Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

The Department of Philosophy and Religion offer one Foundation Scholarship, the Mehl Philosophy and Religion Scholarship. This award is for full-time seniors majoring in philosophy and/or religious studies with a GPA of 3.0 or above. Consideration is given to financial need. You can apply on the Foundation Scholarship cycle by visiting <https://uca.edu/foundation/scholarships/>.

² MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

³ See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See also note 5.)

⁴ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study.

Notes – *continued*

If you have any prior language experience in Spanish, French, or German that is not AP language credit, please take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of your placement. If you have prior language experience in Chinese or Japanese, please email lllc@uca.edu for placement. Your placement might also qualify you to apply for "Credit by Examination"--college credit for previous coursework--after passing your first language course. Email lllc@uca.edu to learn more.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁵ Students are required to take upper-division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Religious Studies](#) program page in the *Undergraduate Bulletin* and consult your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

⁶ Students are encouraged to consider selecting a Pathway in the major to assist students in concentrating their electives according to their career interests and values. The Religious Studies Major offers three distinct Pathways for students to concentrate their studies: (1) Religion and Society; (2) Religion and the Professions; and (3) Religion and the Arts. More information about the pathways can be found on the Undergraduate Bulletin website at <https://uca.edu/ubulletin/programs-by-program/interdisciplinary/religious-studies/>.

⁷ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.
