Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 2.

Notes

¹ This Academic Map includes 18 credit hours in a minor field of study. Students will need to adapt the number of general elective and minor course credit hours in this plan as needed, depending on the chosen minor. Given a student's choice of minor, the total number of credit hours completed may exceed the total number of credit hours required to complete the degree.

² See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

³ All students are required to complete UCA's Music Theory and Ear Training Placement Exams prior to enrolling in MUS 1230 Harmony I and MUS 1231 Ear Training I. Exam scores are used to make an official recommendation whether a student is adequately prepared to enroll in Harmony I and Ear Training I or if MUS 1300 Fundamentals of Music Theory is recommended before a student enrolls in Harmony I and Ear Training I.

⁴ MUS 2133 Piano Class III and MUS 2134 Piano Class IV are degree requirements, but a student may need MUS 1131 Piano Class and/or MUS 1132 Piano Class II prior to MUS 2133 Piano Class III. Piano placement exams occur immediately before the beginning of classes in the fall semester of the first year of study.

⁵ See appropriate choices, alternatives, or substitutions under [UCA Core](#) in the *Undergraduate Bulletin*. During the first year, a student must complete an LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

⁶ Students who previously earned credit for another 1000-level MATH course that fulfills the UCA Lower-Division Core Quantitative category requirement may substitute that course for MATH 1360.
