

Academic Maps, 2022–2023

The Omnibus Collection

This omnibus document collects all available Academic Maps for students entering UCA as freshmen in academic year 2021–2022. Updates/corrections will be made to this file when updates/corrections are made to any of the plans/maps collected within it.

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <https://uca.edu/ubulletin/general-policies-information/uca-core/>
 LD UCA Core Check Sheet: <https://uca.edu/academicbulletins/ld-uca-core/>
 UD UCA Core Course List: <https://uca.edu/academicbulletins/ud-uca-core/>
 Degree Requirements: <https://uca.edu/ubulletin/general-policies-information/degree-requirements/>
 Program Description: <https://uca.edu/ubulletin/programs-by-program/interdisciplinary/aaas/>
 Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 2.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ See appropriate choices, alternatives, or substitutions under "UCA Core" in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 7.)

⁴ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of the general elective hours in this AMAP.

Notes – *continued*

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete this requirement as early as possible in their program in order not to lose fluency gained in high school.

⁵ Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. Students who have not completed a 1000-level MATH course must enroll in MATH 1360.

⁶ In selection of general electives, a student should consider the need to achieve 40 hours of coursework at the upper-division level.

⁷ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. The capstone course is AFAM 4105 Senior Interdisciplinary Capstone. Consult the *Undergraduate Bulletin* and your academic advisor for other appropriate UD UCA Core courses.

SIGNED – COLLEGE DEAN_____
DATE**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:****If applicable, has student selected a minor? Type “x” as appropriate.**_____ **No** _____ **Yes****If “yes,” specify:** _____**Notes**

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² For Anthropology majors, ANTH 1302 meets both a major requirement and the UCA Core requirement for the Diversity in World Cultures category. Consult with your major advisor or the chair of the department for additional information on courses that may double count in this way.

³ This course is one of five required major courses that students should take in sequence. Three of these courses are semester-specific: ANTH 3321 (Qualitative Methods) and ANTH 4380 (Anthropological Theory) are generally available only in the fall, and ANTH 4360 (the capstone Seminar course) is only offered in the spring. Students must plan to take ANTH 4360 in the semester immediately following the completion of ANTH 4380. Social Statistics (SOC 2321) is recommended for this sequence but students may substitute other qualified introductory statistics courses including GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, and QMTH 2330. Consult with your major advisor or the chair of the department to make sure you coordinate your schedule with the proper sequence of the five required courses.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and MATH 1360 (or equivalent) should be taken in the first two years if possible.

⁵ Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. Students who have not completed a 1000-level MATH course must enroll in MATH 1360.

⁶ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

⁷ Students should complete MATH 1360 (or equivalent) before taking SOC 2321 Social Statistics.

Notes – *continued*

⁸ Anthropology majors may take either SOC 3310 Racial and Ethnic Relations or SOC 3361 Gender and Society, offered each fall and spring term, and count it toward elective credits in the major and toward upper-division UCA Core (UD UCA Core) requirements in both the Diversity and Responsible Living categories. Furthermore, ANTH 3321 and ANTH 4360, required major courses, double count in this way—for the major and for UC UCA Core (see notations in this AMAP). Students should review the Department of [Sociology, Criminology, and Anthropology](#) page in the *Undergraduate Bulletin* and the sociology major checklist or consult with their major advisor for additional information on these requirements.

SUBJ	NUM	TITLE	SCH	ACTS
ART	4690	Art Education Internship II Directed Teaching (Student Teaching)	6	
ART	4691	Art Education Internship II Directed Teaching (Student Teaching)	6	

Notes

¹ The program is 120 semester credit hours if the student tests out of the Foreign Language prerequisites. The degree requires 45 hours of art (including 12 hours of art history), 21 hours of art education, 14 hours of professional education, 35 hours of UCA Core courses (no additional course in the Fine Arts/Humanities section of the Core is required—ART 2335 or ART 2336 fulfills the LD UCA Core requirement in Critical Analysis, Fine Arts/Humanities), and 3 hours of foreign language at the 2000 level. Art courses must follow a prerequisite structure.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in either the Diversity or the Responsible Living section of the UCA Core.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible. The student will also need to complete major courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map and consult your academic advisor for courses that will satisfy these upper-division requirements – Diversity (D), Responsible Living (R), Communication (C), Critical Inquiry (I), and the capstone experience (Z).

⁴ MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

⁵ Category A – Ceramics I, Contemporary Media in 3D, Fibers, Sculpture I.

⁶ Category B – Graphic Design I, Illustration I, Painting I, Photo I, Printmaking I, Watercolor I.

Category C -- Graphics II, III, or IV, 3D Animation, Time-Based Media, Emergent Art, Interactivity, Special Topics in Studio Art.

Notes – continued

⁷ Prerequisites for Portfolio I are ART 1210, 1220, 1230, 1270, 1280, and 1290 and 3 hours from 2335 or 2336.

⁸ Only the 2000-level Foreign Language is required (fall, Year 3); however, students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction in order to complete the 2000-level course. The hours for these lower-level courses are not included as part of the 120 hours required for the degree. Students with prior experience in a foreign language should contact the [Department of Languages, Linguistics, Literatures, and Cultures](#) to take the departmental placement test before enrolling in their first course.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order to not lose fluency gained in high school.

Teacher Education Requirements

⁹ Must be admitted to the Teacher Education Program (Gate 1) to enroll in this class.

Candidates seeking admission into the teacher education program will initiate the process for admission in the Office of Candidate Services upon completion of minimum requirements. Full admission will not be granted to candidates enrolled in prerequisite courses until those courses are successfully completed. Admission is required for enrollment in designated upper-division professional education courses.

The following minimum requirements must be met for admission to the teacher education program. Individual programs may have further requirements for admission.

- Submission of application for admission to teacher education, internship waiver, and admission affidavit. The admission affidavit states that the candidate has never been convicted of any crime that would prevent the issuance of a teaching license (Act 1313 of 1997 and Act 752 of 2001).
- Complete preliminary background check.
- A minimum cumulative 2.7 GPA on all coursework attempted or a minimum 2.5 cumulative GPA with a 3.0 or better GPA on the last 30 credit hours.
- Complete the following foundation coursework with grades of C or better:
 1. Written communication (WRTG 1310 and 1320)
 2. Oral communication (COMM 1300)
 3. Mathematics (MATH 1360 or above as required by the major)
 4. Introduction to Education
 5. EDUC 1300 for middle level and secondary major
- Successful completion of forty-five semester credit hours.
- Successful completion of candidate interview with art education faculty to determine the candidate's dispositional and academic readiness for the teacher education program.

¹⁰ Directed Teaching (Student Teaching) semester should be completed in the Spring semester when possible.

The final semester of the teacher education program consists of a one-semester full-time placement (Internship II) in an accredited and approved public school setting. During this time the candidate will be placed with a mentor teacher who is fully licensed in the candidate's major area of study. Candidates will be approved to enroll in Internship II upon successful completion of the following:

- Minimum cumulative and major GPA of 2.7.
- Acceptable scores on the summative performance evaluation from Internship I.
- Submission of scores on the Praxis subject-area assessment.
- Completion of all major and professional education requirements with a grade of C or better.
- Clear criminal history and child maltreatment background checks.
- Demonstrate appropriate dispositions as measured by College of Education rubric.

Program Exit Requirements:

- Minimum cumulative and major GPA of 2.7.
- Satisfactory completion of program key assessments.
- Submission of scores on the Praxis Principles of Learning and Teaching or subject-specific pedagogy exam.

Notes – *continued*

- Completion of Internship II with a grade of C or better.
- Earned baccalaureate degree.

Note: Completion of the degree does not satisfy all requirements for licensure from the state. Successful completion of both the content area exam and the PLT are required for Art Education (K–12) licensure.

Academic Map: Art, Art History

Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.¹

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (https://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin's* UCA Lower-Division Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (https://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 2.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ The program requires 45 hours of art (39 credit hours in art history and 6 credit hours in studio), 38 hours of UCA Core courses (see note 3), 3 hours of foreign language at the 2000 level, and a minor. Art courses must follow a prerequisite structure. To fulfill the minimum required 120 hours needed for the degree, students may use 6 hours of foreign language prerequisites, if needed, and minor or elective courses, or a combination of these. See additional information about minors and foreign language prerequisites below.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in either the Diversity or the Responsible Living section of the UCA Core.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ Fulfills the LD UCA Core requirement in Critical Analysis, Fine Arts/Humanities (FA).

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the

Notes – *continued*

upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

⁵ MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

⁶ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for the 2000 level course that is required for the degree (Fall, Year 3). Students with prior experience in a foreign language should contact the [Department of Languages, Linguistics, Literatures, and Cultures](#) to take the departmental placement test before enrolling in their first course.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order to not lose fluency gained in high school.

⁷ This Academic Map (AMAP) includes 24 hours in the minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected and courses needed to meet the foreign language requirement, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP. Please note: art studio may not serve as a minor for this degree.

⁸ ART 4302 requires a written proposal submitted for departmental approval the semester prior to enrollment. Please check Department of Art website for submission deadlines in fall and spring semester.

Notes

¹ The program requires 80 hours of art and art history, 35 hours of UCA Core courses (a course in the Fine Arts/Humanities section of the Core is not required: ART 2335 or 2336 fulfills the LD Core requirement in Critical Analysis, Fine Arts/Humanities). Art courses must follow a prerequisite structure. Students with a 2.5 cumulative GPA and 3.25 major GPA on a minimum of 24 hours of art may apply for entrance into the BFA program after successfully completing SMAI (Sophomore Major Advancement Interview). Students should submit application for acceptance into the BFA program in the spring of the sophomore year to be on track for graduation.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in either the Diversity or the Responsible Living section of the UCA Core.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible.

Notes – continued

The student will also need to complete major or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Upper-Division (UD) UCA Core includes Communication (C), Critical Inquiry (I), Diversity (D), Responsible Living (R), and a Capstone experience (Z). See the [Department of Art & Design](#) page in the *Undergraduate Bulletin* and annotations in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

⁴ MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

⁵ Students with scholarships need to be aware of the required number of credits to maintain their scholarship eligibility. There will be 30 hours completed in the Fall and Spring semesters of the sophomore year.

⁶ Category A – Sculpture I, Ceramics I, Fibers, Contemporary Media in 3D, 3D Animation, Special Topics in Studio Art.

⁷ Category B – Photography I, Illustration I, Painting I, Watercolor I, Printmaking I, Graphic Design I, Time-Based Media, Special Topics in Studio Art.

⁸ Prerequisites for ART 2140 Portfolio I are ART 1210, 1220, 1230, 1270, 1280, and 1290 and to be enrolled in 3 hours from 2335 or 2336.

⁹ Category C – Digital Photography, Graphic Design I, Graphic Design II, Graphic Design III, Graphic Design IV, 3D Animation, Time-Based Media, Emergent Art, Interactivity, Special Topics in Studio Art.

¹⁰ ART 4V75 prerequisite: Submission of written proposal and departmental approval in the semester prior to enrollment. Please check the Department of Art website for submission deadlines in fall and spring semester.

¹¹ ART 4300 and 4301 BFA Studio Practicum are offered each fall and spring. Students should enroll in ART 4300 first. ART 4300 prerequisite: Submission of written proposal and departmental approval in the semester prior to enrollment. Please check the Art Department website for submission deadlines in fall and spring semester.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See the [School of Communication](#) page in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

³ MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

⁴ This Academic Map (AMAP) includes 24 hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the Minor selected, the student will need to adjust the number of general electives and Minor elective credit hours in this plan.

⁵ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of the general elective hours in this AMAP.

Students who have prior language experience in Spanish, French, or German that is not AP language credit should take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of their placement. If they have prior language experience in Chinese or Japanese, students should email lllc@uca.edu for placement. A student’s placement might also qualify them to apply for “Credit by Examination”—college credit for previous coursework—after passing their first language course. Email lllc@uca.edu to learn more.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² MATH 1360 (or equivalent) should be completed within the first two semesters at UCA. MATH 1360 (or equivalent) must be completed before taking SOC 2321 (Social Statistics).

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 7.)

⁴ This course is one of six required major courses that students should take in sequence. Five of these six courses (SOC 1300, CRIM 2300, SOC 2321, SOC 3320, and CRIM 4360) are offered each Fall and Spring. The sixth required course, CRIM 3370 is normally available only in the Fall and Summer semesters. Social Statistics (SOC 2321) is recommended for this sequence, but students may substitute other qualified introductory statistics courses including GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, and CISA 2330. Consult with your major advisor or the chair of the department for additional information.

⁵ SOC 1300 meets both a major requirement and the UCA Core requirement for the Social Science category in Critical Inquiry. Consult with your major advisor or the chair of the Department of Sociology for additional information on required courses or courses that may double count toward major and Core credit.

⁶ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

⁷ Criminology majors may take either SOC 3310 Racial and Ethnic Relations or SOC 3361 Gender and Society, offered each fall and spring term, and count it toward elective credits in the major and toward upper-division UCA Core (UD UCA Core) requirements in both the Diversity and Responsible Living categories.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² CRWR 2310 Introduction to Creative Writing is a prerequisite for all other Creative Writing courses.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See the [Department of Film, Theatre, and Creative Writing](#) page in the Undergraduate Bulletin and consult your academic advisor for courses in the major or related courses that will fulfill these requirements.

⁴ MATH 1360 may be taken in either the first or the second semester of the first year. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360.

⁵ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of the general elective hours in this AMAP.

Students who have prior language experience in Spanish, French, or German that is not AP language credit should take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of their placement. If they have prior language experience in Chinese or Japanese, students should email lllc@uca.edu for placement. A student’s placement might also qualify them to apply for “Credit by Examination”—college credit for previous coursework—after passing their first language course. Email lllc@uca.edu to learn more.

Notes – *continued*

⁶ Students may choose any Creative Writing Forms course. The “forms” class is a prerequisite for the corresponding “workshop” class. The major requires 2 separate “forms” courses and 2 separate “workshop” courses. The student may take additional “forms” and “workshop” courses in other genres to fulfill other major electives.

⁷ This Academic Map (AMAP) includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

⁸ Students must have completed 9 hours in CRWR courses before enrolling in a Topics course. Students must take 2 separate “topics” courses to fulfill the major electives.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

Notes – continued

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. It is strongly recommended that English majors take core courses with ENGL prefixes where possible. If that is not possible, courses with the following prefixes are recommended: ANTH, AFAM, HIST, LING, PHIL, PSCI, RELG, SOC, WLAN.

³ This requirement may be fulfilled with courses from SPAN, FREN, GERM, CHIN, or JAPN at the 2000 level or higher. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of the general elective hours in this AMAP.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁴ Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. Students who have not completed a 1000-level MATH course must enroll in MATH 1360.

⁵ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

⁶ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of English](#) page in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

⁷ This course serves as a capstone for the English major and also for the UCA Core capstone requirement.

Program Description: <https://uca.edu/ubulletin/colleges-departments/ca/english/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin*'s Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin*'s ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ¹.

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² Satisfies “Inquiry and Analysis: Fine Arts/Humanities” UCA Core requirement. This course or a World Literature course (ENGL 2305 or 2306) should be taken as “First Year Seminar.”

³ This requirement may be fulfilled with courses from SPAN, FREN, GERM, CHIN, or JAPN at the 2000 level or higher. Students with no previous experience with a foreign language may need to enroll in up to six additional hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁴ Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. Students who have not completed a 1000-level MATH course must enroll in MATH 1360.

⁵ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. It is strongly recommended that English majors take core courses with ENGL prefixes where possible. If that is not possible, courses with the following prefixes are recommended: ANTH, AFAM, HIST, LING, PHIL, PSCI, RELG, SOC, WLAN.

Notes – *continued*

⁶ Satisfies “Diversity in World Cultures” LD UCA Core requirement. Either World Literature (ENGL 2305/2306) or Film and Literature (ENGL 1355) should be taken as “First Year Seminar.”

⁷ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See this Academic Map and the [Department of English](#) page in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

⁸ These courses require formal admission to the Teacher Education program.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ This Academic Map (AMAP) includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ MATH 1360 may be taken in either the first or the second semester of the first year. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

⁵ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of the general elective hours in this AMAP.

Students who have prior language experience in Spanish, French, or German that is not AP language credit should take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of their placement. If they have prior language experience in Chinese or Japanese, students should email lllc@uca.edu for placement. A student’s placement might also qualify them to apply for “Credit by Examination”—college credit for previous coursework—after passing their first language course. Email lllc@uca.edu to learn more.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ This Academic Map includes 24 credit hours in the Minor field of study or in Interest Areas (guided general electives: see program information in the *Undergraduate Bulletin* for options). Minor requirements range from 15 to 26 credit hours. If choosing the minor option then, and depending on the minor selected, the student may need to adjust the number of general elective and minor elective credit hours in this plan.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ HIST 2320 is a prerequisite for the Internship in Public History (HIST 4392).

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core (see note 9).

⁵ A total of 9 hours required from the following options. These hours are reserved in Semesters 1, 3, and 4 but may be completed at any point. Work with your academic advisor to adjust your schedule as needed.

- 3–9 hours of foreign language. Students with prior language experience in any foreign language taught at UCA should take the free language placement exam (uca.edu/wlan/placement) before their first semester and begin in the

Notes – *continued*

level of their placement. A student who has studied a foreign language in high school may receive university credit under certain conditions. See the Department of Languages, Linguistics, Literatures, and Cultures section of this bulletin (<https://uca.edu/ubulletin/colleges-departments/ca/languages/>). Note that the following language courses will not count toward that requirement: 2V12 and 2340. Students considering graduate school should do all 9 hours of language.

- 0–6 hours of Study Abroad/Away (including continuing language immersive Study Abroad courses). To learn more about study abroad options, make an appointment with an education abroad advisor: <https://ucastudyabroad.ap-pointy.com/default.aspx>.
- 0–6 hours of Communications-focused courses (any of the following courses): COMM 3303, CRWR 3330, JOUR 3311, JOUR 3363, JOUR 3373, PRLS 4308, WRTG 3390, WRTG 4320.

⁶ MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

⁷ HIST 3390 Introduction to Historical Writing must be taken prior to or concurrently with enrolling in other upper-division history courses.

⁸ In selection of general electives, a student should consider the need to achieve 40 hours of coursework at the upper-division level.

⁹ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. Three (3) upper-division hours must be chosen from either: African, Asian, Latin American or Middle Eastern history. See the [Department of History](#) page in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

 Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of **120** semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ².

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate.

_____ No _____ Yes

If “yes,” specify:

Notes

¹ This Academic Map includes 24 credit hours in the Minor field of study or in Interest Areas (guided general electives: see program information in the *Undergraduate Bulletin* for options). Minor requirements range from 15 to 26 credit hours. If choosing the minor option, then, and depending on the minor selected, the student may need to adjust the number of general elective and minor elective credit hours in this plan.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ A prerequisite for the Internship in Public History (HIST 4392).

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

⁵ MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

⁶ In selection of general electives, a student should consider the need to achieve 40 hours of coursework at the upper-division level.

⁷ The BS in History related course requirements comprises 6 hours from this list of courses. Some of these courses have prerequisite requirements (see the appropriate course page in the [Undergraduate Bulletin](#) for details). Note that credit will only be granted for one of the following courses in the list: GEOG 2330, MATH 2311, PSCI 2312, SOC 2321.

⁸ HIST 3390 Introduction to Historical Writing must be taken prior to or concurrently with enrolling in other upper-division history courses.

⁹ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. Three (3) upper-division hours must be chosen from either: African, Asian, Latin American or Middle Eastern history. See the [Department of History](#) page in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

¹⁰ Note that HIST 3368, 4317, and 4356 are, as of June 2022, pending approval.

¹¹ Make any necessary adjustments to bring total degree hours to 120, depending on the choices made in fulfilling the related course requirements in Semesters 3 and 4.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible.

⁴ The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. The student must complete upper-division UCA Core courses that address each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may

Notes – *continued*

address up to two areas. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

Academic Map: International Studies

Department: Political Science **Degree:** BA
Program/Major: International Studies
Track/Emphasis: _____
Does this program require a minor? (Yes/No) Yes¹

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <https://uca.edu/ubulletin/general-policies-information/uca-core/>
LD UCA Core Check Sheet: <https://uca.edu/academicbulletins/ld-uca-core/>
UD UCA Core Course List: <https://uca.edu/academicbulletins/ud-uca-core/>
Degree Requirements: <https://uca.edu/ubulletin/general-policies-information/degree-requirements/>
Program Description: <https://uca.edu/ubulletin/colleges-departments/ca/political-science/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 2.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ This Academic Map includes 24 hours in a minor field of study. Minor requirements range from 15 to 26 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number required to complete the program.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ PSCI 1330 is a prerequisite for all upper-division Political Science courses and satisfies the American History & Government requirement in the LD UCA Core.

⁴ Students pursuing the B.A. in International Studies will complete related course requirements consisting of six credit hours in a foreign language at the 2000 level or higher. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of General Elective hours in the plan. The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

Students with prior language experience in Spanish, French, or German that is not AP credit, should take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of their placement. For students with prior language experience in Chinese or Japanese, email llc@uca.edu for placement and for information on how that placement may lead to additional Credit by Examination.

⁵ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible. MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another

Notes – *continued*

1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of Political Science](#) page in the *Undergraduate Bulletin* and your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

⁶ International Studies has been divided into three concentrations: (1) International Affairs & Security, (2) International Development and Globalization, and (3) Regional and Cultural Studies. Students must complete a minimum of eighteen hours of upper-division elective courses within their selected concentration: six courses at the 3000-level or above from one of the three International Studies concentrations, including at least two courses at the 3000-level or above from the political science offerings.

⁷ Choose one of the following course options: ANTH 2300, ENGL 2305, 2306, GEOG 3300, or LING 2350.

Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ **No** _____ **Yes**

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

³ MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

⁴ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of the general elective hours in this AMAP.

Students who have prior language experience in Spanish, French, or German that is not AP language credit should take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of their placement. If they have prior language experience in Chinese or Japanese, students should email lllc@uca.edu for placement. A student’s placement might also qualify them to apply for “Credit by Examination”—college credit for previous coursework—after passing their first language course. Email lllc@uca.edu to learn more.

Notes – *continued*

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁵ This Academic Map (AMAP) includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

⁶ A total of 9 elective hours are required for the major. Elective courses are listed in the *Undergraduate Bulletin* and on the Journalism checklist.

Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document.

Notes – continued

⁴ If you have any prior language experience in Spanish, French, or German that is not AP language credit, please take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of your placement. If you have prior language experience in Chinese or Japanese, please email lllc@uca.edu for placement. Your placement might also qualify you to apply for “Credit by Examination”—college credit for previous course-work—after passing your first language course. Email lllc@uca.edu to learn more. Students with no previous experience with a foreign language may, depending on their choice of Option One or Option Two, need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of general elective credits included in this AMAP. Work with your academic advisor to make such adjustments as needed.

⁵ Option 1 requires 15 hours in one language (Spanish, French, German or Chinese) at the 2000 level and above.

⁶ Option 2 requires nine hours in Japanese or Chinese and six hours in a second language for greater exposure to language structure and use.

⁷ Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. Students who have not completed a 1000-level MATH course must enroll in MATH 1360.

⁸ Students are required to take upper-division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

⁹ LING 4355 Special Topics is only offered in the Spring Semester, so a student may take a Foreign Language course, an upper-division Minor, or an Upper-division General Elective as listed in Semester 8 in Semester 7 rather than ENGL 4360 or LING 4370 in Semester 7 and take LING 4355 in Semester 8.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. ____ No ____ Yes

If “yes,” specify: _____

Notes

¹ This Academic Map (AMAP) includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP. In choosing courses for the minor or for general electives, the student should also keep in mind the graduation requirement of at least 40 upper-division credit hours.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

⁴ MATH 1390 is a prerequisite for CSCI 1470, required in this track.

⁵ If you have any prior language experience in Spanish, French, or German that is not AP language credit, please take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of your placement. If you have prior language experience in Chinese or Japanese, please email lllc@uca.edu for placement. Your placement might also qualify you to apply for “Credit by Examination”--college credit for previous coursework--after passing your first language course. Email lllc@uca.edu to learn more. Students with no previous experience with a foreign language, and depending on the choice of Option One or Option Two, may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are provided for in semesters 1 and 2. Work with your academic advisor to make any necessary adjustments.

⁶ GERM 1310 and CHIN 1410 are not offered during spring semesters.

⁷ GERM 1320 and CHIN 1420 are not offered during fall semesters.

⁸ Students are required to take upper-division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

⁹ The number of general elective credits in the final semester may be adjusted to complete 120 hours depending on the language choices made in semesters 1 and 2.

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 2.

¹ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending upon the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in the plan.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ There are many opportunities for semester and summer study abroad and study away that work with this major and that can cost the same or less than studying on campus. If you are at all interested in learning about these options, make an appointment with an education abroad advisor: <https://ucastudyabroad.appointy.com/default.aspx>.

⁴ This AMAP presumes no prior experience in Chinese or a placement in Elementary Chinese I. If you have any prior language experience in Chinese that is not AP language credit, please email llc@uca.edu before registering for classes and enroll in the level of your placement. Your placement might also qualify you to apply for "Credit by Examination"—college credit for previous non-university coursework—after passing your first language course. Email llc@uca.edu to learn more.

⁵ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document.

¹ This Academic Map includes 24 credit hours in the General Business Minor. Students planning on completing an MBA degree may wish to select as General Business minor electives two courses that are also prerequisites for admission to UCA's MBA program: FINA 3330 Managerial Finance and CISA 2330 Business Statistics. See the [Minor in Business Administration](#) in the *Undergraduate Bulletin* for a summary of requirements.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ There are many opportunities for semester and summer study abroad and study away that work with this major and that can cost the same or less than studying on campus. If you are at all interested in learning about these options, make an appointment with an education abroad advisor: <https://ucastudyabroad.appointy.com/default.aspx>.

⁴ This AMAP presumes no prior experience in Chinese or a placement in Elementary Chinese I. If you have any prior language experience in Chinese that is not AP language credit, please email lllc@uca.edu to arrange for a placement assessment before registering for classes and enroll in the level of your placement. Your placement might also qualify you to apply for "Credit by Examination"--college credit for previous non-university coursework--after passing your first language course. Email lllc@uca.edu to learn more.

⁵ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first

Notes – *continued*

two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 5.)

⁶ Students are required to take upper-division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See notations in this Academic Map for courses in the major that fulfill these requirements.

⁷ See Undergraduate Bulletin for options.

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <https://uca.edu/ubulletin/general-policies-information/uca-core/>
LD UCA Core Check Sheet: <https://uca.edu/academicbulletins/ld-uca-core/>
UD UCA Core Course List: <https://uca.edu/academicbulletins/ud-uca-core/>
Degree Requirements: <https://uca.edu/ubulletin/general-policies-information/degree-requirements/>
Program Description: <https://uca.edu/ubulletin/colleges-departments/ca/languages/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 2.

Notes

¹ This Academic Map includes the 20 credit hour Minor in Teaching and Learning. This minor is required for all students seeking Arkansas K–12 licensure to teach Chinese. NB: WLAN 4330 substitutes for MSIT 4321 in the minor.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ Prerequisite CHIN 1420 or departmental placement.

⁴ Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. Students who have not completed a 1000-level MATH course must enroll in MATH 1360.

⁵ See appropriate choices, alternatives, or substitutions under "UCA Core" in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 6.)

⁶ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

⁷ See *Undergraduate Bulletin* for options.

⁵ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document.

⁶ Students are required to take upper-division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See notations in this Academic Map for courses in the major that fulfill these requirements.

⁷ See *Undergraduate Bulletin* for options.

Academic Map: Modern Languages, French, K-12 / ESL

Department: Languages, Linguistics, Literatures, and Cultures **Degree:** BA
Program/Major: Modern Languages
Track/Emphasis: French, K-12 Second Language Education/ESL
Does this program require a minor? (Yes/No) Yes – Teaching & Learning¹

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <https://uca.edu/ubulletin/general-policies-information/uca-core/>

UD UCA Core Course List: <https://uca.edu/academicbulletins/ud-uca-core/>
Degree Requirements: <https://uca.edu/ubulletin/general-policies-information/degree-requirements/>
Program Description: <https://uca.edu/ubulletin/colleges-departments/ca/languages/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 2.

WLAN	4691	Internship II	6	

Notes

¹ This Academic Map includes the 18 credit hour Minor in Teaching and Learning. This minor is required for all students seeking Arkansas K–12 licensure to teach French. NB: WLAN 4330 substitutes for MSIT 4321 in the minor.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ Prerequisite FREN 1320 or departmental placement. If you have any prior language experience in French, please take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of your placement. Students with no previous experience with French may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of general elective credits included in this AMAP. Work with your academic advisor to make such adjustments as needed.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 5.)

⁵ Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. Students who have not completed a 1000-level MATH course must enroll in MATH 1360.

⁶ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

⁷ See *Undergraduate Bulletin* for options.

DATE_____
SIGNED – COLLEGE DEAN_____
DATE**To be completed by the advisor when an Eight-Semester plan is accepted by the student:****If applicable, has student selected a minor? Type “x” as appropriate. ☐ No ☐ Yes****If “yes,” specify: _____****Notes**

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² There are many opportunities for semester and summer study abroad and study away that work with this major and that can cost the same or less than studying on campus. If you are at all interested in learning about these options, make an appointment with an education abroad advisor: <https://ucastudyabroad.appointy.com/default.aspx>.

³ Prerequisite: Three or more years of high school Spanish, departmental placement, or consent of chair. If you have any prior language experience in Spanish, please take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of your placement. Students with no previous experience with Spanish may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of general elective credits included in this AMAP. Work with your academic advisor to make such adjustments as needed.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 7.)

⁵ Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. Students who have not completed a 1000-level MATH course must enroll in MATH 1360.

⁶ Options include Spanish 2325, 2330, or 2350. See the *Undergraduate Bulletin* for more information.

⁷ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See notations in the Academic Map for courses in the major that fulfill these requirements.

⁸ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending upon the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in the plan.

⁹ See *Undergraduate Bulletin* for options.

WLAN	4691	Internship II	6	

Notes

¹ This Academic Map includes the 20 credit hour Minor in Teaching and Learning. This minor is required for all students seeking Arkansas K–12 licensure to teach Spanish. NB: WLAN 4330 substitutes for MSIT 4321 in the Teaching and Learning Minor.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ Prerequisite: Three or more years of high school Spanish, departmental placement, or consent of chair. If you have any prior language experience in Spanish, please take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of your placement. Students with no previous experience with Spanish may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of general elective credits included in this AMAP. Work with your academic advisor to make such adjustments as needed.

⁴ See appropriate choices, alternatives, or substitutions under "UCA Core" in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 7.)

⁵ Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. Students who have not completed a 1000-level MATH course must enroll in MATH 1360.

⁶ Options include Spanish 2325, 2330, or 2350. See *Undergraduate Bulletin* for more information.

⁷ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

⁸ See *Undergraduate Bulletin* for options.

Academic Map: Music

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <https://uca.edu/ubulletin/general-policies-information/uca-core/>
LD UCA Core Check Sheet: <https://uca.edu/academicbulletins/ld-uca-core/>
UD UCA Core Course List: <https://uca.edu/academicbulletins/ud-uca-core/>
Degree Requirements: <https://uca.edu/ubulletin/general-policies-information/degree-requirements/>
Program Description: <https://uca.edu/ubulletin/colleges-departments/ca/music/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ².

Notes

¹ This Academic Map (AMAP) includes 18 credit hours in a minor field of study. Students will need to adapt the number of general elective and minor course credit hours in this plan as needed, depending on the chosen minor. Given a student's choice of minor and special degree requirements, the total number of credit hours completed may exceed the total number of credit hours required to complete the degree.

Notes – *continued*

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ MUS 2133 Piano III and MUS 2134 Piano IV are degree requirements, but many students need MUS 1131 Piano I and/or MUS 1132 Piano II prior to MUS 2133 Piano III. Piano placement exams occur immediately before the beginning of classes in the fall semester of the first year of study.

⁴ Large ensembles include MUSE 2101/4101 Marching Band, MUSE 2102/4102 Wind Ensemble, MUSE 2103/4103 Symphonic Band, MUSE 2110/4110 Concert Choir, MUSE 2111/4111 University Chorus, and MUSE 2120/4120 Symphony. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

⁵ See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

⁶ Students who previously earned credit for another 1000-level MATH course that fulfills the UCA Lower-Division Core Quantitative category requirement may substitute that course for MATH 1360.

⁷ MUS 1340 Introduction to Music Literature is a degree-required course. MUS 1340 also fulfills the LD UCA Core Diversity in Creative Works requirement and is designated as a Fine Arts (FA) course.

⁸ All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses. The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student's major instrument/voice. For more information visit uca.edu/music/udqa/.

⁹ To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved UD UCA Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete an Upper-Division UCA Core Capstone course (Z). Bachelor of Arts in Music students should carefully choose major, minor, and general elective courses to ensure all UD UCA Core requirements (including a minimum of 40 upper-division credit hours) are fulfilled. For more information, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin*.

¹⁰ General elective courses are included in this plan of study to ensure students complete a minimum of 120 credit hours. If a student's minor requires more than 18 credit hours, the number of general elective courses should be reduced accordingly. Any courses that do not fulfill other LD Core, major, or minor degree requirements are general electives.

Notes – *continued*

² A minimum grade of “B” is required in MUS 1232, 1233, and 2233 for admission to the Bachelor of Music in Composition degree program.

³ MUS 2133 Piano III and MUS 2134 Piano IV are degree requirements but many students need MUS 1131 Piano I and/or MUS 1132 Piano II prior to MUS 2133 Piano III. Piano placement exams occur immediately before the beginning of classes in the fall semester of the first year of study.

⁴ Large ensembles include MUSE 2101/4101 Marching Band, MUSE 2102/4102 Wind Ensemble, MUSE 2103/4103 Symphonic Band, MUSE 2110/4110 Concert Choir, MUSE 2111/4111 University Chorus, and MUSE 2120/4120 Symphony. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

⁵ See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

⁶ Students who previously earned credit for another 1000-level MATH course that fulfills the UCA Lower-Division Core Quantitative category requirement may substitute that course for MATH 1360.

⁷ Bachelor of Music in Composition students should notify the composition faculty of their intent to apply for admission to the program during the freshman year. In addition to the minimum grade requirements in MUS 1232, 1233, and 2233 students must also submit an audition portfolio of two or three pieces for different media at the end of the freshman year. Students who have significant composition experience prior to entering UCA as freshmen may submit a portfolio of two or three compositions to the composition faculty when applying for admission to the music program or during the summer before the freshman year.

⁸ MUS 1340 Introduction to Music Literature is a degree-required course. MUS 1340 also fulfills the LD UCA Core Diversity in Creative Works requirement and is designated as a Fine Arts (FA) course.

⁹ General elective courses are included in this plan of study to ensure students complete a minimum of 120 credit hours. Any courses that do not fulfill other LD Core or major degree requirements are general electives.

¹⁰ All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses. The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student's major instrument/voice. For more information visit uca.edu/music/udqa/.

¹¹ To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved UD UCA Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete an Upper-Division UCA Core Capstone course (Z). Students should carefully choose general elective courses to ensure all UD UCA Core requirements (including a minimum of 40 upper-division credit hours) are fulfilled. For more information, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin*.

Notes

¹ An additional hour of ensemble credit is required if Internship II is not completed during the 8th semester of music study (see the *Undergraduate Bulletin*). In all other cases, the total credit-hour requirement is 128 for this BME concentration.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ MUS 2133 Piano III and MUS 2134 Piano IV are degree requirements, but many students need MUS 1131 Piano I and/or MUS 1132 Piano II prior to MUS 2133 Piano III. Piano placement exams occur immediately before the beginning of classes in the fall semester of the first year of study.

⁴ To fulfill the large ensemble requirement, woodwind, brass, and percussion music education majors are required to participate in MUSE 2101/4101 Marching Band each fall semester. For the spring semester, woodwind, brass, and percussion majors are required to participate in MUSE 2102/4102 Wind Ensemble or MUSE 2103/4103 Symphonic Band. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

⁵ WRTG 1310, WRTG 1320, COMM 1300, and MATH 1360/1390 must be completed with a grade of “C” or higher for UCA Teacher Education Program admission requirements.

⁶ See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

⁷ Students who previously earned credit for another 1000-level MATH course that fulfills the UCA Lower-Division Core Quantitative category requirement may substitute that course for MATH 1360.

⁸ During the second year of study, music education majors should begin the UCA Teacher Education Program admission process. Music education majors must be fully admitted to the UCA Teacher Education Program prior to the fifth semester of study in order to graduate within eight semesters. Visit uca.edu/ocs for more information.

⁹ Students whose primary applied instrument is trumpet or French horn are required to take MUS 2171 Low Brass Methods and not MUS 2170 High Brass Methods. Students whose primary applied instrument is trombone, euphonium, or tuba are required to take MUS 2170 High Brass Methods and not MUS 2171 Low Brass Methods.

¹⁰ All music education majors must earn a grade of “C” or higher in all music education and professional education courses in addition to maintaining a minimum 2.70 cumulative GPA.

¹¹ To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved UD UCA Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete a UD UCA Core Capstone course (Z). See annotations in this AMAP for courses in the major that fulfill some of these requirements. For other options, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin* and the [UD UCA Core course list](#).

¹² All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses (excluding MUS 3312). The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student’s major instrument/voice. For more information visit uca.edu/music/udqa/.

Program Description: <https://uca.edu/ubulletin/colleges-departments/ca/music/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 128–129¹ semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 2.

MUS	4691	Internship II (UD UCA Core: Z) ^{9, 10}	6	

Notes

¹ An additional hour of ensemble credit is required if Internship II is not completed during the 8th semester of music study (see the Undergraduate Bulletin). In all other cases, the total credit-hour requirement is 128 for this BME concentration.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ MUS 2133 Piano III and MUS 2134 Piano IV are degree requirements, but many students need MUS 1131 Piano I and/or MUS 1132 Piano II prior to MUS 2133 Piano III. Piano placement exams occur immediately before the beginning of classes in the fall semester of the first year of study.

⁴ To fulfill the large ensemble requirement, woodwind, brass, and percussion music education majors are required to participate in MUSE 2101/4101 Marching Band each fall semester. For the spring semester, woodwind, brass, and percussion majors are required to participate in MUSE 2102/4102 Wind Ensemble or MUSE 2103/4103 Symphonic Band. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

⁵ WRTG 1310, WRTG 1320, COMM 1300, and MATH 1360/1390 must be completed with a grade of “C” or higher for UCA Teacher Education Program admission requirements.

⁶ See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

⁷ Students who previously earned credit for another 1000-level MATH course that fulfills the Lower-Division UCA Core Quantitative category requirement may substitute that course for MATH 1360.

⁸ During the second year of study, music education majors should begin the UCA Teacher Education Program admission process. Music education majors must be fully admitted to the UCA Teacher Education Program prior to the fifth semester of study in order to graduate within eight semesters. Visit uca.edu/ocs for more information.

⁹ All music education majors must earn a grade of “C” or higher in all music education and professional education courses in addition to maintaining a minimum 2.70 cumulative GPA.

¹⁰ To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved Upper-Division Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete a UD UCA Core Capstone course (Z). See annotations in this AMAP for courses in the major that fulfill some of these requirements. For other options, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin* and the [UD UCA Core course list](#).

¹¹ All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses (excluding MUS 3312). The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student’s major instrument/voice. For more information visit uca.edu/music/udqa/.

Notes

¹ An additional hour of ensemble credit is required if Internship II is not completed during the 8th semester of music study (see the *Undergraduate Bulletin*). In all other cases, the total credit-hour requirement is 129 for this BME concentration.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ Piano-instrumental music education majors are required to fulfill two non-piano, minor applied credits (any MUSA 2VXX/4VXX credits other than MUSA 2V30/4V30).

⁴ Piano-instrumental music education majors are required to participate in one large instrumental ensemble each semester. Large instrumental ensembles for piano-instrumental music education majors include MUSE 2101/4101 Marching Band, MUSE 2102/4102 Wind Ensemble, MUSE 2103/4103 Symphonic Band, or MUSE 2120/4120 Symphony. Piano-instrumental music education majors may substitute up to three credits of the large ensemble requirement with MUSE 2140/4140 Accompanying. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

⁵ See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

⁶ WRTG 1310, WRTG 1320, COMM 1300, and MATH 1360/1390 must be completed with a grade of “C” or higher for UCA Teacher Education Program admission requirements.

⁷ Students who previously earned credit for another 1000-level MATH course that fulfills the UCA Lower-Division Core Quantitative category requirement may substitute that course for MATH 1360.

⁸ During the second year of study, music education majors should begin the UCA Teacher Education Program admission process. Music education majors must be fully admitted to the UCA Teacher Education Program prior to the fifth semester of study in order to graduate within eight semesters. Visit uca.edu/ocs for more information.

⁹ All music education majors must earn a grade of “C” or higher in all music education and professional education courses in addition to maintaining a minimum 2.70 cumulative GPA.

¹⁰ MUS 1340 Introduction to Music Literature is a degree-required course. MUS 1340 also fulfills the LD UCA Core Diversity in Creative Works requirement and is designated as a Fine Arts (FA) course.

¹¹ All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses. The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student’s major instrument/voice. For more information visit uca.edu/music/udqa/.

¹² To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved UD UCA Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete a UD UCA Core Capstone course (Z). For more information, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin*.

¹³ Music education majors must be fully admitted to the UCA Teacher Education Program to enroll in upper-division music education and education courses.

¹⁴ Piano-instrumental music education majors must take either MUS 2180 Double Reed Methods or MUS 2181 Single Reed/Flute Methods. MUS 2181 Single Reed/Flute Methods is recommended.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ Piano-vocal music education majors are required to fulfill two non-piano, secondary applied credits. MUSA 2V50/4V50 Voice is recommended.

⁴ Piano-vocal music education majors are required to participate in MUSE 2110/4110 Concert Choir or MUSE 2111/4111 University Chorus each semester to fulfill the large ensemble requirement. Piano-vocal music education majors may substitute up to three credits of the large ensemble requirement with MUSE 2140/4140 Accompanying. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

⁵ See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

⁶ WRTG 1310, WRTG 1320, COMM 1300, and MATH 1360/1390 must be completed with a grade of “C” or higher for UCA Teacher Education Program admission requirements.

⁷ Students who previously earned credit for another 1000-level MATH course that fulfills the Lower-Division UCA Core Quantitative category requirement may substitute that course for MATH 1360.

⁸ During the second year of study, music education majors should begin the UCA Teacher Education Program admission process. Music education majors must be fully admitted to the UCA Teacher Education Program prior to the fifth semester of study in order to graduate within eight semesters. Visit uca.edu/ocs for more information.

⁹ All music education majors must earn a grade of “C” or higher in all music education and professional education courses in addition to maintaining a minimum 2.70 cumulative GPA.

¹⁰ MUS 1340 Introduction to Music Literature is a degree-required course. MUS 1340 also fulfills the LD UCA Core Diversity in Creative Works requirement and is designated as a Fine Arts (FA) course.

¹¹ All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses. The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student’s major instrument/voice. For more information visit uca.edu/music/udqa/.

¹² To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved UD UCA Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete a UD UCA Core Capstone course (Z). For more information, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin*.

¹³ Music education majors must be fully admitted to the UCA Teacher Education Program to enroll in upper-division music education and education courses.

Program Description: <https://uca.edu/ubulletin/colleges-departments/ca/music/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 126–127¹ semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (https://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (https://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 2.

Notes

¹ Students must audition and be approved to pursue a BM Performance concentration. Students should discuss the BM Performance concentration audition with their primary applied instructor. Students should complete a jury audition for admission to the BM Performance concentration within the first two years of study, preferably during the first year. Students should submit a *Bachelor of Music Performance Concentration Application* to the audition jury panel.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ MUS 2133 Piano III and MUS 2134 Piano IV are degree requirements, but many students need MUS 1131 Piano I and/or MUS 1132 Piano II prior to MUS 2133 Piano III. Piano placement exams occur immediately before the beginning of classes in the fall semester of the first year of study.

⁴ Woodwind, brass, and percussion performance majors are required to participate in MUSE 2101/4101 Marching Band or MUSE 2102/4102 Wind Ensemble each fall semester. For the spring semester, woodwind, brass, and percussion majors' required large ensemble options include MUSE 2102/4102 Wind Ensemble, MUSE 2103/4103 Symphonic Band, and/or MUSE 2120/4120 Symphony. String majors must participate in MUSE 2120/4120 Symphony each semester. Guitar performance majors are required to participate in a large ensemble each semester (Band, Symphony, or Choir) but may substitute up to two semesters of MUSE 2104/4104 Jazz Ensemble or MUSE 2107/4107 Traditional Jazz Band for the large ensemble requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

⁵ See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

⁶ Students who previously earned credit for another 1000-level MATH course that fulfills the Lower-Division UCA Core Quantitative category requirement may substitute that course for MATH 1360.

⁷ General elective courses are included in this plan of study to ensure students complete a minimum of 120 credit hours. Any courses that do not fulfill other LD Core or major degree requirements are general electives.

⁸ MUS 1340 Introduction to Music Literature is a degree-required course. MUS 1340 also fulfills the LD UCA Core Diversity in Creative Works requirement and is designated as a Fine Arts (FA) course.

⁹ All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses. The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student's major instrument/voice. For more information visit uca.edu/music/udqa/.

¹⁰ To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved UD UCA Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete a UD UCA Core Capstone course (Z). Bachelor of Music in Performance students should carefully choose general elective courses to ensure all UD UCA Core requirements (including a minimum of 40 upper-division credit hours) are fulfilled. For more information, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin*.

Notes

¹ Current music majors interested in pursuing the Bachelor of Music in Jazz and Studio Music Concentration must apply for admission and successfully audition to declare this concentration. During the first semester jury, the student must submit a Bachelor of Music Jazz and Studio Music Concentration Application. The applied jury performance will serve as an audition for admission to the concentration. Admission requires a signature of approval from at least 2 applied music faculty in the Jazz and Studio Music area of study, including the student's primary applied teacher, on the Bachelor of Music Jazz and Studio Music Concentration Application.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

⁴ Students who previously earned credit for another 1000-level MATH course that fulfills the UCA Lower-Division Core Quantitative category requirement may substitute that course for MATH 1360.

⁵ MUS 1340 Introduction to Music Literature is a degree-required course. MUS 1340 also fulfills the LD UCA Core Diversity in Creative Works requirement and is designated as a Fine Arts (FA) course.

⁶ General elective courses are included in this plan of study to ensure students complete a minimum of 120 credit hours. Any courses that do not fulfill other LD Core or major degree requirements are general electives.

⁷ All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses. The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student's major instrument/voice. For more information visit uca.edu/music/udqa/.

⁸ To fulfill Upper-Division UCA Core (UD UCA Core) requirements, students must complete approved UD UCA Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete a UD Core Capstone course (Z). Bachelor of Music students should carefully choose general elective courses to ensure all UD Core requirements (including a minimum of 40 upper-division credit hours) are fulfilled. For more information, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin*. Courses designated as UD UCA Core with an asterisk (*) are still pending approval to be included as UCA UD Core courses.

⁹ A Junior Recital is required for all Bachelor of Music Jazz and Studio Music Concentration students. The Junior Recital is a non-credit requirement.

Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (https://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (https://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ².

Notes

¹ Students must audition and be approved to pursue a BM Performance concentration. Students should discuss the BM Performance concentration audition with their primary applied instructor. Students should complete a jury audition for admission to the BM Performance concentration within the first two years of study, preferably during the first year. Students should submit a *Bachelor of Music Performance Concentration Application* to the audition jury panel.

Notes – *continued*

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ Large ensembles include MUSE 2101/4101 Marching Band, MUSE 2102/4102 Wind Ensemble, MUSE 2103/4103 Symphonic Band, MUSE 2110/4110 Concert Choir, MUSE 2111/4111 University Chorus, and MUSE 2120/4120 Symphony. BM Piano Performance majors may substitute up to six semesters of MUSE 2140/4140 Accompanying for the large ensemble requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

⁴ See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

⁵ Students who previously earned credit for another 1000-level MATH course that fulfills the UCA Lower-Division Core Quantitative category requirement may substitute that course for MATH 1360.

¹ Students must audition and be approved to pursue a BM Performance concentration. Students should discuss the BM Performance concentration audition with their primary applied instructor. Students should complete a jury audition for admission to the BM Performance concentration within the first two years of study, preferably during the first year. Students should submit a *Bachelor of Music Performance Concentration Application* to the audition jury panel.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ MUS 2133 Piano III and MUS 2134 Piano IV are degree requirements, but many students need MUS 1131 Piano I and/or MUS 1132 Piano II prior to MUS 2133 Piano III. Piano placement exams occur immediately before the beginning of classes in the fall semester of the first year of study.

⁴ Vocal performance majors are required to participate in either MUSE 2110/4110 Concert Choir or MUSE 2111/4111 University Chorus each semester. Participation in MUSE 2110/4110 Concert Choir is by audition only. Participation in MUSE 2111/4111 University Chorus is open to all students. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major applied professor and the advisor. Students receiving music scholarships should review their scholarship contract/award letter for specific ensemble participation requirements.

⁵ See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

⁶ Students who previously earned credit for another 1000-level MATH course that fulfills the UCA Lower-Division Core Quantitative category requirement may substitute that course for MATH 1360.

⁷ MUS 1340 Introduction to Music Literature is a degree-required course. MUS 1340 also fulfills the LD UCA Core Diversity in Creative Works requirement and is designated as a Fine Arts (FA) course.

⁸ All BM, BME, and BA music majors must pass all three sections of the Upper-Division Qualifying Assessment (UDQA) prior to enrollment in upper-division MUS courses. The musicianship portions of the exam (piano and sight-singing) will take place at the end of the fourth semester of musicianship courses (harmony/theory, ear training, and piano courses). The performance section of the exam (applied jury) will take place at the end of the fourth semester of applied study on the student's major instrument/voice. For more information visit uca.edu/music/udqa/.

⁹ To fulfill Upper-Division (UD) UCA Core requirements, students must complete approved UD UCA Core courses designated as Communication (C), Critical Inquiry (I), Diversity (D), and Responsible Living (R). Students must also complete a UD UCA Core Capstone course (Z). Bachelor of Music in Performance students should carefully choose general elective courses to ensure all UD UCA Core requirements (including a minimum of 40 upper-division credit hours) are fulfilled. For more information, consult with your academic advisor and see the [UCA Core](#) section of the *Undergraduate Bulletin*.

¹⁰ BM Vocal Performance majors are required to take 6 credit hours of either French or German. These requirements may be waived with UCA World Languages Department placement exam or AP/CLEP exam results that demonstrate the student possesses the knowledge, skills, and experience required for placement in a 2000-level French or German course at UCA.

¹¹ BM Vocal Performance majors are required to participate in two contiguous semesters of MUSE 2112/4112 Opera. Other equivalent stage experiences may be substituted for the opera requirement if approved by the applied instructor.

Degree Requirements: <https://uca.edu/ubulletin/general-policies-information/degree-requirements/>
Program Description: <https://uca.edu/ubulletin/colleges-departments/ca/music/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

DATE**To be completed by the advisor when an Eight-Semester plan is accepted by the student:****If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes****If “yes,” specify: _____****Notes**

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

The Department of Philosophy and Religion offers one Foundation Scholarship, the Mehl Philosophy and Religion Scholarship. This award is for full-time seniors majoring in philosophy and/or religious studies with a GPA of 3.0 or above. Consideration is given to financial need. You can apply on the Foundation Scholarship cycle by visiting <https://uca.edu/foundation/scholarships/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

³ MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

Notes – *continued*

⁴ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

⁵ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See annotations in this AMAP for major requirements that fulfill UD UCA Core requirements and for the recommended courses from which a student may select the capstone course; see the [Department of Philosophy and Religion](#) page in the *Undergraduate Bulletin* or consult your academic advisor for required/elective courses within the major that fulfill other UD UCA Core requirements.

DATE

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. ____ No ____ Yes

If “yes,” specify: _____

Notes

¹ This Academic Map includes 24 hours in a minor field of study. Minor requirements range from 15 to 26 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. A student’s choice of minor and special degree requirements may result in the total number of credit hours taken to exceed the total number required to complete the degree program.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ PSCI 1330 is a prerequisite for all upper-division Political Science courses and also satisfies the American History & Government requirement in the UCA Core.

⁴ Student pursuing the B.A. in Political Science will complete related course requirements consisting of three credit hours in a foreign language at the 2000 level or higher. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency in high school.

For students with prior language experience in Spanish, French, or German that is not AP credit, please take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the

Notes – continued

level of your placement. For students with prior language experience in Chinese or Japanese, email llc@uca.edu for placement and for information on how that placement may lead to additional Credit by Examination.

⁵ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible. MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of Political Science](#) page in the *Undergraduate Bulletin* and your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

⁶ Political Science majors must complete one three-credit-hour course from a minimum of four of the six Political Science subfields for a total of twelve credits; and an additional nine credits from any of the six Political Science subfields.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ This Academic Map includes 43 credit hours of general electives, hours which the student may use to complete a minor field of study and/or, in consultation with a PSCI faculty advisor, courses from other programs to meet their career interests as well as the 120 credit hour requirement.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ PSCI 1330 is a prerequisite for all upper-division PSCI and PADM courses and it satisfies the American History & Government requirement in the UCA Core.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible. MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals

Notes – *continued*

and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of Political Science](#) page in the *Undergraduate Bulletin* and your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

⁵ Students pursuing the B.S. in Political Science will complete at least one course from each of the five subfields and where at least 18 of the 24 credit hours are from the listed PSCI/PADM courses.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. ____ No ____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

³ MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

⁴ This Academic Map (AMAP) includes 24 hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the Minor selected, the student will need to adjust the number of general electives and Minor elective credit hours in this plan.

Notes – continued

⁵ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of the general elective hours in this AMAP.

Students who have prior language experience in Spanish, French, or German that is not AP language credit should take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of their placement. If they have prior language experience in Chinese or Japanese, students should email lllc@uca.edu for placement. A student's placement might also qualify them to apply for "Credit by Examination"—college credit for previous coursework—after passing their first language course. Email lllc@uca.edu to learn more.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

If you have any prior language experience in Spanish, French, or German that is not AP language credit, please take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of your placement. If you have prior language experience in Chinese or Japanese, please email lllc@uca.edu for placement. Your placement might also qualify you to apply for "Credit by Examination"--college credit for previous coursework--after passing your first language course. Email lllc@uca.edu to learn more.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁵ Students are required to take upper-division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Religious Studies](#) program page in the *Undergraduate Bulletin* and consult your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

⁶ Students are encouraged to consider selecting a Pathway in the major to assist students in concentrating their electives according to their career interests and values. The Religious Studies Major offers three distinct Pathways for students to concentrate their studies: (1) Religion and Society; (2) Religion and the Professions; and (3) Religion and the Arts. More information about the pathways can be found on the Undergraduate Bulletin website at <https://uca.edu/ubulletin/programs-by-program/interdisciplinary/religious-studies/>.

⁷ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (https://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (https://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² This course is one of five required major courses that students should take in sequence. These five courses (SOC 1300, SOC 2321, SOC 3320, SOC 4330, and SOC 4360) are offered each fall and spring term (and in many cases during a summer term). Social Statistics (SOC 2321) is recommended for this sequence but students may substitute other qualified introductory statistics courses including GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, and CISA 2330. In consultation with a departmental advisor, a student may elect to take these courses during either term.

³ For sociology majors, SOC 1300 meets both a major requirement and the LD UCA Core requirement for the Social Science category in Critical Inquiry. Consult with your major advisor or the chair of the Department of Sociology for additional information on courses that may double count in this way.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 7.)

⁵ MATH 1360 (or equivalent) should be completed within the first two semesters at UCA. MATH 1360 (or equivalent) must be completed before taking SOC 2321 (Social Statistics).

Notes – *continued*

⁶ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

⁷ The student should be aware that some major electives will also fulfill UD UCA Core requirements. For example, Sociology majors may take either SOC 3310 Racial and Ethnic Relations or SOC 3361 Gender and Society, offered each fall and spring term, and count it toward elective credits in the major and toward upper-division UCA Core requirements in both the Diversity and Responsible Living categories [UD UCA Core: D, R]. Furthermore, SOC 3320 [UD UCA Core: C, I] and SOC 4360 [UD UCA Core: Z], required major courses, double count in this way (see notations in this AMAP). Students should review the [Sociology, Criminology, and Anthropology](#) page in the *Undergraduate Bulletin* and the sociology major checklist or consult with their major advisor for additional information on these requirements.

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core (see note 4).

³ Prerequisite for ECON 2320 Principles of Macroeconomics.

⁴ Students are required to take upper-division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. HIST 3310 and HIST 4392 MAY NOT be used as upper-division electives. See note 5 for courses in the major that fulfill these requirements.

⁵ Program admission required [GATE 1]. Requirements: (1) 2.7 cumulative GPA on all coursework attempted; (2) Minimum 2.7 GPA in all social studies content courses attempted before admission; (3) Praxis I passing scores; (3) MATH 1390 with grade of C or better.

Bachelor of Science in Education in Social Studies, History Emphasis

Persons wishing to pursue a BSE in social studies (history emphasis) must apply to the Office of Candidate Services and meet established criteria for admission to the teacher education program. The degree requires completion of (1) the UCA Core, (2) the 20-hour minor in Teaching and Learning, (3) 54 hours of History/Social Studies, and (4) 18 hours in Teacher Internship and Social Studies Methods. Licensure requirements are established by the Arkansas Department of Education, and must be

Notes – *continued*

met before a teaching license is issued. Upper-division UCA Core requirements will be met through the following required program components:

US History Electives [UD UCA Core: I]

MSIT 3310 [UD UCA Core: D and R]

MSIT 4325 [UD UCA Core: C]

HIST 4300 [UD UCA Core: Z]

Students should refer to the [College of Education](#) in the *Undergraduate Bulletin* to determine specific requirements for admission to the professional education program. Contact the Chair of the Department of History (450-3158), the Chair of the Department of Teaching and Learning (450-5466), or the Office of Candidate Services (450-3131).

⁶ PSCI 3300 State Government and Politics is offered only in spring semesters, and PSCI 3336 Local Government and Politics is offered only every other **odd-numbered** fall semester. One of the two is required.

⁷ Praxis II Social Studies Content and Interpretation (code #5086) test must be passed by April 30 of semester before senior year. Senior Fall Block required courses are not part of the Teaching and Learning Minor.

⁸ Admission into Internship I required [GATE 2]. Requirements: (1) two faculty recommendations and (2) admission interview with history department faculty. Application for Program Admission, including registration for faculty interview, must be completed by October 1 for Fall or March 1 for Spring.

⁹ All other course work must be completed and Praxis II taken before enrolling in Internship II.

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² MATH 1360 may be taken in either the first or the second semester of the first year. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science in the first two years if possible, and the approved UCA Core math course should be taken in the first year.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

⁴ Choose from Stage Lighting, Costume Design, or Scene Design.

Notes – *continued*

⁵ A total of 9 elective hours are required for the major. Elective courses are listed in the *Undergraduate Bulletin* and on the Theatre checklist.

⁶ Theatre History is offered every other year. Theatre History I is taught in the Fall of odd years (e.g., Fall 2021).

⁷ This Academic Map (AMAP) includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

⁸ Theatre History is offered every other year. Theatre History II is taught in the Spring of even years (e.g., Spring 2022).

Academic Map: Writing, Rhetoric, and Information Design Technical and Professional Writing

DATE**To be completed by the advisor when an Eight-Semester plan is accepted by the student:****If applicable, has student selected a minor? Type “x” as appropriate.**_____ **No** _____ **Yes****If “yes,” specify:** _____**Notes**

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this AMAP and consult the [School of Communication](#) page in the *Undergraduate Bulletin* and your academic advisor for courses within the major or related areas that fulfill the UD UCA Core requirements.

⁴ Six hours of language (foreign language, sign language, and/or programming language) at any level **or** 3 hours in a foreign language at the 2000 level. Options for programming language consist of CSCI 1470, CSCI 1480, CSCI 2340, CSCI 3381, CSCI 4357, CISA 3300, CISA 3301, CISA 3339, and CISA 3362.

⁵ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

Academic Map: Writing, Rhetoric, and Information Design Writing Studies

Department: School of Communication **Degree:** BA
Program/Major: Writing, Rhetoric, and Information Design
Track/Emphasis: Writing Studies
Does this program require a minor? (Yes/No) Yes

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <https://uca.edu/ubulletin/general-policies-information/uca-core/>
LD UCA Core Check Sheet: <https://uca.edu/academicbulletins/ld-uca-core/>
UD UCA Core Course List: <https://uca.edu/academicbulletins/ud-uca-core/>
Degree Requirements: <https://uca.edu/ubulletin/general-policies-information/degree-requirements/>
Program Description: <https://uca.edu/ubulletin/colleges-departments/ca/communication/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (https://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (https://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ¹.

 SIGNED – COLLEGE DEAN

 DATE

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*.

- During Year 1, students must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS).
- During Year 1, an approved LD UCA Core math course should be taken.

Notes – *continued*

- During Year 1 or 2, an approved LD UCA Core lab science should be taken. Students may take their UCA Core Science classes in any space designated UCA Core course. (See also Note 4.)

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Upper-Division (UD) Core. Accounting majors will satisfy the UCA Core Upper Division Requirements by completing the following courses:

FINA 3330 Managing Finance and Capital [UD UCA Core: I]
MGMT 3340 Managing People and Work [UD UCA Core: D, R]
ACCT 4317 Auditing [UD UCA Core: C]
MGMT 4347 Managing Policy and Strategy [UD UCA Core: Z (Capstone)]

³ A student who places into MATH 1395 does not have to take MATH 1390, but takes one additional 3-hour elective. If approved by the student's advisor, CISA 2330 may be interchanged with MATH 1395. Both courses are required.

⁴ Students must select one course from each of the following seven categories to meet LD UCA Core requirements. At least one of the seven must have a Humanities designation (HUM) and at least one of the seven must have a Fine Arts designation (FA).

- Physical Science
- Life Science
- American History and Government*
- Fine Arts/Humanities*
- Diversity and Creative Works*
- Responsible Living*

*First Year Seminar courses may be available in these areas.

Accounting majors automatically complete three LD UCA Core courses with the business foundation: Oral communications (MGMT 2301), Diversity in World Cultures (ECON 2310), and Social Science (ECON 2320).

⁵ Accounting majors wishing to do an accounting internship should meet with their accounting advisor early in Year 3 to discuss sequencing of upper-division accounting courses.

⁶ FINA 3330, MGMT 3340, MKTG 3350. These courses can be interchanged in scheduling subject to the following:

- These three courses have a prerequisite requirement of a 2.0 or better cumulative grade point average on the most recent attempts of the following courses: ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, and CISA 2330.
- All three courses plus ACCT 3315 must be taken before MGMT 4347.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. ____ No ____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² Students must select one course from each category to meet UCA Core requirements.

- Physical Science
- Life Science
- Mathematics
- Writing (2 semesters)
- American History and Government*
- Fine Arts/Humanities*
- Diversity and Creative Works*
- Responsible Living*
- MGMT 2301 Business Communications (Oral Communication)
- ECON 2321 Microeconomics or ECON 2320 Macroeconomics (Social Science)

Notes – *continued*

- ECON 2310 Global Environment of Business (Diversity in World Cultures)

*First Year Seminar courses may be available in these areas.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the upper-division (UD) UCA Core. See annotations in this Academic Map for courses within the major that will fulfill these requirements.

Academic Map: Computer Information Systems

Department: Computer Information Systems and Analytics **Degree:** BBA
Program/Major: Computer Information Systems
Track/Emphasis: _____
Does this program require a minor? (Yes/No) No

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <https://uca.edu/ubulletin/general-policies-information/uca-core/>
LD UCA Core Check Sheet: <https://uca.edu/academicbulletins/ld-uca-core/>
UD UCA Core Course List: <https://uca.edu/academicbulletins/ud-uca-core/>
Degree Requirements: <https://uca.edu/ubulletin/general-policies-information/degree-requirements/>
Program Description: <https://uca.edu/ubulletin/colleges-departments/cb/cisa/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of **120** semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (https://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (https://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. Note: Students may be able to take a LD UCA Core course required for the major as a FYS option. The student would then substitute another LD UCA Core course in its place on the AMAP. For example, if a student took ECON 2320 as a FYS, they would need to replace ECON 2320 on the AMAP with a different LD UCA Core course. Students pursuing the BS Economics degree will meet the LD UCA Core Critical Inquiry Social Science requirement by taking ECON 2320 or ECON 2321.

Students pursuing a BS in Economics degree will satisfy the upper-division (UD) UCA Core requirements for Critical Inquiry, Communication and the Capstone by completing the following required major courses: ECON 3302 Intermediate Macroeconomics [UD UCA Core: I, C] and ECON 4380 Senior Seminar in Economics [UD UCA Core: Z (capstone)]. Students may choose from major electives, minor courses, or general electives to meet the UD UCA Core Responsible Living upper-division requirement and the UD UCA Core Diversity Requirement. Possible major elective alternatives with the Responsible Living Designation are: ECON 3310 Public Sector Economics [UD UCA Core: R] or ECON 3330 Environmental Economics [UD UCA Core: R]. A possible major elective with the Diversity Designation is ECON 4335 International Trade [UD UCA Core: D].

Notes – *continued*

³ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

⁴ A student must complete four economics major elective courses from the following list: ECON 3310 Public Sector Economics (UD UCA Core: R), ECON 3330 Environmental Economics (UD UCA Core: R), ECON 3382 Internship in Economics, ECON 4335 International Trade (UD UCA Core: D), ECON 4375 Economics of Developing Nations, ECON 4382 Internship in Economics, FINA 3340 Money, Banking, and Financial Markets, FINA 4332 Investments, FINA 4333 International Finance. **Students should check the *Undergraduate Bulletin* for details about prerequisites for these courses.**

This degree program requires a total of **120** semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “LD UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. Note: Students may be able to take a LD UCA Core course required for the major as a FYS option. The student would then substitute another LD UCA Core course in its place on the AMAP. For example, if a student took ECON 2310 as a FYS, they would need to replace ECON 2310 on the AMAP with a different LD UCA Core course. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (Please see endnotes 4 and 5 for additional LD Core information related to this major.) Students will satisfy Upper Division Core requirements for Critical Inquiry, Communication, Diversity, and the Capstone by completing the following required major courses: ECON 3302 Intermediate Macroeconomics [UD UCA Core: I, C], ECON 4335 International Trade [UD UCA Core: D], and ECON 4380 Senior Seminar in Economics [UD UCA Core: Z (capstone)]. Students may choose from major electives, minor courses, or general electives to meet the UCA Core Responsible Living upper-division requirement. Possible major elective alternatives with the Responsible Living Designation are: ECON 3310 Public Finance [UD UCA Core: R] or ECON 3330 Environmental Economics [UD UCA Core: R].

Notes – *continued*

³ Students must complete a course at the 2000 level or higher in a foreign language (or score an equivalent score on the placement exam) for the BA degree in Economics. A student with no previous experience in a foreign language normally will enroll in 1310. Students with prior experience in a language are strongly encouraged to take the Department of Languages, Linguistics, Literatures, and Cultures' [departmental placement test](#) before enrolling in their first course. Note: Guided Study (i.e., correspondence) courses will not be accepted as transfer credit in fulfillment of the foreign language requirement. Students who have not previously received undergraduate credit in a given foreign language at a college or university may receive credit by examination in that language. Such credit is limited to a maximum of six hours in one language or twelve hours within the department and is granted by fulfilling the following criteria:

- Achievement of a satisfactory score on a placement examination administered by the Department of Languages, Linguistics, Literatures, and Cultures.
- Satisfactory completion, with a minimum grade of B, of the next foreign language course above the level for which credit by examination is to be awarded.
- In cases of unusually thorough preparation, or in the case of international students, exemption may be sought from the Department of Languages, Linguistics, Literatures, and Cultures.

A student who has met the foreign language requirement in fewer hours than listed on the AMAP must substitute a 3-hour general elective for any foreign language course that is not needed.

⁴ A student must take either ECON 1310 (LD UCA Core Responsible Living) or ECON 2310 (LD UCA Core Diversity in World Cultures) from the LD UCA Core. A student will meet the LD UCA Core Critical Inquiry Social Science requirement by taking either ECON 2320 or ECON 2321.

⁵ Students may take their LD UCA Core Science classes in any space designated LD UCA Core course. However, at least one Natural Science course must be completed in the first year.

⁶ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

⁷ **Economics Major Global Electives Course Options:**

The student must take three upper division economics major elective courses.

The student must also select two additional classes from the following list of classes:

- **Economics courses:** Any 3000- or 4000-level Economics course not used elsewhere on the academic map
- **Finance courses:** FINA 3340, 4333
- **Geography courses:** GEOG 3300, 3305, 3315, 3320, 3335, 3345, 3346, 3381, 3385
- **History courses:** HIST 3312, 3321, 3383, 3384, 4305, 4328, 4347, 4377, 4394, 4397
- **Political Science courses:** PSCI 3305, 3315, 3340, 3382, 4305, 4310, 4320, 4325, 4328, 4345, 4348, 4388, 4395
- **Sociology courses:** SOC 3398, 4341
- Global courses must have an international component and be current. A student may take other classes approved by his/her faculty major advisor (or major department chair) to meet this requirement.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should

Notes – *continued*

be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Upper-Division (UD) Core. Students pursuing the BBA in Economics International Trade will satisfy the UCA Core Upper Division Requirements by completing the following courses: FINA 3330 Managing Finance and Capital [UCA Core: I], MGMT 3340 Managing People and Work [UCA Core: D, R], ECON 3302 Intermediate Macroeconomics [UCA Core: C, I], and MGMT 4347 Managing Policy and Strategy [UCA Core: Capstone].

³ Students must select one course from each category to meet LD UCA Core requirements.

- Physical Science
- Life Science
- American History and Government*
- Fine Arts/Humanities*
- Diversity and Creative Works*
- Responsible Living*
- ECON 2310 (Diversity in World Cultures)*

*First Year Seminar courses may be available in these areas.

Students may use either MATH 1390, MATH 1395, or any lower division UCA Core approved calculus class such as MATH 1496 to meet the lower division UCA core requirements depending upon their initial placement. Students who take MATH 1395 or MATH 1496 to meet their lower division core requirement will have an additional 3 hours of general electives.

⁴ All Management Majors must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements. Students who initially place in MATH 1395 or MATH 1496 will be able to use the course to meet the BBA degree requirements and the UCA Core requirements.

⁵ In order for a BBA-seeking student to enroll in more than nine (9) hours of upper-division courses in the College of Business, they must meet the following progression requirements:

1. Obtain a 2.0 or higher cumulative grade point average, and
2. Complete ACCT 2310, 2311, ECON 2320, 2321, CISA 2330 with a 2.0 grade point average in these five courses.

⁶ BBA Economics major must select three courses from the following list:

- _____ ECON 3310 Public Sector Economics**
- _____ ECON 3330 Environmental Economics**
- _____ ECON 3335 Econometrics**
- _____ ECON 3382 Internship in Economics**
- _____ ECON 4320 Comparative Economic Systems**
- _____ ECON 4375 Economics of Developing Nation**
- _____ ECON 4390 Independent Study in Economics**
- _____ ECON 4395 Special Problems in Economics**
- _____ FINA 3340 Money, Banking, and Financial Markets**
- _____ MGMT 3342 International Business**

** This course has prerequisites; check the *Undergraduate Bulletin* for details.

⁷ FINA 3330, MGMT 3340, MGMT 3344, MKTG 3350, CISA 3321. These courses have a prerequisite requirement of a 2.0 GPA or higher in the following courses ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, QMTH 2330.

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry,

Notes – *continued*

Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Upper-Division (UD) Core. Students pursuing the BBA in Finance will satisfy the UCA Core Upper Division Requirements by completing the following courses: FINA 3330 Managing Finance and Capital [UCA Core: I], MGMT 3340 Managing People and Work [UCA Core: D, R], FINA 4336 Advanced Financial Management [UCA Core: C], FINA 3350 [UCA Core: R], and MGMT 4347 Managing Policy and Strategy [UCA Core: Capstone].

³ Students must select one course from each category to meet LD UCA Core requirements.

- Physical Science
- Life Science
- American History and Government*
- Fine Arts/Humanities*
- Diversity and Creative Works*
- Responsible Living*
- ECON 2310 (Diversity in World Cultures)*

*First Year Seminar courses may be available in these areas.

Students may use either MATH 1390, MATH 1395, or any lower division UCA Core approved calculus class such as MATH 1496 to meet the lower division UCA core requirements depending upon their initial placement. Students who take MATH 1395 or MATH 1496 to meet their lower division core requirement will have an additional 3 hours of general electives.

⁴ All BBA Majors must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements. Students who initially place in MATH 1395 or MATH 1496 will be able to use the course to meet the BBA degree requirements and the UCA Core requirements.

⁵ In order for a BBA-seeking student to enroll in more than nine (9) hours of upper-division courses in the College of Business, they must meet the following progression requirements:

1. Obtain a 2.0 or higher cumulative grade point average, and
2. Complete ACCT 2310, 2311, ECON 2320, 2321, CISA 2330 with a 2.0 grade point average in these five courses.

⁶ FINA 3330 (semester 5), MGMT 3340, MGMT 3344, MKTG 3350, CISA 3321. These courses have a prerequisite requirement of a 2.0 GPA or higher in the following courses: ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, and CISA 2330.

⁷ Finance majors must pick two major electives from the following courses: FINA 3323, FINA 3382, FINA 4331, FINA 4334 (may not be used as a finance major elective if taken to meet quantitative tools requirement), FINA 4376, FINA 4390, FINA 4395, INSU 3324, ACCT 3311, ACCT 3312, MGMT 4341, or CISA 4330.

⁸ Finance majors must take one of the following quantitative tools courses: CISA 4325, ECON 3335, FINA 4334, or INSU 3335.

DATE**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*.

Notes – *continued*

LD UCA Core. During the first year, a student must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

Specifically, students must select one course from each of these categories to meet LD UCA Core requirements.

- Physical Science
- Life Science
- American History and Government*
- Fine Arts/Humanities*
- Diversity and Creative Works*
- Responsible Living*
- ECON 2310 (Diversity in World Cultures)*

*First Year Seminar courses may be available in these areas.

Students may use either MATH 1390, MATH 1395, or any lower division UCA Core approved calculus class such as MATH 1496 to meet the lower division UCA core requirements depending upon their initial placement. Students who take MATH 1395 or MATH 1496 to meet their lower division core requirement will have an additional 3 hours of general electives. (See also Note 3.)

UD UCA Core. The student will also need to complete major, minor, or general elective courses designated as fulfilling the requirements of the upper-division (UD) UCA Core. Management majors will satisfy the upper-division UCA Core requirements by completing the following courses:

- FINA 3330 Managing Finance and Capital [UD UCA Core: I]
- MGMT 3340 Managing People and Work [UD UCA Core: D, R]
- MGMT 4347 Managing Policy and Strategy [UCA Core: Z (Capstone)]
- MGMT 4376 New Venture Creation [UD UCA Core: C].

³ All Management Majors must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements. Students who initially place in MATH 1395 or MATH 1496 will be able to use the course to meet the BBA degree requirements and the UCA Core requirements.

⁴ MATH 1395 is no longer a prerequisite for CISA 2330. These courses may be interchanged in semesters where they are listed.

⁵ In order for a BBA-seeking student to enroll in more than nine (9) hours of upper division courses in the College of Business, they must meet the following progression requirements:

1. Obtain a 2.0 or higher cumulative grade point average, and
2. Complete ACCT 2310, 2311, ECON 2320, 2321, QMTH 2330 with a 2.0 grade point average in these five courses.

No course may be repeated for a grade after a course for which it is a prerequisite has been passed.

⁶ FINA 3330, MGMT 3340, MGMT 3344, MKTG 3350. These courses have a prerequisite requirement of the successful completion of the following courses: ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, and CISA 2330. No course may be repeated for a grade after a course for which it is a prerequisite has been passed.

Program Description: <https://uca.edu/ubulletin/colleges-departments/cb/efirm/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ¹.

DATE**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

If applicable, has student selected a minor? Type “x” as appropriate. ____ No ____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

Notes – *continued*

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin.

LD UCA Core. During the first year, a student must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

Students must select one course from each category to meet LD UCA Core requirements.

- Physical Science
- Life Science
- American History and Government*
- Fine Arts/Humanities*
- Diversity and Creative Works*
- Responsible Living*
- ECON 2310 (Diversity in World Cultures)*

*First Year Seminar courses may be available in these areas.

Students may use either MATH 1390, MATH 1395, or any lower division UCA Core approved calculus class such as MATH 1496 to meet the lower division UCA core requirements depending upon their initial placement. Students who take MATH 1395 or MATH 1496 to meet their lower division core requirement will have an additional 3 hours of general electives. (See also Note 3.)

UD UCA Core. The student will also need to complete major, minor, or general elective courses designated as fulfilling the requirements of the upper-division (UD) UCA Core. Management majors will satisfy the upper-division UCA Core requirements by completing the following courses:

FINA 3330 Managing Finance and Capital [UD UCA Core: I]
 MGMT 3340 Managing People and Work [UD UCA Core: D, R]
 MGMT 4347 Managing Policy and Strategy [UCA Core: Z (Capstone)]
 MGMT 4385 Safety and Motor Carrier Policy [UD UCA Core: C]

³ All Management Majors must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements. Students who initially place in MATH 1395 or MATH 1496 will be able to use the course to meet the BBA degree requirements and the UCA Core requirements.

⁴ MATH 1395 is no longer a prerequisite for CISA 2330. These courses may be interchanged in semesters where they are listed.

⁵ In order for a BBA-seeking student to enroll in more than nine (9) hours of upper division courses in the College of Business, they must meet the following progression requirements:

1. Obtain a 2.0 or higher cumulative grade point average, and
2. Complete ACCT 2310, 2311, ECON 2320, 2321, CISA 2330 with a 2.0 grade point average in these five courses.

No course may be repeated for a grade after a course for which it is a prerequisite has been passed.

⁶ FINA 3330, MGMT 3340, MGMT 3344, MKTG 3350. These courses have a prerequisite requirement of the successful completion of the following courses: ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, and CISA 2330. No course may be repeated for a grade after a course for which it is a prerequisite has been passed.

This degree program requires a total of **120** semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (https://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (https://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ¹.

 SIGNED – DEPARTMENT CHAIR

 DATE

 SIGNED – COLLEGE DEAN

 DATE

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. ____ No ____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin.

Notes – *continued*

LD UCA Core. During the first year, a student must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

Specifically, students must select one course from each category to meet LD UCA Core requirements.

- Physical Science
- Life Science
- American History and Government*
- Fine Arts/Humanities*
- Diversity and Creative Works*
- Responsible Living*
- ECON 2310 (Diversity in World Cultures)*

*First Year Seminar courses may be available in these areas.

Students may use either MATH 1390, MATH 1395, or any lower division UCA Core approved calculus class such as MATH 1496 to meet the lower division UCA core requirements depending upon their initial placement. Students who take MATH 1395 or MATH 1496 to meet their lower division core requirement will have an additional 3 hours of general electives. (And see Note 3.)

UD UCA Core. The student will also need to complete major, minor, or general elective courses designated as fulfilling the requirements of the upper-division (UD) UCA Core. Management majors will satisfy the upper-division UCA Core requirements by completing the following courses:

- FINA 3330 Managing Finance and Capital [UD UCA Core: I]
- MGMT 3340 Managing People and Work [UD UCA Core: D, R]
- MGMT 4347 Managing Policy and Strategy [UCA Core: Z (Capstone)]
- MGMT 4355 Marketing Management [UD UCA Core: C].

³ All Management Majors must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements. Students who initially place in MATH 1395 or MATH 1496 will be able to use the course to meet the BBA degree requirements and the UCA Core requirements.

⁴ MATH 1395 is no longer a prerequisite for CISA 2330. These courses may be interchanged in semesters where they are listed.

⁵ In order for a BBA-seeking student to enroll in more than nine (9) hours of upper division courses in the College of Business, they must meet the following progression requirements:

1. Obtain a 2.0 or higher cumulative grade point average, and
2. Complete ACCT 2310, 2311, ECON 2320, 2321, CISA 2330 with a 2.0 grade point average in these five courses.

No course may be repeated for a grade after a course for which it is a prerequisite has been passed.

⁶ FINA 3330, MGMT 3340, MGMT 3344, MKTG 3350. These courses have a prerequisite requirement of the successful completion of the following courses: ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, and CISA 2330. No course may be repeated for a grade after a course for which it is a prerequisite has been passed.

This degree program requires a total of **123** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ¹.

Program Description: <https://uca.edu/ubulletin/colleges-departments/ce/teaching-learning/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of **121 semester credit hours**, including at least **40 upper-division credit hours**.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (https://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (https://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ¹.

Year 1

Fall – Semester 1 (credit hours: **16**)

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student in one of these majors who has not completed a 1000-level MATH course must enroll in MATH 1360.

³ Field experience hours required. Refer to College of Education Office of Candidate Services website (uca.edu/ocs) for teacher education admission requirements.

⁴ See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that fulfill these requirements.

⁵ Field experience hours required.

⁶ Field experience hours required.

⁷ Must be admitted to teacher education and field experience hours required.

⁸ Must be admitted to teacher education.

⁹ Must be admitted to teacher education to enroll in courses listed in this semester and field experience hours required in some courses. Take required Praxis II **content** exam(s) and achieve internship minimum score to proceed to MSIT 4612/4613 Internship II.

¹⁰ Must be admitted to teacher education to enroll in courses listed in this semester and field experience hours required.

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses fulfilling these requirements.

³ First-time, first year students majoring in special education enter the Quantitative Literacy Mathematics Pathway and must enroll in MATH 1360 during their first year of study, unless they have been awarded credit that completes their 1000-level math requirements.

If a student has been given credit for MATH 1390, MATH 1390 can be substituted for MATH 1360

⁴ See Teacher Admission requirements.

⁵ If 15 hours are needed, please see academic advisor.

⁶ Must be admitted to teacher education; cohorts formed: Jr. Block field T 8:00-2:00.

⁷ Must be admitted to teacher education. Internship 1A is spring-only. May be completed before or after Internship 1B. No additional courses can be added to Internship 1A. Field Hours M/W/F.

⁸ Must be admitted to teacher education. Internship 1B is fall only. May be completed before or after Internship 1A. No additional courses can be added to Internship 1. Field Hours M/W/F.

⁹ Must be admitted to teacher education. Earn score(s) on relevant Praxis subject-area assessment(s) to meet or exceed the state’s minimum requirements to be eligible for a license upon graduation before enrolling in Internship II. Admission approval to INTERNSHIP II; Field Daily 8:00–4:00.

If 15 hours are needed, please see academic advisor.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

³ Students who have already earned credit for another 1000-level MATH course (e.g., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. A student who has not completed/earned credit for a 1000-level MATH course must enroll in MATH 1360.

⁴ LD UCA Core: Responsible Living. It is recommended that the student enroll in an FYS section of this course if possible.

SIGNED – DEPARTMENT CHAIR_____
DATE_____
SIGNED – COLLEGE DEAN_____
DATE**To be completed by the advisor when an Eight-Semester plan is accepted by the student:****If applicable, has student selected a minor? Type “x” as appropriate. ____ No ____ Yes****If “yes,” specify: _____****General Note**

A master's degree is required for licensure in speech-language pathology. To practice as a speech-language pathologist in Arkansas and other states, individuals must have a master's degree and be licensed. To be licensed, individuals must have the Certificate of Clinical Competence from the American Speech-Language-Hearing Association. To obtain this certificate, individuals must successfully complete a master's degree, pass a national examination, and complete a clinical fellowship year. The clinical fellowship year is typically completed during the first year the graduate is working as a speech-language pathologist. The master's program takes two full years to complete. Applications for the UCA master's program are submitted in January of the student's senior year. The program starts in the Fall.

Notes

¹ A minor is not required. In lieu of a minor, students must complete approximately 22 hours of electives across related disciplines approved by the major academic advisor.

² The program requires a 2.75 minimum cumulative GPA and a 3.0 minimum major GPA. If a student receives a D or F in any CSD course, the course must be repeated.

³ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

⁴ Students who wish to complete an introductory physics course (PHYS 1405 or 1410) instead of an introductory chemistry course (CHEM 1402 or CHEM 1450) should opt for the College Algebra Pathway.

⁵ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

⁶ Students must complete at least one Humanities (HUM) and one Fine Arts (FA) course as part of the LD UCA Core requirements.

⁷ This course is offered in both Fall and Spring. The student must meet prerequisites to register.

⁸ Suggested electives: Psychology: PSYC 2350, 2370, 3310, 3325, 3351, 4320, 4325, 4351, and 4352; Physics: PHYS 1400 and 1405; Linguistics: LING 2320, 3115, and 3325; Biology: BIOL 2490 and 3370.

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. ☐ No ☐ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

³ Students who have already earned credit for another 1000-level MATH course (i.e. concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1365.

⁴ The student will need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. The student must complete upper-division UCA Core courses that address each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may address up to two areas. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

⁵ Other statistics courses include GEOG 2330, MATH 2311, PSCI 2312, CISA 2330, and SOC 2321.

SIGNED – COLLEGE DEAN_____
DATE**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:****If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes****If “yes,” specify: _____****Notes**¹ A major grade point average of 2.0 or higher on a 4.0 scale is required to complete the degree.² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.³ It is recommended that students complete an FYS section of EXSS 1320. If an FYS section of the course is not available, students may complete a non-FYS section of EXSS 1320. Students should consult with their advisor to ensure that they complete an FYS section of a course from either Critical Inquiry courses or Social Science courses (designated SS) within Diversity/World Cultures.⁴ Must be animal biology, not botany. Note: BIOL 1440 requires the following prerequisites: High School chemistry or CHEM 1301 (or above) and a composite ACT score of 21 or higher OR BIOL 1400 and CHEM 1301 (or above), both with a grade of C or higher. Students not meeting the prerequisite requirements must have permission of the Biology department chair prior to enrollment.⁵ CHEM 1402 and 1450 require the following prerequisites: ACT mathematics score of at least 21 or corequisite/prerequisite of MATH 1390. It is recommended that students have taken and passed high school chemistry or have completed CHEM 1301 with a C or better.⁶ Students must complete at least one Humanities (HUM) and one Fine Arts (FA) course as part of the lower-division UCA Core, one from the Diversity in Creative Works category and the other from the Critical Inquiry, Fine Arts/Humanities category. One course must be completed in the second semester and the other course must be completed in the third semester. Note

Notes – *continued*

that the following humanities courses have prerequisites: CHIN 2320 Intermediate Chinese II, FREN 2320 Intermediate French II, GERM 2320 Intermediate German II, SPAN 2320 Intermediate Spanish III.

⁷ It is recommended students take a sequence of Human Anatomy and Physiology courses: BIOL 3406 and 3407.

⁸ In addition to PSYC 1300 General Psychology, students must complete an additional Social Science course (designated SS) in the Diversity in World Cultures category of the LD UCA Core. Students in consultation with their advisor should refer to the current *Undergraduate Bulletin* and the UCA Lower Division General Education Check Sheet in selecting an appropriate SS course.

⁹ Students select one of the following courses to satisfy the psychology requirement: PSYC 2370, PSYC 3370, or PSYC 4320. It is recommended that students interested in the BS in Exercise Science program complete PSYC 3370.

¹⁰ Students are required to complete three courses from the following elective pool: FACS 2341, HLTH 3325, HLTH 4300, HLTH 4303, MGMT 2341, MGMT 3305, MGMT 3310, and MKTG 2350.

¹¹ Students select one of the following courses to satisfy the nutrition requirement: NUTR 3370 or NUTR 4315. It is recommended that students in the BS in Exercise Science program complete NUTR 4315.

¹² Students select one of the following courses to satisfy the statistics requirement: MATH 2311, PSYC 2330, or SOC 2321.

¹³ Students must have current CPR/First Aid Certification prior to enrolling in and during EXSS 4V99 Internship in Exercise Science.

Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ².

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ A major grade point average of 2.0 or higher on a 4.0 scale is required to complete the degree. The major consists of 53 credit hours. A grade of C or better is required in all major courses.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ It is recommended that students complete an FYS section of EXSS 1320. If an FYS section of the course is not available, students may complete a traditional section of EXSS 1320. Students should consult with their advisor to ensure that they complete an FYS section of a course from either Critical Inquiry courses or Social Science courses (designated SS) within Diversity/World Cultures.

⁴ Must be animal biology, not botany. Note: BIOL 1440 requires the following prerequisites: High School chemistry or CHEM 1301 (or above) and a composite ACT score of 21 or higher OR BIOL 1400 and CHEM 1301 (or above), both with a grade of C or higher. Students not meeting the prerequisite requirements must have permission of the Biology department chair prior to enrollment.

⁵ CHEM 1402 and 1450 require the following prerequisites: ACT mathematics score of at least 21 or corequisite/prerequisite of MATH 1390. It is recommended that students have taken and passed high school chemistry or have completed CHEM 1301 with a C or better.

⁶ Students must complete at least one Humanities (HUM) and one Fine Arts (FA) course as part of the lower-division UCA Core, one from the Diversity in Creative Works category and the other from the Critical Inquiry, Fine Arts/Humanities category.

Notes – continued

One course must be completed in the second semester and the other course must be completed in the third semester. Note that the following humanities courses have prerequisites: CHIN 2320 Intermediate Chinese II, FREN 2320 Intermediate French II, GERM 2320 Intermediate German II, SPAN 2320 Intermediate Spanish III.

⁷ It is recommended that students take a sequence of Human Anatomy and Physiology courses: BIOL 3406 and 3407.

⁸ In addition to PSYC 1300 General Psychology, students must complete an additional Social Science course (designated SS) in the Diversity in World Cultures category of the LD UCA Core. Students in consultation with their advisor should refer to the current *Undergraduate Bulletin* and the lower-division UCA Core check sheet in selecting an appropriate SS course.

⁹ Students select one of the following courses to satisfy the statistics requirement: MATH 2311, PSYC 2330, or SOC 2321.

¹⁰ Students select one of the following courses to satisfy the nutrition requirement: NUTR 3370 or NUTR 4315. It is recommended that students in the Clinical Exercise Science concentration complete NUTR 3370.

¹¹ Students select one of the following courses to satisfy the psychology requirement: PSYC 2370, PSYC 3370, or PSYC 4320. It is recommended that students in the Clinical Exercise Science concentration complete PSYC 4320.

¹² BIOL 4351 requires the following prerequisites: BIOL 2405, BIOL 2410, BIOL 3407, or BIOL 4460.

¹³ Students must have current CPR/First Aid Certification prior to enrolling in and during EXSS 4V99 Internship in Exercise Science.

¹⁴ BIOL 4311 requires one of the following as a prerequisite: BIOL 2405, BIOL 2410, BIOL 3407, or BIOL 4460.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ A major grade point average of 2.0 or higher on a 4.0 scale is required to complete the Bachelor of Science in Exercise Science with a Pre-Athletic Training concentration. This degree serves as a pre-professional plan (contains the prerequisite course requirements) for admission to the graduate level Athletic Training Program which has competitive and selective admission. A cumulative GPA of at least 2.70 on 4.00 scale or at least a 3.00 GPA on a 4.00 scale on the last 60 hours of course work is necessary to apply for the Master of Science in Athletic Training. Students will need to graduate from an accredited graduate level Athletic Training Program to be eligible to sit for the Board of Certification examination for the Athletic Trainer and become licensed to practice in the state of Arkansas as an athletic trainer.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ It is recommended that students complete an FYS section of EXSS 1320. If an FYS section of the course is not available, students may complete a traditional section of EXSS 1320. Students should consult with their advisor to ensure that they complete an FYS section of a course from either Critical Inquiry courses or Social Science courses (designated SS) within Diversity/World Cultures. See also note 6.

⁴ Must be animal biology, not botany. Note: BIOL 1440 requires the following prerequisites: High School chemistry or CHEM 1301 (or above) and a composite ACT score of 21 or higher OR BIOL 1400 and CHEM 1301 (or above), both with a grade of C or higher. Students not meeting the prerequisite requirements must have permission of the Biology department chair prior to enrollment.

Notes – *continued*

⁵ CHEM 1402 and 1450 require the following prerequisites: ACT mathematics score of at least 21 or corequisite/prerequisite of MATH 1390. It is recommended that students have taken and passed high school chemistry or have completed CHEM 1301 with a C or better.

⁶ Students must complete at least one Humanities (HUM) and one Fine Arts (FA) course as part of the lower-division UCA Core, one from the Diversity in Creative Works category and the other from the Critical Inquiry, Fine Arts/Humanities category. One course must be completed in the second semester and the other course must be completed in the third semester. Note that the following humanities courses have prerequisites: CHIN 2320 Intermediate Chinese II, FREN 2320 Intermediate French II, GERM 2320 Intermediate German II, SPAN 2320 Intermediate Spanish III.

⁷ It is recommended that students take a sequence of Human Anatomy and Physiology courses: BIOL 3406 and 3407.

⁸ In addition to PSYC 1300 General Psychology, students must complete an additional Social Science course (designated SS) in the Diversity in World Cultures category of the LD UCA Core. Students in consultation with their advisor should refer to the current *Undergraduate Bulletin* and the lower-division UCA Core check sheet in selecting an appropriate SS course.

⁹ PHYS 1405 is an acceptable substitution for PHYS 1410 and is offered in the spring semesters.

¹⁰ Students select one of the following courses to satisfy the nutrition requirement: NUTR 3370 or NUTR 4315. It is recommended that students in the Pre-Athletic Training concentration complete NUTR 4315.

¹¹ Students select one of the following courses to satisfy the statistics requirement: MATH 2311, PSYC 2330, or SOC 2321.

¹² BIOL 4351 requires one of the following as a prerequisite: BIOL 2405, BIOL 2410, BIOL 3407, or BIOL 4460.

¹³ BIOL 4311 requires one of the following as a prerequisite: BIOL 2405, BIOL 2410, BIOL 3407, or BIOL 4460.

¹⁴ Students must have current CPR/First Aid Certification prior to enrolling in and during EXSS 4V99 Internship in Exercise Science.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. ____ No ____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² This course is required for students seeking admission to the Doctor of Occupational Therapy program at UCA. See the [Graduate Bulletin](#) for details.

³ Students who have already earned credit for another 1000-level MATH course (i.e. concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

⁵ The student must complete 42 credit hours of FACS, IDSN, or NUTR courses selected in consultation with a major advisor.

Notes – *continued*

⁶ The student will need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. The student must complete upper-division UCA Core courses that address each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may address up to two areas. See annotations in this Academic Map and the [Department of Nutrition & Family Sciences](#) page in the Undergraduate Bulletin for courses within the major that fulfill the UD UCA Core requirements.

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² Students who have already earned credit for another 1000-level MATH course (i.e. concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

⁴ The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. The student must complete upper-division UCA Core courses that address each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may address up to two areas. See annotations in this Academic Map for courses within the major/minor that fulfill the UD UCA Core requirements.

Academic Map: Health Promotion

Department: Health Sciences **Degree:** BS
Program/Major: Health Promotion
Track/Emphasis: _____
Does this program require a minor? (Yes/No) No

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <https://uca.edu/ubulletin/general-policies-information/uca-core/>
LD UCA Core Check Sheet: <https://uca.edu/academicbulletins/ld-uca-core/>
UD UCA Core Course List: <https://uca.edu/academicbulletins/ud-uca-core/>

Program Description: <https://uca.edu/ubulletin/colleges-departments/ch/health-sciences/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ¹.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² Students who have already earned credit for another 1000-level MATH course (e.g., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. A student who has not previously earned credit for a 1000-level MATH course must enroll in MATH 1360.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360 should be taken in the first year if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that fulfill these requirements. The UD UCA Core diversity requirement may be fulfilled using a major elective (HLTH 3305, 4343, 4395, or 4396).

⁴ Any one of the following may be used to fulfill the statistics requirement: GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, CISA 2330, SOC 2321.

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1390 should be taken in the first year if possible. The upper-division UCA Core requirement is waived for students selectively admitted to the Nuclear Medicine Technology program.

³ Approved introductory statistics courses: GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, QMTH 2330, SOC 2321.

⁴ After selective admission, the remaining hours (47) will be completed over the following 12 months at the clinical site of Baptist Health College Little Rock. These hours will be recorded at UCA, and the Bachelor of Science in Nuclear Medicine Technology degree will be awarded by UCA.

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <https://uca.edu/ubulletin/general-policies-information/uca-core/>
LD Core Check Sheet: <https://uca.edu/academicbulletins/ld-uca-core/>
Degree Requirements: <https://uca.edu/ubulletin/general-policies-information/degree-requirements/>
Program Description: <https://uca.edu/ubulletin/colleges-departments/ch/nursing/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ¹.

General Note

All courses with an asterisk (*) and all nursing courses (NURS) listed in this Academic Map (AMAP) must be completed with a minimum grade of "C." The course requirements detailed in this AMAP are specific to the UCA BSN degree program. Students seeking admission to another nursing program or other UCA majors are responsible for knowing the specific requirements for that program.

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² Courses listed for Year 1 and Year 2 are prerequisites to the nursing major. Admission to UCA as a pre-nursing major does not guarantee admission to the nursing major, which begins in summer Year 3. Students must apply for and be accepted to

Notes – *continued*

the major. Applications are available by October 1 and are due November 15. See uca.edu/nursing for a complete list of major admission requirements and degree requirements.

³ BIOL 1410 and 2410 or equivalent courses will meet the UCA BSN degree requirements. Parts I and II of the sequence must both be completed at the same institution.

⁴ One of these courses should be taken as a First Year Seminar (FYS).

⁵ See appropriate choices, alternatives, or substitutions for the lower-division UCA Core (LD UCA Core) under “UCA Core” in the *Undergraduate Bulletin*. The student must complete upper-division UCA Core (UD UCA Core) requirements as specified in this AMAP.

⁶ Although CHEM 1402 is preferred, CHEM 1450 will also meet the UCA BSN degree requirement and the LD UCA Core Physical Science requirement.

⁷ FACS 2341 or PSYC 2370 are accepted for the UCA BSN degree. Some nursing programs which require a development course do not accept FACS 2341. If applying to another nursing program, the student should check with that program regarding its requirements.

⁸ Prior to Year 3 Summer 2, all non-nursing courses should be completed. Because of the high number of clinical hours and the variable clinical times required in this semester, students will be unable to enroll in other courses. If additional hours are required, an online course without any synchronous meetings should be selected. Many full-time enrollment requirements for financial aid and scholarship requirements are reduced for the last semester of a student’s program. Students should see the Financial Aid office for details regarding their aid program.

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

³ MATH 1390 is a corequisite/prerequisite for CHEM 1402.

⁴ Other statistics courses include the following: GEOG 2330, MATH 2311, PSCI 2312, CISA 2330, and SOC 2321.

⁵ The student will need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. The student must complete upper-division UCA Core courses that address each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may address up to two areas. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

⁶ Students intending to apply for a graduate program in Occupational Therapy (OT) may choose an alternative for these courses.

Notes – *continued*

⁷ Students intending to apply for a graduate program in Occupational Therapy must have completed all OT prerequisites by the end of the fall semester prior to the spring graduate OT program application deadline in order to apply to OT programs.

Notes

¹ A cumulative grade point average of 2.7 or higher on a 4.0 scale is required for admission, retention, and completion of the degree.

² A major in Physical Education (K-12) is required. A major grade point average of 2.7 or higher on a 4.0 scale is required for admission, retention, and completion of the degree. The major consists of 45 credit hours. A grade of C or better is required in all major courses.

³ This Academic Map includes 11 credit hours in required Health Promotion courses. A grade of C or better is required in all Health Promotion (HLTH) courses. While HLTH 2201 First Aid is the only required HLTH pre-admission course, a student's grade point average for admission to the Physical Education Teacher Education (PETE) program will be calculated on all required HLTH courses completed. First aid and CPR certificate is required until graduation. See Health Promotion in the current *Undergraduate Bulletin* for minor.

⁴ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

⁵ See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Courses may be used only once to satisfy the UCA Core. If the ACT sub-score in Reading, English, or Mathematics is below 19, remediation is required before enrolling in certain UCA Core courses. Students needing remediation in reading or writing may not enroll in an FYS until they have completed their remediation. Students must take at least one course in the Fine Arts (designated FA) and one course in Humanities (designated HUM) as part of the lower division core requirements.

⁶ WRTG 1310 must be taken on initial enrollment unless the requirement was already met or remediation is required.

⁷ This course (or an approved alternative) is a required PETE program admission course. Students must earn a C or better.

⁸ Students have the option to complete MATH 1360 in the fall or spring of their first year. Students who have already earned credit for another 1000-level MATH courses (e.g., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not previously completed a 1000-level MATH course must enroll in MATH 1360.

⁹ BIOL 1440 requires the following prerequisites: High school chemistry or CHEM 1301 (or above) and a composite ACT score of 21 or higher OR BIOL 1400 and CHEM 1301 (or above) with grades of C or higher. Students not meeting the prerequisite requirements must have permission of the Biology Department Chair prior to enrollment.

Notes – *continued*

¹⁰ Students must earn a C or better.

¹¹ In addition to PSYC 1300 General Psychology, students must complete an additional Social Science course (designated SS) in either the Diversity in World Cultures or in Responsible Living. HLTH 2320 Mental Health in Responsible Living category fulfills this requirement and is required by the H ED.

¹² Course requires admission to the PETE program.

¹³ Prerequisite required (C or better in PHYS 1400 or CHEM 1402 or 1450).

¹⁴ Prerequisite required (C or better in EXSS 2381).

¹⁵ Prerequisite required (C or better in EXSS 3303)

¹⁶ Students are required to submit a copy of their registration for PRAXIS II Subject Area Assessment tests in order to receive a grade in PETE 4380

¹⁷ Students are required to take PRAXIS II Subject Area Assessment tests PRIOR to enrolling in PETE 4690 and PETE 4691. Students must submit an electronic or hardcopy of the entire score report booklet for each PRAXIS II tests taken regardless of the score earned.

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (https://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (https://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See the [Department of Psychology and Counseling](#) page in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

³ PSYC 1300 General Psychology must be taken prior to other PSYC courses. We recommend that PSYC 2330 (Statistics) be taken during the 4th semester. PSYC 2330 must be taken prior to PSYC 3332, and PSYC 3332 must be taken prior to PSYC 3340.

⁴ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this plan as needed depending upon the chosen minor field of study.

² If 15 semester hours are needed to comply with a scholarship, it is the student’s responsibility to add 1-3 hour(s) of a general elective course or lower-division UCA Core course to the semester.

³ MATH 1390 or equivalent is required to enroll in MATH 1491 or MATH 2311. A MATH ACT score of 27, a “C” or better in MATH 1390 and a “C” or better in MATH 1392, or a “C” or better in MATH 1486, or equivalent is required to enroll in MATH 1496. Student should take MATH 2311 Statistical Methods prior to completing 30 semester hours.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See notations in this Academic Map and the [Department of Biology](#) page in the *Undergraduate Bulletin* for courses in the major that fulfill these requirements.

⁵ This degree requires 28 hours of Biology Elective courses. If paired with a minor or double major then 20 hours of Biology Elective courses are required. The plan is designed with the minimum number of courses required to meet degree requirements. However, students may elect to take Biology elective courses that are not lab classes. The student must take a **minimum** of 4 Biology elective lab courses (16 credit hours). The remaining 12 hours of Biology elective courses may be any approved Biology elective course. See appropriate choices under the [Department of Biology](#) in the *Undergraduate Bulletin*.

⁶ If students combine the UD UCA Core Diversity (D) and Responsible Living (R) requirement into one course or if Biology elective courses are used in place of the UD UCA Core or Capstone requirements, these courses must be replaced with general electives in order to meet the minimum 120 credit hours required for graduation.

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See the *Undergraduate Bulletin* and consult your undergraduate advisor to select appropriate courses to fulfill the UD UCA Core requirements. The capstone (Z) requirement is fulfilled by successful completion of CHEM 4112.

³ This Academic Map includes 18 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

⁴ Students may substitute CHEM 4380, Advanced Inorganic Chemistry, for CHEM 3360; however, CHEM 4380 is only offered spring semesters.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. ____ No ____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living (one of the LD UCA Core courses in the second semester must be designated FYS).

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map and consult the *Undergraduate Bulletin* and your academic advisor for courses that fulfill these upper-division requirements.

³ This degree program requires a minimum of 8 credit hours in Lab Sciences in Biology and Chemistry or Physics. Courses that satisfy the requirement include BIOL 1440 (Biology I), CHEM 1450 (College Chemistry I), PHYS 1410 (College Physics 1), and PHYS 1441 (University Physics 1).

⁴ See the [Department of Computer Science and Engineering](#) page in the *Undergraduate Bulletin* for a list of Math electives.

⁵ See the [Department of Computer Science and Engineering](#) page in the *Undergraduate Bulletin* for a list of Computer Science electives.

Academic Map: Computer Science, Data Science

Program Description: <https://uca.edu/ubulletin/colleges-departments/cn/computer-science/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. ____ No ____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin* and the lower-division UCA Core (LD UCA Core) Check Sheet ([core link](#)). During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. Specific LD UCA Core courses required by this program are explicitly listed in the AMAP.

³ The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core (UD UCA Core). See annotations in this AMAP for requirements in this program that fulfill UD UCA Core requirements; courses in the student’s selected Cybersecurity Concentration may also fulfill UD UCA Core requirements. See <http://uca.edu/academicbulletins/ud-uca-core/> for a complete list of courses approved for the UD UCA Core and capstone requirements.

Academic Map: Data Science, Business

Department: _____ Computer Science and Engineering _____ **Degree:** _____ BS _____

Track/Emphasis: _____ Business _____
Does this program require a minor? (Yes/No) _____ No _____

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <https://uca.edu/ubulletin/general-policies-information/uca-core/>
LD UCA Core Check Sheet: <https://uca.edu/academicbulletins/ld-uca-core/>
UD UCA Core Course List: <https://uca.edu/academicbulletins/ud-uca-core/>
Degree Requirements: <https://uca.edu/ubulletin/general-policies-information/degree-requirements/>
Program Description: <https://uca.edu/ubulletin/colleges-departments/cn/computer-science/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (<https://uca.edu/academicbulletins/ld-uca-core/>) takes the user to the *Undergraduate Bulletin's* Lower-Division (LD) UCA Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (<https://uca.edu/academicbulletins/acts/>) takes the user to the *Undergraduate Bulletin's* ACTS page (<https://uca.edu/academicbulletins/acts/>) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

This degree program requires a total of 129 semester credit hours [but see Note 1], including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (https://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin*'s UCA Lower-Division Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin*'s ACTS page (https://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 2.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ The degree requires 125 hours. Students who are not calculus ready will require 4 additional hours to prepare for required calculus courses. Students taking this pathway can be back on track for eight-semester completion by the end of the second year.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The LD UCA Core Check Sheet may be reached through the [core link](#) provided throughout this Academic Map (AMAP).

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this AMAP for courses in the major that fulfill these upper-division requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available courses; a comprehensive list of UD UCA Core courses is provided here: <http://uca.edu/academicbulletins/ud-uca-core/>.

⁴ Engineering Elective and Physics Elective courses must be approved by the Chair of the Department of Physics and Astronomy.

Academic Map: Environmental Science, Biology

Department: Biology **Degree:** BS
Program/Major: Environmental Science
Track/Emphasis: Biology
Does this program require a minor? (Yes/No) No

Important program information in the online *Undergraduate Bulletin*:

SIGNED – COLLEGE DEAN_____
DATE**To be completed by the advisor when an Eight-Semester plan is accepted by the student:****If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes****If “yes,” specify: _____****Notes**

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² If 15 semester hours are needed to comply with a scholarship(s), it is the student's responsibility to add 1-3 hour(s) of a general elective course or LD UCA Core course to the semester.

³ Student may choose one of the following courses to satisfy the statistics requirement: GEOG 2330 (Quantitative Methods), MATH 2311 (Statistical Methods), PSCI 2312 (Statistical Methods Political Analysis), PSYC 2330 (Psychological Statistics), CISA 2330 (Business Statistics), or SOC 2321 (Social Statistics). Student should take the Statistics course prior to completing 30 semester hours. Any 1000-level MATH course or equivalent will satisfy the prerequisite requirement for MATH 2311.

⁴ See appropriate choices, alternatives, or substitutions under "UCA Core" in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that fulfill these upper-division requirements; consult the *Undergraduate Bulletin* and your academic advisor to select appropriate courses to fulfill the remaining upper-division Responsible Living (R) requirement.

⁵ MATH 1390 or equivalent is required to enroll in MATH 1491. A Math ACT score of 27, a “C” or better in MATH 1390 and a “C” or better in MATH 1392, or a “C” or better in MATH 1486, or equivalent is required to enroll in MATH 1496.

⁶ These courses cannot be from the same taxonomic grouping (vertebrate, invertebrate, plant).

⁷ This degree requires 31 hours of Biology elective courses, including taxonomic, theory, and track electives. The AMAP is designed with the minimum number of courses required to meet degree requirements. However, students may elect to take Biology elective courses that are not lab classes. The student must take a **minimum** of 4 Biology elective lab courses (16

Notes – *continued*

credit hours). The remaining 15 hours of Biology elective courses may be any approved Biology elective course. See appropriate choices under the [Environment Science](#) Interdisciplinary Program in the *Undergraduate Bulletin*.

⁸ If students combine the UD UCA Core Diversity (D) and Responsible Living (R) requirement into one course or if Biology elective courses are used in place of the UD UCA Core Capstone requirements, these courses must be replaced with general electives in order to meet the minimum 120-credit hours required for graduation.

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students are encouraged to choose a course in economics to fulfill either Lower Division Core social science category (ECON 2320 or 2321) or their responsible living category (ECON 1310) requirements.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Consult annotations in this Academic Map, the *Undergraduate Bulletin*, and your academic advisors for appropriate courses with which to fulfill UD UCA Core requirements.

³ Restricted elective (at least 10 hours): Choose from CHEM 3150, CHEM 3360, CHEM 4121, CHEM 4320, CHEM 4335, CHEM 4380, CHEM 4450, CHEM 4460, BIOL 3403, ENVR 4465, GEOG 4304, GEOG 4305, ECON 3330, and a maximum of 2 credits of research in the College of Natural Science and Mathematics, or 8 hours of courses that count toward a minor in mathematics, biology, physics, or geography.

⁴ This course carries the prerequisites of PSCI 1330 AND the consent of the PSCI 3320 instructor or the chair of the Political Science department.

⁵ CHEM 4351 and CHEM 4152 are offered spring semester, odd years. Must be taken in semester offered.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² Various lower-division UCA Core courses are offered as First Year Seminars (FYS), but it is recommended the student take Principles of Geography, as it will prepare them for several of the upper-level courses.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two semesters if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

⁴ The student should take PSCI 1330 (rather than HIST 2301 or 2302) in the American History/Government category, since it is a prerequisite for two PSCI courses later in the program.

⁵ Preference is for GEOG 2330; credit for only one introductory statistics course allowed. Approved introductory statistics courses include GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, CISA 2330, and SOC 2321. Students must complete a 1000-level MATH course before enrolling in GEOG 2330.

Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (https://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin*'s UCA Lower-Division Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin*'s ACTS page (https://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. ____ No ____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See the *Undergraduate Bulletin* and consult your academic advisor for appropriate courses with which to fulfill these upper-division requirements.

³ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan. Due to an overlap of programs, the minor cannot be in Biology, Chemistry, Physics, or Physical Science.

⁴ Major Elective, Minor Elective, and General Elective courses must be completed so that a minimum of 40 hours of credit are earned at the 3000 level or above.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a lower-division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. PSCI 1330 is recommended for LD UCA Core, Inquiry and Analysis: American History and Government. Students in Geography should prioritize MATH 1360 for the Quantitative requirement. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that will fulfill some of these requirements. For other available courses, consult the *Undergraduate Bulletin* and your academic advisor.

³ A regional course is required. The student may choose any one of the following: GEOG 3300 World Regional Geography (fall, odd years), GEOG 3315 Geography of Latin America (Spring, even years), GEOG 3345 Geography of China and East Asia (Spring, odd years), GEOG 3380 Geography of Arkansas (Fall, even years), or GEOG 4390 Historical Geography of North America (Fall, odd years).

⁴ Preference is for GEOG 2330; credit for only one introductory statistics course allowed. Approved introductory statistics courses include GEOG 2330, MATH 2311, PSCI 2312, PSYC 2330, CISA 2330, and SOC 2321. Students must complete a 1000-level MATH course before enrolling in GEOG 2330.

⁵ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

⁶ Choose one from GEOG 3301, GEOG 3333, GEOG 4304, GEOG 3325, or GEOG 4313.

⁷ These courses will fulfill the requirement of 12 hours of upper-division Geography courses.

Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (https://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin*'s Lower-Division (LD) UCA Core check sheet, where LD UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin*'s ACTS page (https://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “LD UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses in the major that will fulfill UD UCA Core requirements; for others, consult the *Undergraduate Bulletin* and your academic advisor.

³ This Academic Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours, so the student will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen minor field. Depending on a student's choice of minor and special degree requirements, the total number of credit-hours taken may exceed the total number of credit hours required to complete the program.

⁴ The applied mathematics major requires 24 hours of upper-division courses. The additional 16 upper-division credit hours needed to complete the degree may be met by courses in the minor field and by additional math or general electives.

⁵ Program Requirements: PHYS 1441 and PHYS 1442 OR PHYS 1410 and PHYS 1420 OR CHEM 1450 and CHEM 1451 OR ECON 2320 and ECON 2321. Students who use the first course of the sequence for a LD UCA Core Critical Inquiry requirement (Physical Science or Social Science) will take an additional general elective instead of the program requirement in their fifth/seventh semester.

⁶ Students will need to adjust the number of general elective credit hours depending on the sequence chosen to meet the program requirements.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ The Computer Science minor is strongly encouraged. In this Academic Map, 20 credit hours are set aside for the minor. The Computer Science minor requires a minimum of 18 credit hours. Depending on the minor and courses selected, the number of general electives may need to be adjusted to bring the total credit hours in the program to 120.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ For the BS in Mathematics, this course fulfills the LD UCA Core Critical Inquiry – Quantitative requirement.

⁴ See appropriate choices, alternatives, or substitutions designated in the UCA Core Requirements and the lower-division (LD) UCA Core Check Sheet in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

⁵ Any one of the three courses listed here fulfills the LD UCA Core requirement in American History and Government.

⁶ Any one of the three courses listed here fulfills the LD UCA Core requirement in Natural Sciences – Life Science.

Notes – *continued*

⁷ Ancillary Requirement: CSCI 1470 and CSCI 1480 OR ECON 2320 and ECON 3302 OR ECON 2321 and ECON 3301 OR BIOL 1440 and BIOL 1441 OR INSU 3324 and ECON 2320 (or ECON 2321). Depending on the sequence chosen, the number of general elective credits may need to be adjusted in Semester 8.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote ¹.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions designated in the UCA Core Requirements and the lower-division (LD) UCA Core Check Sheet in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses in the major that fulfill these upper-division requirements; for others, consult the *Undergraduate Bulletin* and your academic advisor.

³ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours, so the student will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen minor field. Depending on a student's choice of minor, the total number of credit-hours taken may exceed the total number of credit hours required to complete the program.

⁴ The pure mathematics major requires 24 hours of upper-division courses. The additional 16 upper-division credit hours needed to complete the degree may be met by courses in the minor field and by additional math or general electives.

Academic Map: Mathematics, STEMteach Pure Mathematics

Department: Mathematics **Degree:** BS
Program/Major: Mathematics
Track/Emphasis: STEMteach Pure Mathematics
Does this program require a minor? (Yes/No) Yes

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <https://uca.edu/ubulletin/general-policies-information/uca-core/>
LD Core Check Sheet: <https://uca.edu/academicbulletins/ld-uca-core/>

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses in the major that fulfill these upper-division requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available courses.

³ Major Elective and General Elective courses must be selected so that a minimum of 40 hours of credit is earned at the 3000 level or above.

⁴ Major elective courses must be approved by the Chair of the Department of Physics and Astronomy.

Academic Map: Physics, Biological Physics (Calculus-Prep Start)

Department: Physics and Astronomy **Degree:** BS
Program/Major: Physics
Track/Emphasis: Biological Physics (Calculus-Prep Start)
Does this program require a minor? (Yes/No) No

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <https://uca.edu/ubulletin/general-policies-information/uca-core/>
LD UCA Core Check Sheet: <https://uca.edu/academicbulletins/ld-uca-core/>
UD UCA Core Course List: <https://uca.edu/academicbulletins/ud-uca-core/>
Degree Requirements: <https://uca.edu/ubulletin/general-policies-information/degree-requirements/>
Program Description: <https://uca.edu/ubulletin/colleges-departments/cn/physics-astronomy/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of **120** semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (https://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin*'s UCA Lower-Division Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin*'s ACTS page (https://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

Does this program require a minor? (Yes/No) _____ No _____

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <https://uca.edu/ubulletin/general-policies-information/uca-core/>
LD UCA Core Check Sheet: <https://uca.edu/academicbulletins/ld-uca-core/>
UD UCA Core Course List: <https://uca.edu/academicbulletins/ud-uca-core/>
Degree Requirements: <https://uca.edu/ubulletin/general-policies-information/degree-requirements/>
Program Description: <https://uca.edu/ubulletin/colleges-departments/cn/physics-astronomy/>
Course Descriptions: <https://uca.edu/ubulletin/courses/>

This degree program requires a total of 120 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](https://uca.edu/academicbulletins/ld-uca-core/) (https://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin's* UCA Lower-Division Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](https://uca.edu/academicbulletins/acts/) (https://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (https://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

Year 1

Fall – Semester 1 (credit hours: 15)

SUBJ	NUM	TITLE	SCH	ACTS
PHYS	1301	Introduction to Physics	3	
MATH	1486	Calculus Preparation	4	
WRTG	1310	Introduction to College Writing	3	ENGL1013
		LD UCA Core ² (FYS)	3	core link
		General Elective Course	2	

Spring – Semester 2 (credit hours: 15)

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses in the major that fulfill the upper-division requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available courses.

³ Major elective courses must be approved by the Chair of the Department of Physics and Astronomy.

Academic Map: Physics, Physical Science (Calculus Ready)

Department: _____ Physics and Astronomy _____ **Degree:** _____ BS _____
Program/Major: _____ Physics _____
Track/Emphasis: _____ Physical Science (Calculus Ready) _____
