**Scholarship recipients:** Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

**Notes**

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*.

- During Year 1, students must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS).
- During Year 1, an approved LD UCA Core math course should be taken.

Notes – *continued*

- During Year 1 or 2, an approved LD UCA Core lab science should be taken. Students may take their UCA Core Science classes in any space designated UCA Core course. (See also Note 4.)

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Upper-Division (UD) Core. Accounting majors will satisfy the UCA Core Upper Division Requirements by completing the following courses:

FINA 3330 Managing Finance and Capital [UD UCA Core: I]  
 MGMT 3340 Managing People and Work [UD UCA Core: D, R]  
 ACCT 4317 Auditing [UD UCA Core: C]  
 MGMT 4347 Managing Policy and Strategy [UD UCA Core: Z (Capstone)]

<sup>3</sup> A student who places into MATH 1395 does not have to take MATH 1390, but takes one additional 3-hour elective. If approved by the student's advisor, CISA 2330 may be interchanged with MATH 1395. Both courses are required.

<sup>4</sup> Students must select one course from each of the following seven categories to meet LD UCA Core requirements. At least one of the seven must have a Humanities designation (HUM) and at least one of the seven must have a Fine Arts designation (FA).

- Physical Science
- Life Science
- American History and Government\*
- Fine Arts/Humanities\*
- Diversity and Creative Works\*
- Responsible Living\*

\*First Year Seminar courses may be available in these areas.

Accounting majors automatically complete three LD UCA Core courses with the business foundation: Oral communications (MGMT 2301), Diversity in World Cultures (ECON 2310), and Social Science (ECON 2320).

<sup>5</sup> Accounting majors wishing to do an accounting internship should meet with their accounting advisor early in Year 3 to discuss sequencing of upper-division accounting courses.

<sup>6</sup> FINA 3330, MGMT 3340, MKTG 3350. These courses can be interchanged in scheduling subject to the following:

- These three courses have a prerequisite requirement of a 2.0 or better cumulative grade point average on the most recent attempts of the following courses: ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, and CISA 2330.
- All three courses plus ACCT 3315 must be taken before MGMT 4347.
