Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² Students who have already earned credit for another 1000-level MATH course (i.e. concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

⁴ The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. The student must complete upper-division UCA Core courses that address each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may address up to two areas. See annotations in this Academic Map for courses within the major/minor that fulfill the UD UCA Core requirements.
