Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

² MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

³ Students with no previous experience with a foreign language may complete six hours of lower-level foreign language instruction. These courses are not included in this plan of study. Please note that such need will require adjustment of the general elective hours in this AMAP.

Students who have prior language experience in Spanish, French, or German that is not AP language credit should take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of their placement. If they have prior language experience in Chinese or Japanese, students should email lllc@uca.edu for placement. A student's placement might also qualify them to apply for “Credit by Examination”—college credit for previous coursework—after passing their first language course. Email lllc@uca.edu to learn more.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁴ This Academic Map (AMAP) includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

⁵ A total of 9 elective hours are required for the major. Elective courses are listed in the *Undergraduate Bulletin* and on the Journalism checklist.
