For more information, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin*.

<sup>10</sup> General elective courses are included in this plan of study to ensure students complete a minimum of 120 credit hours. Any courses that do not fulfill other LD Core or major degree requirements are general electives.

**Notes**

<sup>1</sup> An additional hour of ensemble credit is required if Internship II is not completed during the 8th semester of music study (see the *Undergraduate Bulletin*). In all other cases, the total credit-hour requirement is 128 for this BME concentration.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> MUS 2133 Piano III and MUS 2134 Piano IV are degree requirements, but many students need MUS 1131 Piano I and/or MUS 1132 Piano II prior to MUS 2133 Piano III. Piano placement exams occur immediately before the beginning of classes in the fall semester of the first year of study.

<sup>4</sup> To fulfill the large ensemble requirement, woodwind, brass, and percussion music education majors are required to participate in MUSE 2101/4101 Marching Band each fall semester. For the spring semester, woodwind, brass, and percussion majors are required to participate in MUSE 2102/4102 Wind Ensemble or MUSE 2103/4103 Symphonic Band. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

<sup>5</sup> WRTG 1310, WRTG 1320, COMM 1300, and MATH 1360/1390 must be completed with a grade of “C” or higher for UCA Teacher Education Program admission requirements.

During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

<sup>7</sup> During the second year of study, music education majors should begin the UCA Teacher Education Program admission process. Music education majors must be fully admitted to the UCA Teacher Education Program prior to the fifth semester of study in order to graduate within eight semesters. Visit [uca.edu/ocs](https://uca.edu/ocs) for more information.

<sup>8</sup> Students whose primary applied instrument is trumpet or French horn are required to take MUS 2171 Low Brass Methods and not MUS 2170 High Brass Methods. Students whose primary applied instrument is trombone, euphonium, or tuba are required to take MUS 2170 High Brass Methods and not MUS 2171 Low Brass Methods.

<sup>9</sup> All music education majors must earn a grade of “C” or higher in all music education and professional education courses in addition to maintaining a minimum 2.70 cumulative GPA.

<sup>10</sup> To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved Upper-Division Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete a UD UCA Core Capstone course (Z). See annotations in this AMAP for courses in the major that fulfill some of these requirements. For other options, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin* and the [UD UCA Core course list](#).

<sup>11</sup> All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses (excluding MUS 3312). <sup>4</sup> To fulfill the large ensemble requirement, woodwind, brass, and percussion music education majors are required to participate in MUSE 2101/4101 Marching Band each fall semester. For the spring semester, woodwind, brass, and percussion majors are required to participate in MUSE 2102/4102 Wind Ensemble or MUSE 2103/4103 Symphonic Band. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

<sup>5</sup> WRTG 1310, WRTG 1320, COMM 1300, and MATH 1360/1390 must be completed with a grade of “C” or higher for UCA Teacher Education Program admission requirements.

<sup>6</sup> See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

<sup>7</sup> During the second year of study, music education majors should begin the UCA Teacher Education Program admission process. Music education majors must be fully admitted to the UCA Teacher Education Program prior to the fifth semester of study in order to graduate within eight semesters. Visit [uca.edu/ocs](https://uca.edu/ocs) for more information.

<sup>8</sup> All music education majors must earn a grade of “C” or higher in all music education and professional education courses in addition to maintaining a minimum 2.70 cumulative GPA.

<sup>9</sup> To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved Upper-Division Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete a UD UCA Core Capstone course (Z). See annotations in this AMAP for courses in the major that fulfill some of these requirements. For other options, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin* and the [UD UCA Core course list](#).

<sup>10</sup> All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses (excluding MUS 3312). The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student’s major instrument/voice. **Notes**

<sup>1</sup> An additional hour of ensemble credit is required if Internship II is not completed during the 8th semester of music study (see the *Undergraduate Bulletin*). In all other cases, the total credit-hour requirement is 129 for this BME concentration.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> Piano-instrumental music education majors are required to fulfill two non-piano, minor applied credits (any MUSA 2VXX/4VXX credits other than MUSA 2V30/4V30).

<sup>4</sup> Piano-instrumental music education majors are required to participate in one large instrumental ensemble each semester. Large instrumental ensembles for piano-instrumental music education majors include MUSE 2101/4101 Marching Band, MUSE 2102/4102 Wind Ensemble, MUSE 2103/4103 Symphonic Band, or MUSE 2120/4120 Symphony. Piano-instrumental music education majors may substitute up to three credits of the large ensemble requirement with MUSE 2140/4140 Accompanying. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

<sup>5</sup> See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

<sup>6</sup> WRTG 1310, WRTG 1320, COMM 1300, and MATH 1360/1390 must be completed with a grade of “C” or higher for UCA Teacher Education Program admission requirements.

<sup>7</sup> During the second year of study, music education majors should begin the UCA Teacher Education Program admission process. Music education majors must be fully admitted to the UCA Teacher Education Program prior to the fifth semester of study in order to graduate within eight semesters. Visit [uca.edu/ocs](https://uca.edu/ocs) for more information.

<sup>8</sup> All music education majors must earn a grade of “C” or higher in all music education and professional education courses in addition to maintaining a minimum 2.70 cumulative GPA.

<sup>9</sup> MUS 1340 Introduction to Music Literature is a degree-required course. MUS 1340 also fulfills the LD UCA Core Diversity in Creative Works requirement and is designated as a Fine Arts (FA) course.

<sup>10</sup> All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses. The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student's major instrument/voice. For more information visit [uca.edu/music/udqa/](https://uca.edu/music/udqa/).

<sup>11</sup> To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved UD UCA Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete a UD UCA Core Capstone course (Z). For more information, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin*.

<sup>12</sup> Music education majors must be fully admitted to the UCA Teacher Education Program to enroll in upper-division music education and education courses.

<sup>13</sup> Piano-instrumental music education majors must take either MUS 2180 Double Reed Methods or MUS 2181 Single Reed/Flute Methods. MUS 2181 Single Reed/Flute Methods is recommended.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> MUS 2133 Piano III and MUS 2134 Piano IV are degree requirements, but many students need MUS 1131 Piano I and/or MUS 1132 Piano II prior to MUS 2133 Piano III. Piano placement exams occur immediately before the beginning of classes in the fall semester of the first year of study.

<sup>4</sup> Vocal music education majors are required to participate in MUSE 2110/4110 Concert Choir or MUSE 2111/4111 University Chorus each semester to fulfill the large ensemble requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

<sup>5</sup> See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

<sup>6</sup> WRTG 1310, WRTG 1320, COMM 1300, and MATH 1360/1390 must be completed with a grade of “C” or higher for UCA Teacher Education Program admission requirements.

<sup>7</sup> During the second year of study, music education majors should begin the UCA Teacher Education Program admission process. Music education majors must be fully admitted to the UCA Teacher Education Program prior to the fifth semester of study in order to graduate within eight semesters. Visit [uca.edu/ocs](https://uca.edu/ocs) for more information.

<sup>8</sup> All music education majors must earn a grade of “C” or higher in all music education and professional education courses in addition to maintaining a minimum 2.70 cumulative GPA.

<sup>9</sup> MUS 1340 Introduction to Music Literature is a degree-required course. MUS 1340 also fulfills the LD UCA Core Diversity in Creative Works requirement and is designated as a Fine Arts (FA) course.

<sup>10</sup> All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses. The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student’s major instrument/voice. For more information visit [uca.edu/music/udqa/](https://uca.edu/music/udqa/).

<sup>11</sup> To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved UD UCA Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete an Upper-Division UCA Core Capstone course (Z). For more information, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin*.

## Notes

<sup>1</sup> Students must audition and be approved to pursue a BM Performance concentration. Students should discuss the BM Performance concentration audition with their primary applied instructor. Students should complete a jury audition for admission to the BM Performance concentration within the first two years of study, preferably during the first year. Students should submit a *Bachelor of Music Performance Concentration Application* to the audition jury panel.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> MUS 2133 Piano III and MUS 2134 Piano IV are degree requirements, but many students need MUS 1131 Piano I and/or MUS 1132 Piano II prior to MUS 2133 Piano III. Piano placement exams occur immediately before the beginning of classes in the fall semester of the first year of study.

<sup>4</sup> Vocal performance majors are required to participate in either MUSE 2110/4110 Concert Choir or MUSE 2111/4111 University Chorus each semester. Participation in MUSE 2110/4110 Concert Choir is by audition only. Participation in MUSE 2111/4111 University Chorus is open to all students. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

<sup>5</sup> See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

<sup>6</sup> MUS 1340 Introduction to Music Literature is a degree-required course. MUS 1340 also fulfills the LD UCA Core Diversity in Creative Works requirement and is designated as a Fine Arts (FA) course.

<sup>7</sup> All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses. The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student's major instrument/voice. For more information visit [uca.edu/music/udqa/](http://uca.edu/music/udqa/).

<sup>8</sup> To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved UD UCA Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete a UD UCA Core Capstone course (Z). Bachelor of Music in Performance students should carefully choose general elective courses to ensure all UD UCA Core requirements (including a minimum of 40 upper-division credit hours) are fulfilled. For more information, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin*.

<sup>9</sup> A Junior Recital is required for all Bachelor of Music in Performance students. The Junior Recital is a non-credit requirement.

<sup>10</sup> BM Vocal Performance majors are required to take 6 credit hours of either French or German. These requirements may be waived with UCA World Languages Department placement exam or AP/CLEP exam results that demonstrate the student possesses the knowledge, skills, and experience required for placement in a 2000-level French or German course at UCA.

<sup>11</sup> BM Vocal Performance majors are required to participate in two contiguous semesters of MUSE 2112/4112 Opera. Other equivalent stage experiences may be substituted for the opera requirement if approved by the applied instructor.

<sup>4</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

Notes – *continued*

<sup>5</sup> Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See annotations in this AMAP for major requirements that fulfill UD UCA Core requirements and for the recommended courses from which a student may select the capstone course; see the [Department of Philosophy and Religion](#) page in the *Undergraduate Bulletin* or consult your academic advisor for elective courses within the major that fulfill other UD UCA Core requirements.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. <sup>1</sup> This Academic Map includes 24 hours in a minor field of study. Minor requirements range from 15 to 27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. A student’s choice of minor and special degree requirements may result in the total number of credit hours taken to exceed the total number required to complete the degree program.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> PSCI 1330 is a prerequisite for all upper-division Political Science courses and it satisfies the American History & Government requirement in the UCA Core.

<sup>4</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>5</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

*Notes – continued*

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of Political Science](#) page in the *Undergraduate Bulletin* and your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

<sup>6</sup> Political Science majors must complete one three-credit-hour course from a minimum of four of the six Political Science subfields for a total of twelve credits; and an additional nine credits from any of the six Political Science subfields.

<sup>1</sup> This Academic Map includes 24 hours in a minor field of study. Minor requirements range from 15 to 27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. A student’s choice of minor and special degree requirements may result in the total number of credit hours taken to exceed the total number required to complete the degree program.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> PSCI 1330 is a prerequisite for all upper-division Political Science courses and it satisfies the American History & Government requirement in the UCA Core.

<sup>4</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of Political Science](#) page in the *Undergraduate Bulletin* and your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

<sup>5</sup> Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this AMAP (see Semester 8). For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, “Degree Requirements,” § 2.2.6, Bachelor of Science.

<sup>6</sup> Political Science majors must complete one three credit-hour course from a minimum of four of the six Political Science subfields for a total of twelve credits; and an additional nine credits from any of the six Political Science subfields.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

Students must complete nine credit hours (three courses) in the Public Administration issue area and six credit hours (two courses) in the Public Policy issue area. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 4.)

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> For sociology majors, SOC 1300 meets both a major requirement and the LD UCA Core requirement for the Social Science category in Critical Inquiry. See the *Undergraduate Bulletin* and consult with your major advisor or the chair of the Department of Sociology for additional information on courses that may double count in this way.

<sup>3</sup> This course is one of five required major courses that students should take in sequence. These five courses (SOC 1300, SOC 2321, SOC 3320, SOC 4330, and SOC 4360) are offered each fall and spring term (and in many cases during a summer term). Social Statistics (SOC 2321) is recommended for this sequence but students may substitute other qualified introductory statistics courses including GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, and QMTH 2330. In consultation with a departmental advisor, a student may elect to take these courses during either term.

<sup>4</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. <sup>5</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study.

*Notes – continued*

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>6</sup> This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

<sup>7</sup> The student should be aware that some major electives may also count as UD UCA Core courses. For example, Sociology majors may take either SOC 3310 Racial and Ethnic Relations or SOC 3361 Gender and Society, offered each fall and spring term, and count it toward elective credits in the major and toward upper-division UCA Core requirements in both the Diversity and Responsible Living categories [UD UCA Core: D, R]. Furthermore, SOC 3320 [UD UCA Core: C, I] and SOC 4360 [UD UCA Core: Z], required major courses, double count in this way (see notations in this AMAP). Students should review the Department of [Sociology, Criminology, and Anthropology](#) page in the *Undergraduate Bulletin* and the sociology major checklist or consult with their major advisor for additional information on these requirements.

**If “yes,” specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> This course is one of five required major courses that students should take in sequence. These five courses (SOC 1300, SOC 2321, SOC 3320, SOC 4330, and SOC 4360) are offered each fall and spring term (and in many cases during a summer term). Social Statistics (SOC 2321) is recommended for this sequence but students may substitute other qualified introductory statistics courses including GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, and QMTH 2330. In consultation with a departmental advisor, a student may elect to take these courses during either term.

<sup>3</sup> For sociology majors, SOC 1300 meets both a major requirement and the LD UCA Core requirement for the Social Science category in Critical Inquiry. Consult with your major advisor or the chair of the Department of Sociology for additional information on courses that may double count in this way.

<sup>4</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 6.)

<sup>5</sup> This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

Notes – *continued*

<sup>6</sup> The student should be aware that some major electives will also fulfill UD UCA Core requirements. For example, Sociology majors may take either SOC 3310 Racial and Ethnic Relations or SOC 3361 Gender and Society, offered each fall and spring term, and count it toward elective credits in the major and toward upper-division UCA Core requirements in both the Diversity and Responsible Living categories [UD UCA Core: D, R]. Furthermore, SOC 3320 [UD UCA Core: C, I] and SOC 4360 [UD UCA Core: Z], required major courses, double count in this way (see notations in this AMAP). Students should review the [Sociology, Criminology, and Anthropology](#) page in the *Undergraduate Bulletin* and the sociology major checklist or consult with their major advisor for additional information on these requirements.

<sup>7</sup> SOC 2321 Social Statistics may be used to complete one-half of the mathematics option for the BS Special Degree Requirement. An additional and approved MATH course will be required to complete the requirement under this option. If other choices are made to complete the BS requirement, the total number of general electives will need to be adjusted. For a description of the options for fulfilling this requirement, see <https://uca.edu/ubulletin/general-policies-information/degree-requirements/#sec020206>.

<sup>2</sup> Students are required to complete a minimum of 4 hours (one at each level) but can repeat each level twice.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

<sup>4</sup> This AMAP includes eight total credit hours for the BS Science/Math requirement, although the requirement can be fulfilled with six hours if math courses are selected. Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this AMAP. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, “Degree Requirements,” § 2.2.6, Bachelor of Science.”

<sup>5</sup> Choose from Stage Lighting, Costume Design, or Scene Design.

<sup>6</sup> A total of 9 elective hours are required for the major. Elective courses are listed in the *Undergraduate Bulletin* and on the Theatre checklist.

<sup>7</sup> Theatre History is offered every other year. Theatre History I is offered in the Fall of odd years (e.g., Fall 2021).

<sup>8</sup> This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

<sup>9</sup> Theatre History is offered every other year. Theatre History II is offered in the Spring of even years (e.g., Spring 2022).

- These three courses have a prerequisite requirement of a 2.0 or better cumulative grade point average on the most recent attempts of the following courses: ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, and QMTH 2330.
- All three courses plus ACCT 3315 must be taken before MGMT 4347.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a Lower-Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the Upper-Division (UD) UCA Core. General Business majors will satisfy the UCA Core Upper Division Requirements by completing the following courses: FINA 3330 Managing Finance and Capital [UD UCA Core: I], MGMT 3340 Managing People and Work [UD UCA Core: D, R], a designated upper-division UCA Core communication course of their choice, and MGMT 4347 Managing Policy and Strategy [UCA Core: Z (Capstone)].

<sup>3</sup> Students must select one course from each category to meet UCA Core requirements.

- Life Science
- American History and Government\*
- Fine Arts/Humanities\*
- Diversity and Creative Works\*

Notes – *continued*

- Responsible Living\*
- ECON 2310 (Diversity in World Cultures)\*

\*First Year Seminar courses may be available in these areas.

<sup>4</sup> All BBA students must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements.

<sup>5</sup> Completion of eight (8) College of Business upper-division courses in at least three (3) degree areas is required for the General Business major.

<sup>6</sup> FINA 3330, MGMT 3340, MGMT 3344, MKTG 3350. These courses have a prerequisite requirement of an average grade of C or better in the following courses ACCT 2310, ACCT 2311 or CSCI 2330, ECON 2320, ECON 2321, QMTH 2330.

<sup>7</sup> Completion of an upper-division UCA Core course in Effective Communications (C) is required. Using one of the eight required General Business Major Courses to fulfill this is acceptable, so long as it is designated a “C” course. Every major in the College of Business has a least one “C” designated course. Alternatively, any upper-division UCA Core “C” course (anywhere on campus) is acceptable, but one must still take eight General Business Major courses.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_ No \_\_\_\_ Yes

If “yes,” specify: \_\_\_\_\_

**Notes**

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “LD UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. Note: Students may be able to take a LD UCA Core course required for the major as a FYS option. The student would then substitute another LD UCA Core course in its place on the AMAP. For example, if a student took ECON 2310 as a FYS, they would need to replace ECON 2310 on the AMAP with a different LD UCA Core course. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (Please see endnotes 4 and 5 for additional LD Core information related to this major.) Students will satisfy Upper Division Core requirements for Critical Inquiry, Communication, Diversity, and the Capstone by completing the following required major courses: ECON 3302 Intermediate Macroeconomics [UD UCA Core: I, C], ECON 4335 International Trade [UD UCA Core: D], and ECON 4380 Senior Seminar in Economics [UD UCA Core: Z (capstone)]. Students may

Notes – *continued*

choose from major electives, minor courses, or general electives to meet the UCA Core Responsible Living upper-division requirement. Possible major elective alternatives with the Responsible Living Designation are: ECON 3310 Public Finance [UD UCA Core: R] or ECON 3330 Environmental Economics [UD UCA Core: R].

<sup>3</sup> Students must complete a course at the 2000 level or higher in a foreign language (or score an equivalent score on the placement exam) for a Bachelor of Arts degree. A student with no previous experience in a foreign language normally will enroll in 1310. Students with prior experience in a language are strongly encouraged to take the departmental placement test before enrolling in their first course. **Note:** Guided Study (i.e., correspondence) courses will not be accepted as transfer credit in fulfillment of the foreign language requirement. Students who have not previously received undergraduate credit in a given foreign language at a college or university may receive credit by examination in that language. Such credit is limited to a maximum of six hours in one language or twelve hours within the department and is granted by fulfilling the following criteria:

- Achievement of a satisfactory score on a placement examination administered by the Department of Languages, Linguistics, Literatures, and Cultures.
- Satisfactory completion, with a minimum grade of B, of the next foreign language course above the level for which credit by examination is to be awarded.
- In cases of unusually thorough preparation, or in the case of international students, exemption may be sought from the Department of Languages, Linguistics, Literatures, and Cultures.

A student who has met the foreign language requirement in fewer hours than listed on the AMAP must substitute a 3-hour general elective for any foreign language course that is not needed.

<sup>4</sup> A student must take either ECON 1310 (LD UCA Core Responsible Living) or ECON 2310 (LD UCA Core Diversity in World Cultures) from the LD UCA Core. A student will meet the LD UCA Core Critical Inquiry Social Science requirement by taking either ECON 2320 or ECON 2321.

<sup>5</sup> Students may take their LD UCA Core Science classes in any space designated LD UCA Core course. However, at least one Natural Science course must be completed in the first year.

<sup>6</sup> This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

<sup>7</sup> **Economics Major Global Electives Course Options:**

The student must take three upper division economics major elective courses.

The student must also select two additional classes from the following list of classes:

- **Economics courses:** Any 3000- or 4000-level Economics course not used elsewhere on the academic map
- **Finance courses:** FINA 3340, FINA 4333
- **Geography courses:** GEOG 3300, 3305, 3315, 3320, 3335, 3345, 3346, 3381, 3385

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Upper-Division (UD) Core. Students pursuing the BBA in Economics International Trade will satisfy the UCA Core Upper Division Requirements by completing the following courses: FINA 3330 Managing Finance and Capital [UCA Core: I], MGMT 3340 Managing People and Work [UCA Core: D, R],

Notes – *continued*

ECON 3302 Intermediate Macroeconomics [UCA Core: C, I], and MGMT 4347 Managing Policy and Strategy [UCA Core: Capstone].

<sup>3</sup> Students must select one course from each category to meet UCA Core requirements.

- Physical Science
- Life Science
- American History and Government\*
- Fine Arts/Humanities\*
- Diversity and Creative Works\*
- Responsible Living\*
- ECON 2310 (Diversity in World Cultures)\*

\*First Year Seminar courses may be available in these areas.

Students may use either MATH 1390, MATH 1395, or any lower division UCA Core approved calculus class such as MATH 1496 to meet the lower division UCA core requirements depending upon their initial placement. Students who take MATH 1395 or MATH 1496 to meet their lower division core requirement will have an additional 3 hours of general electives.

<sup>4</sup> All BBA students must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements. Students who initially place in MATH 1395 or MATH 1496 will be able to use the course to meet the BBA degree requirements and the UCA Core requirements.

<sup>5</sup> Students may take their UCA Core Science classes in any space designated UCA Core course. However, at least one Natural Science course must be completed in the first year.

<sup>6</sup> In order for a BBA-seeking student to enroll in more than nine (9) hours of upper-division courses in the College of Business, they must meet the following progression requirements:

1. Obtain a 2.0 or higher cumulative grade point average, and
2. Complete ACCT 2310, 2311, ECON 2320, 2321, QMTH 2330 with a 2.0 grade point average in these five courses.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. Note: Students may be able to take a LD UCA Core course required for the major as a FYS option. The student would then substitute another LD UCA Core course in its place on the AMAP. For example, if a student took ECON 2320 as a FYS, they would need to replace ECON 2320 on the AMAP with a different LD UCA Core course. Students pursuing the BS Economics degree will meet the LD UCA Core Critical Inquiry Social Science requirement by taking ECON 2320 or ECON 2321.

Students pursuing a BS in Economics degree will satisfy the upper-division (UD) UCA Core requirements for Critical Inquiry, Communication and the Capstone by completing the following required major courses: ECON 3302 Intermediate Macroeconomics [UD UCA Core: I, C] and ECON 4380 Senior Seminar in Economics [UD UCA Core: Z (capstone)]. Students may choose from major electives, minor courses, or general electives to meet the UD UCA Core Responsible Living upper-division requirement and the UD UCA Core Diversity Requirement. Possible major elective alternatives with the Responsible Living Designation are: ECON 3310 Public Finance [UD UCA Core: R] or ECON 3330 Environmental Economics [UD UCA Core: R]. A possible major elective with the Diversity Designation is ECON 4335 International Trade [UD UCA Core: D].

Notes – *continued*

<sup>3</sup> Students completing a bachelor of science in Economics must complete one additional year (2 courses) of additional MATH courses at or above the level of MATH 1496 to meet the requirements for the BS degree. Most economics majors will use MATH 1496 and MATH 2311 to meet this requirement. However, students who use MATH 1496 to meet their lower-division UCA Core requirements will need to take MATH 2311 and an additional MATH course chosen in consultation with their major advisor.

<sup>4</sup> Students may take their LD UCA Core Science classes in any space designated LD UCA Core course. However, at least one Natural Science course must be completed in the first year.

<sup>5</sup> This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

<sup>6</sup> A student must complete four economics major elective courses from the following list: ECON 3310 Public Finance (UD UCA Core: R), ECON 3315 Labor Economics, ECON 3330 Environmental Economics (UD UCA Core: R), ECON 3382 Internship in Economics, ECON 4320 Comparative Economic Systems, ECON 4335 International Trade (UD UCA Core: D), ECON 4340 Managerial Economics, ECON 4360 Health Care Economics, ECON 4375 Economics of Developing Nations, ECON 4382 Internship in Economics, FINA 3340 Money, Banking, and Financial Markets, FINA 4332 Investments, FINA 4333 International Finance. **Students should check the *Undergraduate Bulletin* for details about prerequisites for these courses.**

During the first year, a student must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the Upper-Division (UD) UCA Core.

Notes – *continued*

Finance Majors will satisfy the UCA Core upper-division requirements by completing the following courses: FINA 3330 Managing Finance and Capital [UD UCA Core: I], MGMT 3340 Managing People and Work [UCA Core: D, R], FINA 4336 Advanced Financial Management [UD UCA Core: C], and MGMT 4347 Managing Policy and Strategy [UD UCA Core: Z (capstone)].

**General Note**

A master's degree is required for licensure in speech-language pathology. To practice as a speech-language pathologist in Arkansas and other states, individuals must have a master's degree and be licensed. To be licensed, individuals must have the Certificate of Clinical Competence from the American Speech-Language-Hearing Association. To obtain this certificate, individuals must successfully complete a master's degree, pass a national examination, and complete a clinical fellowship year. The clinical fellowship year is typically completed during the first year the graduate is working as a speech-language

pathologist. The master's program takes two full years to complete. Applications for the UCA master's program are submitted in January of the student's senior year. The program starts in the Fall.

## Notes

<sup>1</sup> A minor is not required. In lieu of a minor, students must complete approximately 22 hours of electives across related disciplines approved by the major academic advisor.

<sup>2</sup> The program requires a 2.75 minimum cumulative GPA and a 3.0 minimum major GPA. If a student receives a D or F in any CSD course, the course must be repeated.

<sup>3</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>4</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

<sup>5</sup> COMM 1300 and SPCH 1300 are the same course. Take only one of them.

<sup>6</sup> Students must complete at least one Humanities (HUM) and one Fine Arts (FA) course as part of the LD UCA Core requirements.

<sup>7</sup> This course is offered in both Fall and Spring. The student must meet prerequisites to register.

<sup>8</sup> Suggested electives: Psychology: PSYC 2350, 2370, 3310, 3325, 3351, 4320, 4325, 4351, and 4352; Physics: PHYS 1400 and 1405; Linguistics: LING 2320, 3115, and 3325; Biology: BIOL 2490 and 3370.

<sup>9</sup> This degree plan assumes eight (8) hours of lab science coursework beyond the lower-division UCA Core requirement to satisfy the BS special degree requirements (science option).

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> A major grade point average of 2.0 or higher on a 4.0 scale is required to complete the degree.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> It is recommended that students complete an FYS section of EXSS 1320. If an FYS section of the course is not available, students may complete a non-FYS section of EXSS 1320. Students should consult with their advisor to ensure that they complete an FYS section of a course from either Critical Inquiry courses or Social Science courses (designated SS) within Diversity/World Cultures.

<sup>4</sup> Must be animal biology, not botany. Note: BIOL 1440 requires the following prerequisites: High School chemistry or CHEM 1301 (or above) and a composite ACT score of 21 or higher OR BIOL 1400 and CHEM 1301 (or above), both with a grade of C or higher. Students not meeting the prerequisite requirements must have permission of the Biology department chair prior to enrollment.

<sup>5</sup> COMM 1300 and SPCH 1300 are the same course. Take only one of them.

<sup>6</sup> CHEM 1402 and 1450 require the following prerequisites: ACT mathematics score of at least 21 or corequisite/prerequisite of MATH 1390. It is recommended that students have taken and passed high school chemistry or have completed CHEM 1301 with a C or better.

Notes – *continued*

<sup>7</sup> Students must complete at least one Humanities (HUM) and one Fine Arts (FA) course as part of the lower-division UCA Core, one from the Diversity in Creative Works category and the other from the Critical Inquiry, Fine Arts/Humanities category. One course must be completed in the second semester and the other course must be completed in the third semester. Note that the following humanities courses have prerequisites: CHIN 2320 Intermediate Chinese II, FREN 2320 Intermediate French II, GERM 2320 Intermediate German II, SPAN 2320 Intermediate Spanish III.

<sup>8</sup> Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this AMAP. For further details about the BS Science/Math requirement, see the Undergraduate Bulletin, "Degree Requirements." The program recommends that students complete two 4-credit hour science courses (Biology, Chemistry, or Physics) beyond the LD UCA Core requirements to fulfill the special degree requirements. <sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> This course is required for students seeking admission to the Doctor of Occupational Therapy program at UCA. See the [Graduate Bulletin](#) for details.

<sup>3</sup> MATH 1390 College Algebra is a prerequisite for CHEM 1402 and CHEM 1450.

<sup>4</sup> COMM 1300 and SPCH 1300 are the same course. Take only one of them.

<sup>5</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

<sup>6</sup> PSYC 1300 is a prerequisite to PSYC 4320 and CHEM 1402 or 1450 are recommended prerequisites to BIOL 3406. Both PSYC 4320 and BIOL 3406 are required for admission to the Doctor of Occupational Therapy program.

<sup>7</sup> The student must complete 42 credit hours of FACS, IDSN, or NUTR courses selected in consultation with a major advisor.

Notes – *continued*

<sup>8</sup> Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this Academic Map. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, “Degree Requirements,” § 2.2.6, Bachelor of Science.

<sup>9</sup> The student will need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. The student must complete upper-division UCA Core courses that address each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may address up to two areas. See annotations in this Academic Map and the [Department of Family and Consumer Sciences page](#) in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map and consult the *Undergraduate Bulletin* and your academic advisor for courses that fulfill these UD UCA Core requirements.

<sup>5</sup> Approved introductory statistics courses: GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, QMTH 2330, SOC 2321.

**General Note**

All courses with an asterisk (\*) and all nursing courses (NURS) listed in this Academic Map (AMAP) must be completed with a minimum grade of "C." The course requirements detailed in this AMAP are specific to the UCA BSN degree program. Students seeking admission to another nursing program or other UCA majors are responsible for knowing the specific requirements for that program.

**Notes**

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> Courses listed for Year 1 and Year 2 are prerequisites to the nursing major. Admission to UCA as a pre-nursing major does not guarantee admission to the nursing major, which begins in summer Year 3. Students must apply and be accepted to the major. Applications are available by October 1 and are due November 15. See [uca.edu/nursing](https://uca.edu/nursing) for a complete list of major admission requirements and degree requirements.

Notes – *continued*

<sup>3</sup> BIOL 1410 and 2410 or equivalent courses will meet the UCA BSN degree requirements. Parts I and II of the sequence must both be completed at the same institution.

<sup>4</sup> One of these courses should be taken as a First Year Seminar (FYS).

<sup>5</sup> See appropriate choices, alternatives, or substitutions for the lower-division UCA Core (LD UCA Core) under “UCA Core” in the *Undergraduate Bulletin*. The student must complete upper-division UCA Core (UD UCA Core) requirements as specified in this AMAP.

<sup>6</sup> Although CHEM 1402 is preferred, CHEM 1450 will also meet the UCA BSN degree requirement and the LD UCA Core Physical Science requirement.

<sup>7</sup> FACS 2341 or PSYC 2370 are accepted for the UCA BSN degree. Some nursing programs which require a development course do not accept FACS 2341. If applying to another nursing program, the student should check with that program regarding its requirements.

<sup>8</sup> Prior to Year 3 Summer 2, all non-nursing courses should be completed. Because of the high number of clinical hours and the variable clinical times required in this semester, students will be unable to enroll in other courses. If additional hours are required, an online course without any synchronous meetings should be selected. Many full-time enrollment requirements for financial aid and scholarship requirements are reduced for the last semester of a student's program. Students should see the Financial Aid office for details regarding their aid program.

**Notes**

<sup>1</sup> A cumulative grade point average of 2.7 or higher on a 4.0 scale is required for admission, retention, and completion of the degree.

<sup>2</sup> A major in Physical Education (K-12) is required. A major grade point average of 2.7 or higher on a 4.0 scale is required for admission, retention, and completion of the degree. The major consists of 45 credit hours. A grade of C or better is required in all major courses.

<sup>3</sup> This Academic Map includes 11 credit hours in required Health Education courses. A grade of C or better is required in all Health Education (H ED) courses. While H ED 2201 First Aid is the only required H ED pre-admission course, a student's grade point average for admission to the Physical Education Teacher Education (PETE) program will be calculated on all required H ED courses completed. First aid and CPR certificate is required until graduation. See Health Education in the current *Undergraduate Bulletin* for minor.

<sup>4</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>5</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Courses may be used only once to satisfy the UCA Core. If the ACT sub-score in Reading, English, or Mathematics is below 19, remediation is required before enrolling in certain UCA Core courses. Students needing remediation in reading or writing may not enroll in an FYS until they have completed their remediation. Students must take at least one course in the Fine Arts (designated FA) and one course in Humanities (designated HUM) as part of the lower division core requirements.

<sup>6</sup> WRTG 1310 must be taken on initial enrollment unless the requirement was already met or remediation is required.

<sup>7</sup> This course (or an approved alternative) is a required PETE program admission course. Students must earn a C or better.

<sup>8</sup> COMM 1300 and SPCH 1300 are the same course. Take only one of them.

---

Notes – *continued*

<sup>9</sup> BIOL 1440 requires the following prerequisites: High school chemistry or CHEM 1301 (or above) and a composite ACT score of 21 or higher OR BIOL 1400 and CHEM 1301 (or above) with grades of C or higher. Students not meeting the prerequisite requirements must have permission of the Biology Department Chair prior to enrollment.

<sup>10</sup> Students must submit an electronic or hard copy of the entire score report booklet for each PRAXIS Core test taken (Reading, Writing and Math) regardless of the score earned. To receive a grade in PETE 2300, the scoring booklet must be submitted to the instructor. Failure to pass PRAXIS Core tests will delay admission to the PETE program and completion of the degree.

<sup>11</sup> Students must earn a C or better.

<sup>12</sup> In addition to PSYC 1300 General Psychology, students must complete an additional Social Science course (designated SS) in either the Diversity in World Cultures or in Responsible Living. H ED 2320 Mental Health in Responsible Living category fulfills this requirement and is required by the H ED.

<sup>13</sup> Course requires admission to the PETE program.

<sup>14</sup> Prerequisite required (C or better in PHYS 1400 or CHEM 1402 or 1450).

<sup>15</sup> Prerequisite required (C or better in EXSS 2381).

<sup>16</sup> Prerequisite required (C or better in EXSS 3303)

<sup>17</sup> Students are required to submit a copy of their registration for PRAXIS II Subject Area Assessment tests in order to receive a grade in PETE 4380

<sup>18</sup> Students are required to take PRAXIS II Subject Area Assessment tests PRIOR to enrolling in PETE 4690 and PETE 4691. Students must submit an electronic or hardcopy of the entire score report booklet for each PRAXIS II tests taken regardless of the score earned.

**To be completed by the advisor when an Eight-Semester plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> If 15 semester hours are needed to comply with a scholarship, it is the student’s responsibility to add 1-3 hour(s) of a general elective course or lower-division UCA Core course to the semester.

<sup>3</sup> MATH 1390 or equivalent is required to enroll in MATH 1491 or MATH 2311. A “C” or better in MATH 1390 and a “C” or better in MATH 1392, or a “C” or better in MATH 1580, or equivalent is required to enroll in MATH 1496. Student should take MATH 2311 Statistical Methods prior to completing 30 semester hours.

<sup>4</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See notations in this Academic Map and the [Department of Biology](#) page in the *Undergraduate Bulletin* for courses in the major that fulfill these requirements.

<sup>5</sup> This degree requires 28 hours of Biology Elective courses. The plan is designed with the minimum number of courses required to meet degree requirements. However, students may elect to take Biology elective courses that are not lab classes. The student must take a **minimum** of 4 Biology elective lab courses (16 credit hours). The remaining 12 hours of Biology elective courses may be any approved Biology elective course. See appropriate choices under the [Department of Biology](#) in the *Undergraduate Bulletin*.

<sup>6</sup> If students combine the UD UCA Core Diversity (D) and Responsible Living (R) requirement into one course or if Biology elective courses are used in place of the UD UCA Core or Capstone requirements, these courses must be replaced with general electives in order to meet the minimum 120 credit hours required for graduation.

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living (one of the LD UCA Core courses in the second semester must be designated FYS).

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map and consult the *Undergraduate Bulletin* and your academic advisor for courses that fulfill these upper-division requirements.

<sup>3</sup> This degree program requires a minimum of 12 credit hours in Lab Sciences in Biology, Chemistry, and Physics. Course sets that satisfy the requirement include BIOL 1440 and 1441 (Principles of Biology I and II), CHEM 1450 and 1451 (College Chemistry I and II), PHYS 1410 and 1420 (College Physics 1 and 2), and PHYS 1441 and 1442 (University Physics 1 and 2). A student must take a sequence (8 credits) from one of the three subject areas and one course from an area outside of the sequence.

<sup>2</sup> All Cybersecurity majors must take either PSCI 1330 or PSCI 2300, and those in the Cybersecurity Strategic Policy concentration must take both. Both courses are, however, prerequisites for PSCI 3316, a requirement in all three concentrations, so all majors will ultimately need to complete both. Because each of these courses meets a different requirement of the lower-division UCA Core, we therefore recommend completing both during the first year, thus simultaneously meeting prerequisite requirements for PSCI 3316 and two requirements of the LD UCA Core. In this AMAP, then, the choice in semester 2 should be guided by which course was taken in semester 1.

<sup>3</sup> Student may choose one of the following courses to satisfy the statistics requirement: GEOG 2330 (Quantitative Methods), MATH 2311 (Statistical Methods), PSCI 2312 (Statistical Methods Political Analysis), PSYC 2330 (Psychological Statistics), QMTH 2330 (Business Statistics), or SOC 2321 (Social Statistics). <sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students are encouraged to choose a course in economics to fulfill either Lower Division Core social science category (ECON 2320 or 2321) or their responsible living category (ECON 1310) requirements.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Consult annotations in this Academic Map, the *Undergraduate Bulletin*, and your academic advisors for appropriate courses with which to fulfill UD UCA Core requirements.

<sup>3</sup> Restricted elective (at least 10 hours): Choose from CHEM 3150, CHEM 3360, CHEM 4121, CHEM 4320, CHEM 4335, CHEM 4380, CHEM 4450, CHEM 4460, BIOL 3403, ENVR 4465, GEOG 4304, GEOG 4305, ECON 3330, and a maximum of 2 credits of research in the College of Natural Science and Mathematics, or 8 hours of courses that count toward a minor in mathematics, biology, physics, or geography.

<sup>4</sup> CHEM 4351 and CHEM 4152 are offered spring semester, odd years. Must be taken in semester offered.

**Notes**

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under UCA Core Requirements and LD UCA Core Check Sheet in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. PSCI 1330 is recommended for LD UCA Core: Inquiry and Analysis: American History and Government.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that will fulfill some of these requirements. For other available courses, consult the *Undergraduate Bulletin* and your academic advisor.

<sup>3</sup> Students with strong language skills may test out of the first and/or second semester of a foreign language and take the sophomore-level course immediately. See the Department of Languages, Linguistics, Literatures, and Cultures for test information. Students with no previous experience in a foreign language may need to take up to six hours of 1000-level instruction to prepare for the required course. The 1000-level courses are not included in this plan of study. It is recommended that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>4</sup> Preference is for GEOG 2330; credit for only one introductory statistics course allowed. Approved introductory statistics courses include GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, QMTH 2330, and SOC 2321.

Notes – *continued*

<sup>5</sup> A regional course is required. The student may choose one of the following: GEOG 3315 Latin America (Spring, even years), GEOG 3345 Geography of China and East Asia (Spring, odd years), GEOG 3380 Geography of Arkansas (Fall, even years), or GEOG 4390 Historical Geography of North America (Fall, odd years).

<sup>6</sup> These courses will fulfill the requirement of 12 hours of upper-division Geography courses.

<sup>7</sup> This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

<sup>8</sup> Choose 1 from GEOG 3301, GEOG 3333, GEOG 4304, GEOG 3325, or GEOG 4313.

**To be completed by the advisor when an Eight-Semester plan is accepted by the student:**

If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes

If “yes,” specify: \_\_\_\_\_

**Notes**

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. PSCI 1330 is recommended for LD UCA Core: Inquiry and Analysis: American History and Government.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that will fulfill some of these requirements. For other available courses, consult the *Undergraduate Bulletin* and your academic advisor.

<sup>3</sup> Preference is for GEOG 2330; credit for only one introductory statistics course allowed. Approved introductory statistics courses include GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, QMTH 2330, and SOC 2321.

GEOG 2330 Quantitative Methods in Geography may be used to complete one-half of the mathematics option for the BS Special Degree Requirement. An additional and approved MATH course will be required to complete the requirement under this option. If other choices are made to complete the BS requirement, the total number of general electives will need to be adjusted. For a description of the options for fulfilling this requirement, see <https://uca.edu/ubulletin/general-policies-information/degree-requirements/#sec020206>.

<sup>4</sup> A regional course is required. The student may use any one of the following: GEOG 3315 Geography of Latin America (Spring, even years), GEOG 3345 Geography of China and East Asia (Spring, odd years), GEOG 3380 Geography of Arkansas (Fall, even years), or GEOG 4390 Historical Geography of North America (Fall, odd years).

Notes – *continued*

<sup>5</sup> This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

<sup>6</sup> Choose 1 from GEOG 3301, GEOG 3333, GEOG 4304, GEOG 3325, or GEOG 4313.

<sup>7</sup> An Upper-Division Geospatial Technology course is required. The student may use any one of the following: GEOG 3319 Geographic Field Techniques (Fall), GEOG 4307 GIS in Practice: Locational Analysis & Decision Making in GIS (Spring), or GEOG 4309 GIS in Practice: Environmental Applications (Fall).

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “LD UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses in the major that will fulfill UD UCA Core requirements; for others, consult the *Undergraduate Bulletin* and your academic advisor.

<sup>3</sup> Program Requirements: PHYS 1441 and PHYS 1442 OR PHYS 1410 and PHYS 1420 OR CHEM 1450 and CHEM 1451 OR ECON 2320 and ECON 2321. Students who use the first course of the sequence for a LD UCA Core Critical Inquiry requirement (Physical Science or Social Science) will take an additional general elective instead of the program requirement in their fifth semester.

<sup>4</sup> This Academic Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 15–27 credit hours, so the student will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen minor field. Depending on a student’s choice of minor and special degree requirements, the total number of credit-hours taken may exceed the total number of credit hours required to complete the program.

<sup>5</sup> The applied mathematics major requires 24 hours of upper-division courses. The additional 16 upper-division credit hours needed to complete the degree may be met by courses in the minor field and by additional math or general electives.

<sup>6</sup> Students will need to adjust the number of general elective credit hours depending on the sequence chosen to meet the program requirements.

<sup>1</sup> The Computer Science minor is strongly encouraged. In this Academic Map, 20 credit hours are set aside for the minor. The Computer Science minor requires a minimum of 18 credit hours. Depending on the minor and courses selected, the number of general electives may need to be adjusted to bring the total credit hours in the program to 120.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> For the BS in Mathematics, this course fulfills the LD UCA Core Critical Inquiry – Quantitative requirement.

<sup>4</sup> See appropriate choices, alternatives, or substitutions designated in the UCA Core Requirements and the lower-division (LD) UCA Core Check Sheet in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

<sup>5</sup> Any one of the three courses listed here fulfills the LD UCA Core requirement in American History and Government.

<sup>6</sup> Any one of the three courses listed here fulfills the LD UCA Core requirement in Natural Sciences – Life Science.

Notes – *continued*

<sup>7</sup> Either MGMT 2301 or COMM 1300 fulfills the LD UCA Core requirement in Oral Communication. Note: COMM 1300 and SPCH 1300 are the same course. Take only one of them.

<sup>8</sup> More than one instance of this course may be taken if topics differ. Special topics may include Experimental Design, Six-Sigma Analysis, and Social Network Analysis.

<sup>1</sup> Students completing the requirements for the program are 3 hours short of completing the requirements for a minor in Mathematics.

<sup>2</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses in the major that fulfill these upper-division requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available courses.

<sup>4</sup> Major Elective and General Elective courses must be selected so that a minimum of 40 hours of credit is earned at the 3000 level or above.

**Notes**

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> Prior to completion of 30 semester hours, a student must complete a LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses that fulfill these requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available courses.

<sup>4</sup> PHYS and CHEM elective courses must be approved by the Chair of the Department of Physics and Astronomy.

<sup>5</sup> Major Elective, Minor Elective, and General Elective courses must be selected so that a minimum of 40 hours of credit is earned at the 3000 level or above.

<sup>6</sup> This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.
