Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ¹.

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² For Anthropology majors, ANTH 1302 meets both a major requirement and the UCA Core requirement for the Diversity in World Cultures category. Consult with your major advisor or the chair of the department for additional information on courses that may double count in this way.

³ This course is one of five required major courses that students should take in sequence. Three of these courses are semester-specific: ANTH 3321 (Qualitative Methods) and ANTH 4380 (Anthropological Theory) are generally available only in the fall, and ANTH 4360 (the capstone Seminar course) is only offered in the spring. Students must plan to take ANTH 4360 in the semester immediately following the completion of ANTH 4380. Social Statistics (SOC 2321) is recommended for this sequence but students may substitute other qualified introductory statistics courses including GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, and QMTH 2330. Consult with your major advisor or the chair of the department to make sure you coordinate your schedule with the proper sequence of the five required courses.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and MATH 1360 (or equivalent) should be taken in the first two years if possible.

⁵ Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. Students who have not completed a 1000-level MATH course must enroll in MATH 1360.

⁶ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

⁷ Students should complete MATH 1360 (or equivalent) before taking SOC 2321 Social Statistics.

Notes – *continued*

⁸ Anthropology majors may take either SOC 3310 Racial and Ethnic Relations or SOC 3361 Gender and Society, offered each fall and spring term, and count it toward elective credits in the major and toward upper-division UCA Core (UD UCA Core) requirements in both the Diversity and Responsible Living categories. Furthermore, ANTH 3321 and ANTH 4360, required major courses, double count in this way—for the major and for UC UCA Core (see notations in this AMAP). Students should review the Department of [Sociology, Criminology, and Anthropology](#) page in the *Undergraduate Bulletin* and the sociology major checklist or consult with their major advisor for additional information on these requirements.
