Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. English majors must complete at least one introductory ENGL course from the UCA Core. It is strongly recommended that English majors take other core courses with ENGL prefixes where possible. If that is not possible, courses with the following prefixes are recommended: ANTH, AFAM, HIST, LING, PHIL, PSCI, RELG, SOC, WLAN.

³ This requirement may be fulfilled with courses from SPAN, FREN., CHIN, or JAPN at the 2000 level or higher. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of the general elective hours in this AMAP.

The Academic Advising Center and the School of Language and Literature recommend that students complete the foreign-language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁴ Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. Students who have not completed a 1000-level MATH course must enroll in MATH 1360.

⁵ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

⁶ Students are required to take upper-division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. In addition to any disciplinary goals and outcomes, the UCA Core capstone requirement will address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the School of Language and Literature page in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

⁷ This course serves as a capstone for the English major and the UCA Core capstone requirement.
