Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ¹.

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for fulfilling requirements for UD UCA Core I, C, and Z. The following optional elective courses may be used to fulfill the Diversity (D) and Responsible Living (R) requirements: SOC 3310 [UD UCA Core: D, R] or SOC 3361 [UD UCA Core: D, R] (see also Note 7). Consult your academic advisor and the *Undergraduate Bulletin* for other options.

³ This course is one of six required major courses that students should take in sequence. Social Statistics (SOC 2321) is recommended for this sequence but students may substitute other qualified introductory statistics courses including GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, and QMTH 2330. Consult with your major advisor or the chair of the department for additional information.

⁴ SOC 1300 meets both a major requirement and the UCA Core requirement for the Social Science category in Critical Inquiry. Consult with your major advisor or the chair of the Department of Sociology for additional information on required courses or courses that may double count toward major and Core credit.

⁵ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will result in the consequent need to adjust the number of general electives in the plan. The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁶ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

Notes – *continued*

⁷ Criminology majors may take either SOC 3310 Racial and Ethnic Relations or SOC 3361 Gender and Society, offered each fall and spring term, and count it toward elective credits in the major and toward upper-division UCA Core (UD UCA Core) requirements in both the Diversity and Responsible Living categories.
