Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 2.

¹ This Academic Map includes 24 credit hours in the General Business minor. Students planning on completing an MBA degree may wish to select as General Business minor electives two courses that are also prerequisites for admission to UCA's MBA program: FINA 3330 Managerial Finance and CISA 2330 Business Statistics. See the [Minor in Business Administration](#) in the *Undergraduate Bulletin* for detailed requirements.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ There are many opportunities for semester and summer study abroad and study away that work with this major and that can cost the same or less than studying on campus. If you are at all interested in learning about these options, make an appointment with an education abroad advisor: <https://ucastudyabroad.appointy.com/default.aspx>.

⁴ This AMAP presumes no prior experience in French or a placement in Elementary French I. If you have any prior language experience in French that is not AP language credit, please take the free language placement exam from any computer by visiting <https://uca.edu/wlan/placement/> before registering for classes and enroll in the level of your placement. Your placement might also qualify you to apply for "Credit by Examination"—college credit for previous non-university coursework—after passing your first language course. Email lllc@uca.edu to learn more.

Notes – continued

⁵ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document.

⁶ Students are required to take upper-division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See notations in this Academic Map for courses in the major that fulfill these requirements.

⁷ See *Undergraduate Bulletin* for options.
